Board Approves Bylaw For Past Pitch

MINUTES

JULY 21-22, 1994

The Board of Control of the Kentucky High School Athletic Association met at the headquarters in Lexington, Ky., on Thursday, July 21, 1994. The meeting was called to order at 8:30 a.m. by President Frank Cardwell. Board members present in addition to the President were Tom Bryant, Ken Cox, Tasso Harris, Cookie Henson, Claudia Hicks, Teresa Isaac, Ozz Jackson, Stan Steidel, Darrell Treece, Grant Talbott, Wendell Thomas and Frank Welch. Members absent were Bill Beasley, Bob Rogers and Kathy Hopper. Also present were Commissioner Louis Stout, Assistant Commissioners Larry Boucher and Brigid DeVries, Business Manager Julian Tackett, S.I.D. Brooks Downing, Ken Tippet, State Dept. Representative Gary Faulkner and Board Attorney Danny Reeves.

The Invocation was given by Cox.

Hicks made a motion, seconded by Jackson, that the minutes of the following meetings be approved April 21-23, May 13 and May 19, 1994. The motion passed unanimously.

Welch moved that all bills of the Association for the period beginning April 1, 1994 and ending June 30, 1994, be approved. Talbott seconded the motion which passed.

The next items on the Agenda were the appeals hearings. Each appellant was allowed to present his/her case and distribute to the Board any additional information relative to the appeal. The Board then went into Executive Session to discuss the case. The President advised each appellant of the decision of the Board following return to Open Session. The President explained the Due Process Procedure to each appellant in the event the appeal was denied. Following is the disposition of each appeal:

1) Aaron DeGlow, Dixie Heights HS, Bylaw 6, Transfer Rule.

Motion by Talbott to restore eligibility at the beginning of the 1994-95 school year, second by Teresa Isaac. Motion failed 4-9. Bryant moved to restore eligibility on September 17, second by Ken Cox. Motion passed 9-4.

2) Eugene Smith, Whitley County HS, Bylaw 6, Transfer Rule.

Motion by Steidel, second by Thomas, to deny the appeal. Motion passed 12-1.

3) Mike Hertzfeldt, Scott HS, Bylaw 3, Age Rule.

Motion by Talbott, second by Welch

President Cardwell called for a lunch break at 12:45 p.m. to reconvene at 1:50 p.m.

5) Fredrik Holst, Bylaw 6, Transfer Rule, Foreign Students.

Motion by Talbott, second by Cox to deny appeal. Motion passed unanimously.

6) Michelle Smith for Joshua Carter, Wayne County HS, Bylaw 4, Sec. 1(d), Enrollment.

Motion by Harris, second by Thomas, to deny appeal based on fact that Board does not have the authority to make exception to HB750. Motion passed unanimously.

7) Julie Skaggs, Valley HS, Bylaw 3, Age Rule.

Motion by Talbott, second by Thomas, to deny appeal. Motion passed 9-3. Harris abstained.

8) Ryan Tucker, Owensboro HS, Bylaw 6, Transfer Rule.

Motion by Cox, second by Treece, to deny appeal. Motion passed 9-3. Talbott abstained.

9) Marcus Warick, Valley HS, Bylaw 6, Transfer.

Motion by Talbott, second by Cox, to restore eligibility. Motion passed 12-0. Harris abstained.

10) Souder, Williamstown HS, Bylaw 6, Transfer Rule.

Motion by Talbott, second by Welch, to restore eligibility due to hardship. Motion passed unanimously.

11) Kimberly Murphy, Sacred Heart, Bylaw 6, Transfer Rule.

Motion by Steidel, second by Cox, to deny eligibility. Motion passed 12-1.

12) Teresa Rose for Phillip Rose, Wayne County HS, Bylaw 4, Sec. 1(d), Enrollment.

Motion by Harris, second by Talbott, to deny appeal based on fact that Board does not have the authority to make exception to HB750. Motion passed unanimously.

President Cardwell called for a recess at 7:15 p.m. until Friday, July 22, 1994 at 10:30 a.m.

The meeting recessed.

The meeting was reconvened on July 22, 1994, at 10:40 a.m. by President Cardwell. Board members present in addition to the President were Beasley, Cox, Harris, Henson, Hicks, Hopper, Isaac, Jackson, Steidel, Treece, Talbott and Welch. Members absent were Bryant, Rogers and Thomas. Also present were Commissioner Stout, Assistant Commissioners Boucher and

DeVries, Business Manager Tackett, S.I.D. Downing, Tippet, State Dept. Representative Faulkner and Board Attorney Reeves.

President Cardwell called on Woody Axton and Sonny Frantz of Louisville who requested to appear before the Board to discuss bowling as a KHSAA sanctioned sport. Following their presentation and questions by the Board, suggestions to ascertain the schools' interest in bowling and an explanation of sports sanctioning by Commissioner Stout, Talbott made a motion that this matter be given to the All-Sports Committee for further study. Hopper seconded the motion which passed unanimously.

Next on the Agenda was a presentation by Terry Hatton and Tom Carter of Lexington regarding their sponsorship of a Sweet 16 Fan Jam to be held in conjunction with the Boys' State Basketball Tournament in March '95. Their presentation included the objective of such an event, the location and an outline of activities. Following their presentation, Harris made a motion, seconded by Isaac, that the staff be directed to look into this matter further and bring a contract to the Board. The motion passed unanimously.

The next Agenda item related to the implementation of HB490 which was passed by the 1994 General Assembly, specifically as it relates to Fast Pitch Softball. Commissioner Stout recommended that a Fast Pitch Softball Tournament for girls be conducted in the Spring of 1995 with additional information distributed to member schools as to comply with HB490.

In addition, Stout recommended that the Board request State Board of Education approval of an amendment to KHSAA Bylaw 40 which states, "If a member school sponsors or intends to sponsor an athletic activity that is similar to a sport for which NCAA members offer an athletic scholarship, the school shall sponsor the athletic activity or sport for which the scholarships are offered. The athletic activities which are similar to sports for which NCAA members offer scholarships are: Girls' Fast Pitch Softball as compared to slow pitch softball". Following a discussion of the matter, Isaac made a motion, seconded by Hopper that the KHSAA sanction Fast Pitch Softball. The motion passed 9-4.

Board members then discussed items in the KHSAA Policies and Procedures Manual which was submitted for approval. A lengthy discussion ensued with regard to voting on motions. President Cardwell advised the Board that at the present time, Robert's Rules of Order are used. Jackson made a motion, seconded by Frank Welch, that actions

by the Board of Control shall be decided by simple majority vote of members present, if there is a quorum. The motion failed 7-6. Harris then moved to leave the policy as printed. Treece seconded the motion which passed 9-4.

Steidel requested "...sports camps..." be deleted in Section III.L. Steidel asked that Section IV.B.9. be changed to read, "Any staff member leaving the office for any reason should report this absence to the Commissioner or his designee."

Isaac made a motion that the KHSAA Policies and Procedures Manual be adopted with these changes. Steidel seconded the motion which passed unanimously.

Committee Reports were the next items on the Agenda.

Executive Committee - President Cardwell, Chairperson, moved that the Board approve the following items:

1) Due to the nature of Association business, flexible hours should be recognized and approved at the discretion of the Commissioner. Harris seconded the motion which passed unanimously.

2) a Recommends a 4% pay increase for the Staff with the exception of the Commissioner, whose salary was previously set.

b. Hire a receptionist at a salary of \$10-12,000.

c. Raise Bettina Gaines salary an additional \$500.

Ken Cox seconded the motion which passed unanimously.

3) Research the employment of a Hearing Officer for eligibility cases through the Attorney General's Office and bring back a recommendation to the Board. Beasley seconded the motion which passed unanimously.

4) Accept Corporate contracts from H & W Sport Shop, Ernie House, Ishmael Chevrolet, Payne Chevrolet and Quantrell Cadillac. Jackson seconded the motion which passed unanimously.

5) Accept the winner of a coin toss to determine whether the minority representative or the female representative will serve six years following the next election. Steidel seconded the motion which passed. The minority representative won the toss of the coin and will serve for six years beginning in 1996.

6) Recommends the Commissioner determine when the Board needs an attorney present at the Board meeting. Welch seconded the motion which passed unanimously.

All-Sports Committee - Talbott, Chairperson, made a motion that the Board approve the following items:

1) Accept a revised alignment as presented by the Volleyball Committee

and study the revised alignment further after one year. Steidel seconded the motion which passed.

2) During regular season play, permit a golf team of 4 or 5 players to count four (4) scores. Hicks seconded the motion, which passed.

3) Approve Atherton High School to host the State Wrestling Tournament for 1995. Steidel seconded the motion which passed.

4) Authorize Boucher of the Officials Division to send a request to the principals requesting the amount of fees that are paid to officials.

5) Table the Bowling program.

Football Committee - Jackson, Chairperson, made a motion that the Board approve the following item:

Accept a recommendation from the Ad Hoc Committee that the State Football Playoffs be held the first weekend in December as follows: Class A, Friday, Dec. 2, noon, Class AA, Friday, Dec. 2, 3:00 p.m.; Class AAA, Saturday, Dec. 3, noon; Class AAAA, Dec. 3, 3:00 p.m. Talbott seconded the motion which passed.

Other items discussed but no action taken included 1) consideration of the Wilson 1001 Football, 2) a study of the Officials Rating Process, 3) Regular season officiating by Assigning Secretaries, 4) game fees, 5) trophies, 6) postseason receipts. Jackson advised members that a five-class alignment will be available in September for approval of the Board and then to be sent to the schools.

Steidel then made a motion, seconded by Jackson, that the 1994-95 Budget be accepted as presented. The motion passed.

President Cardwell appointed the following Board members to serve on a committee to study Summer Participation: Jackson, Hicks, Steidel and Harris.

Hicks expressed her concern about cheerleaders not being covered by catastrophic insurance during the summer. Commissioner Stout recommended that DeVries look into KAPO's relationship with the KHSAA to ascertain information on this matter.

Tackett discussed with Board members the need for a medical insurance study which would cover the \$25,000 deductible for athletes. Faulkner suggested contacting the Department of Insurance. No action was taken on the matter.

Talbott made a motion to accept the revised Soccer alignment. Cox seconded the motion which passed unanimously.

DeVries discussed the possibility of

(Continued, Page 8)

changing the dates of the State Track Meet from the Memorial Day Weekend due to several conflicts. The Board discussed the dates of May 19-20 and June 2-3. After discussion of the matter, Steidel made a motion to move the State Track Meet to June 2-3, 1995. Welch seconded the motion which passed unanimously.

Following the Board's approval of the State Wrestling Tournament site and the dates for the State Track Meet, Harris moved to adopt the 1994-95 Calendar. Steidel seconded the motion which passed unanimously.

Cox requested that the Officials' Division look into a three-man officiating crew for Boys' and Girls' Basketball and the possibility of implementation for the 1995-96 State Tournaments.

Beasley requested that the Commissioner ask for an Attorney General's opinion to seek the intent of HB490 as it relates to whether a school can offer Slow Pitch Softball without offering Fast Pitch Softball. Jackson seconded the motion which passed 11-2.

Items of interest during round-table discussion included problems with meetings on Wednesday evening and Sunday; the election of Alvis Johnson as President of the National Federation; In-service training for new Board members; litigation; winter track (referred to All-Sports Committee for September meeting); Coaches Certification due by 1996-97.

Boucher reported on his trip to the National Federation Summer Meeting. Items of interest shared with the Board were 1) the induction of Garnis Martin into the Hall of Fame; 2) an amendment to the Constitution which would allow a member of the administrative staff to hold a seat on the Board of Directors failed 31-19; 3) Board of Directors voted 50-0 to elect a President-Elect to serve for one year prior to his/her presidency.

Commissioner Stout requested approval for three staff members to attend the Section II Meeting in Delaware on Sept. 25-27, 1994. Steidel made a motion that the request be approved. Talbott seconded the motion which passed unanimously.

Commissioner Stout gave an update on litigation involving E.C. Matthews. The case is to be heard on Aug. 5.

The Board set the date for the next meeting to be held Sept. 16-17 at the KHSAA Headquarters in Lexington.

There being no further business to come before the Board, Steidel moved for adjournment. Bill Beasley seconded.

The meeting was adjourned at 4:45 p.m.

August 31, 1994

The West Eligibility Committee of the KHSAA Board of Control met in Louisville at the Executive Inn on Wednesday, Aug. 31, 1994, for the purpose of hearing eligibility appeals. President Frank Cardwell called the meeting to order at 10 a.m. Members present were Tasso Harris, Kathy Hopper, Bob Rogers, Grant Talbott and Darrell Treece. Others present were Commissioner Louis Stout, Asst. Commissioners Brigid DeVries and Larry Boucher, and Anne Wesley Mays, Administrative Secretary.

Prior to each appeal, President Cardwell explained to the appellant the procedure for presentation. Each party was allowed to present his/her case and distribute to the Board any additional information relative to the case. After each presentation, the Board went into Executive Session. Following return to Open Session the appellants were advised of the decision of the Board and President Cardwell explained the Due Process Procedure in the event the appeal was denied. It was determined that five affirmative votes were needed to pass a motion or restore eligibility.

Following is the disposition of each appeal:

1) Stephen Henderson - Elizabethtown HS

Talbott made a motion to deny appeal due to lack of bona fide change of residence. Treece seconded the motion which passed unanimously.

2) Jason Boyd - Western Hills HS

Talbott made a motion to grant ap-

peal due to hardship. Hopper seconded the motion which failed by 2-4 vote.

3) Gerald Palmer - Ballard HS

Talbott made a motion to grant appeal. Motion died for lack of a second to the motion. Eligibility denied.

4) Kenneth Hollar - Seneca HS

Talbott made a motion to grant appeal. Motion failed by 4-2 vote.

5) Samuel "Bo" Harvey - Walden School

Rogers made a motion, seconded by Harris, to waive By-Law 6. Motion passed unanimously.

6) Christopher Cummins - Moore HS

Harris made a motion, seconded by Hopper, that eligibility be regained at the beginning of the second semester of 1994-95. Motion passed 5-1.

7) Daniel Williams - Southern HS

Harris made a motion to grant eligibility. Hopper seconded the motion which failed 2-4.

8) Ge'rrie SuzAnne & Brandon Greenwell - Bullitt East HS

Rogers made a motion to grant eligibility due to hardship. Treece seconded the motion which passed unanimously.

9) Daniel Vieira - Atherton HS

Hopper made a motion to grant eligibility. Motion died for lack of a second to the motion. Eligibility denied.

10) Christiano Vieira - Ballard HS

Hopper made a motion to grant eligibility. Motion died for lack of a second to the motion. Eligibility denied.

There being no further business, Treece made a motion to adjourn. Talbott seconded the motion which passed. The meeting adjourned at 5:00 p.m.

WBCA TO HOLD ANNUAL CONVENTION

High school coaches from across the nation are being extended a special invitation to attend the 1995 Women's Basketball Coaches Association (WBCA) National Convention, which will be held March 29-April 2, 1995, in Minneapolis, Minn., in conjunction with the NCAA Division I Women's Final Four.

The WBCA's national convention provides an excellent opportunity for coaches to network with other coaches from all levels of competition and from across the country.

Convention activities include professional development seminars, strategy sessions, a 3-on-3 coaches tournament, awards banquets and other social events. The convention will also feature exhibits by various companies and organizations within the sports industry.

The 1995 NCAA Division I Women's Final Four is already sold out; however, convention registrants are still eligible to order tickets through the WBCA.

For additional information about the 1995 WBCA National Convention, or to inquire about membership with the Association, please call (404) 279-8027 ext. 103.

The Women's Basketball Coaches Association is a nonprofit educational association with an international membership of approximately 3,500. Founded in 1981, the mission of the WBCA is to promote women's basketball by unifying coaches at all levels to develop a reputable identity for the sport and to foster and promote the game in all of its aspects as an amateur sport for women.

New Members Added To KHSAA Board

Six new members have been added to the Kentucky High School Athletic Association's Board of Control for the 1994-95 school year.

Two were elected and four were added by the State Board for Elementary and Secondary Education bringing the size of the Board to 16 people, making it the largest KHSAA Board in history.

Tasso Harris and Darrell Treece were elected to replace outgoing Board members Ray Story and Jim Sexton.

Teresa Isaac, Wendell Thomas, Bill Beasley and Tom Bryant were added to

the Board following the review of the Association by the SBESE.

Harris is employed by the Jefferson County Board of Education and serves as a teacher and athletic director at Valley High School. Treece serves as principal of Henry County High School. Both Harris and Treece will serve four-year terms.

Isaac is Vice-Mayor of the Lexington-Fayette Urban County Government after serving as an Assistant Fayette County Attorney in the mid-'80s. Her term will expire in 1997.

Thomas works for Louisville Gas and

Electric Company as its representative for Occupational Health & Safety. He has been with that company since 1978. His term will expire in 1998.

Beasley is the president of Kentucky Hydra Power, Inc. He served on the SBESE's Commission on Interscholastic Athletics which reviewed the KHSAA in 1993. His term expires in 1996.

Bryant serves as an associate professor and head basketball coach at Centre College in Danville. A native of Ohio, Bryant has worked at Centre since 1968. His term will expire in 1995.

Bloodborne Pathogens Training For Coaches

By STEVE PARKER, MSSA

There are many exposure control standards written for health care workers who are exposed to bloodborne pathogens. Only a few school systems in the country have standard policies and procedures for coaching personnel relating to bloodborne pathogens. All coaches should be trained to deal with bloodborne pathogens. According to the National Safety Council (1993), of the many bloodborne pathogens, two pose the most significant occupational health threats: Hepatitis B Virus (HBV) and Human Immunodeficiency Virus (HIV).

Each year as many as 12,000 people are infected with HBV, the most common form of hepatitis, through exposure on the job. Without vaccination, exposure to HBV may produce symptoms within two weeks to six months following exposure. People carrying the virus may be symptom-free but contagious. These people may infect others through exposure to infected blood. Furthermore, according to the National Safety Council (1993) over a million people in the US are infected with HIV, but have no symptoms. A person carrying HIV can infect others, and HIV-infected persons may eventually develop Acquired Immunodeficiency Syndrome (AIDS). Unlike HBV, no vaccine is available to prevent HIV infection. The only defense is to avoid exposure to the HIV virus.

How does a school system train its coaches to handle blood and who will provide the training? This employee training problem is similar to the one industry health care administrators faced during the late '70s with cardiopulmonary resuscitation (CPR). It is extremely important that all coaches be trained to prevent accidental infections through handling blood. This training would also be beneficial for coaches outside the occupational setting.

The training program may be planned and implemented similarly to the program involving CPR. OSHA regulations should be followed and each school system may establish policies and procedures for handling bloodborne pathogens in its particular location.

The American Red Cross (1993) recommends the following objectives and procedures for training programs:

Course -- Community Bloodborne Standards.

Objectives -- Identify the epidemiology and symptoms of bloodborne disease; Learn the modes of transmission of bloodborne pathogens; Learn the ex-

posure control plan; Recognize tasks and other activities that may involve exposure to blood and other potentially infectious materials; Learn the use and limitations of methods that will prevent or reduce exposure including appropriate engineering controls, work practices and personal protective equipment; Learn information on the types, proper use, location, removal, handling, decontamination and disposal of personal protective equipment; Identify the basis for selection of personal protective equipment; Learn information on the hepatitis B vaccine; Learn the appropriate actions to take and persons to contact in an emergency involving blood or other potentially infectious materials; Learn procedures to follow if an exposure incident occurs including the method of reporting the incident and the medical follow-up that will be made available; Learn post-exposure evaluation and follow-up that the employee is required to provide for the employee following an exposure incident.

Length -- 3 hours. **Instructor** - Current authorized OSHA instructor.

Certification Requirement -- Successfully complete all skills outlined in the course and pass written exam with a minimum score of 80% or better.

Certificate Validity - One year.

Participant Materials - *National Safety Council Bloodborne Pathogen manual and handbook.*

According to the American Red Cross (1993), the content on the basic level course will provide consistent guidelines that enable a person to give appropriate care, regardless of the situation. The course stresses the basic steps to follow in an emergency, beginning with the most important: the decision to act.

The course will also help participants confront their fears of stepping forward to give assistance. It will clarify when and how to access local emergency medical services, eliminating confusion and delays in obtaining more highly trained medical care and emphasize the need for rapid medical assistance. The course will also provide information on precautions and guidelines to prevent disease transmission.

The recommended time for conducting the course is three hours, assuming an instructor-participant ratio of one instructor to 6-10 participants. It is recommended that this course be taught in one session every year; renewal of certification would take about two hours.

At the conclusion of the course, coaches will be required to complete and sign OSHA forms and turn them in

promptly to their instructors. Coaches will also be asked to fill out the evaluation form for the course. Feedback from participants provide the instructor with information concerning the course effectiveness.

Implementation of this program may be relatively simple or more challenging. If the school system has established a policy on bloodborne pathogens, one may need only to ensure all coaches are in compliance with that policy. If the individual district has not yet implemented a bloodborne pathogen training program, individuals may choose to work with the American Red Cross or other health care organizations. School nurses may be trained as instructors.

The cost of the program, according to Gates (1993), is an estimated \$25 a person (this includes manual and handbook). Funding for the program may be available through state (health care reform), Board of Education and National Department of Labor/OSHA monies.

Funds for the HBV testing and vaccinations for workers in high risk positions should also be available for HIV testing (e.g. ELIS and Western Blot tests). Employee satisfaction will determine the success of the program and the likelihood of continuous funding. The following guidelines should help ensure a successful outcome:

- Establish a budget for the continuous training of employees;
- Appoint a committee to organize the program and stagger committee appointments to eliminate the possibility of starting a totally new committee;
- Revise standards annually for training according to OSHA;
- Assign an office in risk management to keep accurate records;
- Keep the Board of Education informed with annual reports.

The HIV and HBV viruses have made a great impact on the world of sport. To decrease the threat of these viruses coaches need to be educated and trained in handling bloodborne pathogens.

Steve Parker is a former All-State football selection from Paris High School and former head football coach at Bryan Station High School. Teen-age Athlete Deaths Raise Questions

By WILLIAM C. RHODEN

At least seven cases of sudden death occurred during a four-month period last school year:

- Joseph Marable, 17, Philadelphia: collapsed and died during tryouts for the basketball team on Nov. 30. Marable, the first cousin of Hank Gathers, apparently died of an asthma attack, according to Andy Rose, an attorney for the Philadelphia public school system. Marable's doctor said his signature was forged on the physical form.

- Jackson Muamba, 17, Bayonne, NJ: Crumpled to the floor while an opponent was taking a foul shot in a basketball game on Dec. 31. He had passed a physical in September. The autopsy report has not been released.

- Teddy Schalk, 12, Fayetteville, NY: Died after collapsing during basketball practice on Jan. 24. He had an undiagnosed congenital heart defect known as coarctation or narrowing of aorta, according to an autopsy.

- Darnell Palmore, 21, Decatur, Ga.: Died while running laps during a workout with the football team on Jan. 27. The autopsy results have not been released.

- Tim Metzger, 17, Onondaga, NY: Collapsed during a time-out with less than five minutes remaining in a basketball game on Jan. 31. He passed a physical, but a week before his death, Metzger had complained to his coach about feeling dizzy, which can be a sign of heart or circulation problems. He died of hypertrophic cardiomyopathy, Robert Howe, the Cortland County coroner said.

- Bryan Brown, 15, Montgomery, Ala.: The eighth-grade soccer player collapsed during practice on Feb. 3. The autopsy revealed that he died of a rare congenital heart condition that was not detected during a physical in December.

- Deven Mills, Chicago: Collapsed in the locker room following the game. He had recently transferred from another school, where he had fainted after practice in December. He was tested and cleared to play, but the North Chicago coach and athletic director said that they were never told about the fainting episode.

But for medical professionals and school administrators, the deaths have produced difficult questions: Can more

be done to detect hidden and potentially fatal heart conditions? What will it cost? When is a condition threatening enough to declare someone unfit for athletics? Who should make that decision?

Many physicians and athletic officials say the routine tests that schools require for participation in sports have failed to keep pace with the intense levels of competition and stress. The focus of their concern is hypertrophic cardiomyopathy, a thickening of the heart muscle that is difficult to detect and is the most common cause of sudden death among otherwise healthy individuals under age 30. "It's a lot more common than people think because so many of these symptomatic patients go undiagnosed," said Dr. Laneh Fananapazier, the director of inherited cardiac disease section of the National Institute of Health. "I think for every one diagnosis there is probably another athlete who has not been diagnosed. It's not a problem that can be ignored."

Sudden death affects 200,000 to 400,000 Americans each year, accounting for two to 20 percent of the deaths of Americans between the ages of 1 and 20, according to an article by Drs. Elias H. Botvinick, Michael W. Dae, Rajagopal Krihnan and Stanford Ewing of the Journal of the American College of Cardiology. Some doctors wonder whether there should be guidelines for people who want to participate in a high-stress sport. The issue is difficult for many reasons, including the fact that in high school, college and professional sports, health screening is an unregulated frontier with no binding standards.

In response to the two deaths in upstate New York in January, a group of specialists with the New York Heart Center in Syracuse have volunteered to create a pilot screening program for junior varsity and varsity athletes.

By December, both the American College of Cardiology and the American College of Sports Medicine expect to issue guidelines on screening and recommendations on when someone should be declared unfit to participate in sports. In New York City, the Ashe Institute for Urban Health plans to launch a joint venture with the Center for Disease Control and the Public Schools Athletic League to determine whether black athletes are at a greater risk of sudden death.

"Nobody can be declared to be totally safe," Dr. Fananapazier said. "The question is how safe are they? And can we identify those who are at high risk."

Despite the efforts to improve screening, athletes are often the most defiant lines of resistance because their

desire to compete may outweigh their health concerns. "The rewards that are out there, particularly for a kid who has a high degree of talent, makes it difficult for a teenager with an abnormality to want to admit it," Dr. Framer said.

Tony Penny is an example of the pull sports can have. He sued Dr. Milton J. Sands for \$1 million, contending that the doctor had interrupted his career in 1986 by refusing to permit him to play basketball at Central State University. Penny found a cardiologist who cleared him to play and, with the approval of the Connecticut attorney general, resumed his collegiate career.

The lawsuit was dropped. In February 1990, Penny died while playing basketball in England. Some athletes want to play so badly they either hide or fail to realize the importance of the medical history.

Revealing what is hidden is the primary purpose of medical screening but screening guidelines vary from state to state, sometimes from school to school. The lack of standards is cited as a major deterrent to effective screening. The NCAA offers guidelines, but ultimately each school sets its own standards.

Cost is the most persistent argument against making sophisticated tests part of the required screening. An echocardiogram is the best test for identifying the heart problems that most often lead to sudden death, Dr. Clark said, but it can cost \$400-\$500. An electrocardiogram is less expensive at about \$90, but it also is less sensitive in detecting problems.

Robert Ward, the coach at Roundlake High north of Chicago, said the issue crystallized for him when one of his players, 16-year-old Michael Davis, collapsed and died two years ago. "People said that coming up with a good test isn't cost effective," Ward said. "You tell that to the parents, the students, the teammates. As a coach, it scares the hell out of me."

For Constantin Muamba, whose youngest brother, Jackson, died in New Jersey last month, talk of cost effectiveness seems hollow.

"If there was a test we could have taken to prevent this... but they said it cost \$150 to buy Jackson his sneakers," he recalled. "He only wore them twice. People talk about costs, but we just spent \$4,000 on my brother's funeral."

Committee To Explore Tourney Rotation

GOLF MINUTES

June 7, 1994

The State Golf Committee met on June 7, 1994, at the Kentucky High School Athletic Association office in Lexington. The meeting was called to order by Brigid DeVries, Assistant Commissioner, at 1:30 p.m. Attending the meeting were Cathy Gullett, Lou Brown, Marty Donlon, Fred Mariani, Jeff Littrell Mike Donahoe, Kay Smith, Larry Boucher, Drew Conliffe, Dave Cowden and Ernie Denham.

The first item on the agenda was a discussion of the regional tournament sites and managers. The area coordinators are in place and have submitted recommendations for the majority of the boys' and girls' regional sites for the 1994 tournaments. There are still a few that have not been confirmed at this time.

The next agenda item included a summary of the results of the golf survey sent to the golf coaches this spring. One of the major issues on the survey was a change in the team format for re-

gional and state tournament play to allow teams to enter five players and count the best four scores. The current format allows a school to enter four players and count four scores. The golf committee recommends that this change in format be given consideration at the July 1994 meeting of the Board of Control.

The next agenda item was a discussion of the 1994 Boys' and Girls' State Tournament Sites. It was the consensus of the committee to play the Girls' Tournament at Elizabethtown Country Club, Oct. 11-12, with a practice round on the 10th, and the Boys' Tournament at Lincoln Trail Country Club, Oct. 13-14, with a practice round on the 12th.

Consideration for the Boys' State Tournament was given to Arlington Country Club and Gibson Bay in Richmond. It was the feeling of the committee that the KHSAA staff explore the possibility using both Arlington and Gibson Bay as future sites for the boys' and girls' tournaments and that a rotation begin at the state level if courses are available. The committee felt that it was desirable to keep the boys' and girls' tournaments in

the same geographical area if possible.

Mike Donahoe from the KGA/PGA office gave a report on activities in progress with the Kentucky Junior Golf Tour. The tour is off to a great start with participation at an extremely high level. It was decided that Donahoe, DeVries and Boucher explore the possibility of setting up two clinics for high school golf coaches this year. Possible sites include Lexington and Louisville to be scheduled in early Fall 1994. The Kentucky Golf Association will provide the Rules of Golf for the high school coaches again this year.

Drew Conliffe gave a status report on the 1994 Baker Geary Golf Tour. This is the first year for the tour and Conliffe related that the interest in the tour has been excellent.

Marty Donlon gave a brief report on the Boys' and Girls' All-State Golf Teams. Donlon discussed the criteria for All-State consideration and asked the golf committee for any suggestions they may have regarding the selection process.

There being no further business the meeting was adjourned.

New Volleyball Alignment Approved

VOLLEYBALL MINUTES

July 19, 1994

The Volleyball Committee met at the Kentucky High School Athletic Association office in Lexington on July 19, 1994. The meeting was called to order at 1:30 p.m. by Brigid L. DeVries, Assistant Commissioner. Committee members present included Jack Pylinski, Ron Kordes, Katie Wesseling, Kim Gunning, Ken Garvey, John Smith, Jeff Fossett, Luci Cecil, Jenny Mertle, Joan Mitchell, Jim Watkins and Larry Boucher.

Commissioner Stout welcomed each of the Volleyball Committee members to the meeting and thanked them for their dedication and hard work in volleyball.

The meeting began with Boucher's report on the officials division. Boucher discussed general registration procedures, as well as specific information with reference to volleyball.

The first item on the agenda was a discussion of the proposed eight-region alignment developed by the volleyball sub-committee chaired by Sarah Good Mertle presented information regarding the proposal and committee members discussed the proposal at length. Kordes made the motion to accept the proposal, seconded by Mertle. The proposal

passed unanimously. The proposal was presented to the July 1994 Board of Control meeting and was adopted for the 1994 volleyball season. Committee members felt that the alignment, if approved, should be evaluated at the end of the 1994 season. Other adjustments might be needed in the future due to new schools adding volleyball. Also a district and sectional format might be considered so that travel can be kept to a minimum.

The next item on the agenda was a discussion of tentative regional tournament sites. DeVries advised the Committee of a few additions to each region which will go into effect in 1995. Regional tournaments will be double elimination again in 1994. The Committee then reviewed the items on the regional information sheets and made some revisions.

The Committee made no change regarding team seating for the 1994 season, so teams will change benches after each game for all levels of play. Trophies at the regional tournament level will once again be paid for out of gate receipts for the 1994 tournaments.

The next item on the agenda was a discussion regarding the 1994 State Volleyball Tournament. The State Tournament is scheduled for Oct. 28-29, 1994. Steidel, along with committee members

Ryle High School has been chosen as the host school for the 1994 State Volleyball Championship. The event will be held Oct. 28-29, 1994.

from Northern Kentucky, are checking on site possibilities for the 1994 State Tournament site. Should there be none available, Watkins will do the same in the Louisville area.

The Committee reviewed the state tournament time schedule and made adjustments, due to the new eight-region format and the increase of four more teams in the state tournament.

A sub-committee formed to revise the State Tournament schedule with the proposed 16-team format will stay active and evaluate the alignment for possible adjustments. Sub-committee members include Ron Kordes, Katie Wesseling and Joan Mitchell, Sarah Good, Jenny Mertle and Jim Watkins. The sub-committee will report back to the full committee at the next meeting.

Committee members conducted the draw for the 1994 State Tournament. The Mikasa VFC 200 Volleyball will be the

Coaches Education Program Underway

From the KHSADA Executive Committee

For over two years, the KHSADA has worked through a committee to develop a program to benefit high school athletes through an education plan for coaches, especially paraprofessionals. The committee selected an education program that is affiliated with the National Federation, the governing body for high school athletics across this nation.

Along with the support of the KHSAA, the National Federation Interscholastic Coaches Education (NFICEP) Program was selected. The end result of hard work and support for this program became evident in February 1994 when the Delegate Assembly of the KHSAA voted overwhelmingly to revise Bylaw 27 to include the coaches education program as a mandatory part of coaching by the 1996-97 school year.

This past August, individuals were trained in Louisville on how to conduct these clinics which will begin in November. These persons have now completed the NFICEP Training Program and are authorized to educate your coaching staffs.

The cost of the coaches training is \$65 per coach. The comprehensive program consists of a nine-hour course of instruction followed by a take-home exam.

The certified trainers will communicate with all schools in their regions regarding registration for the clinics. The first clinic date will be Nov. 19, 1994 and trainers for the first two dates are listed below. The schools in regions that have no certified trainers need to contact an adjoining region to set up training.

This great educational journey is for the benefit of our student-athletes. Please view this program as the positive force that it is and embrace the program for the benefits to all student-athletes. These benefits far outweigh the one-time financial commitment each school will invest.

The Kentucky Coaches Education Program (KCEP) Training Staff thanks you in advance for your support of the program and looks forward to working with all schools in the implementation of this beneficial program

BYLAW 27 Requirement For Coaches Education

Sec. 1, Level 1, b, 3.

Coaching Certification

Beginning with the 1996-97 school year, all Level I coaches hired for the first time in a district, and all Level II and III coaches shall have completed an approved coaching certification program prior to such hiring. Such course shall include a nine-hour course of study to include the National Federation Interscholastic Coaching Education Program (NFICEP), KHSAA rules information and local district policies. All course requirements for certification in the coaching education program, including completion of the exam to be graded and registered with the American Coaching Effectiveness Program, shall be completed within one year or prior to the next competitive season. All member schools of the KHSAA shall pay the necessary expenses for any Level I, II or III coach to attend the certification program.

A Welcome To 3,000 Registered Officials

By LARRY BOUCHER
Assistant Commissioner

I'd like to take this opportunity to welcome the officials back to *The Athlete* magazine. In each issue, we'll dedicate a section of this magazine to keep our officials and coaches better informed on current issues facing the officials and the sports they work.

We'll also cover rules revisions, play situations and rules applications to better educate everyone involved with particular sports.

Officials -- Disqualification Reports

Let me remind you that disqualification reports must be made at every high school level, whether it is a freshman, junior varsity or varsity level game. And please, print legibly. We have too many instances of officials not providing disqualification reports to the schools and our office after they have been issued. This must be done. If you need additional report forms call your association's secretary.

Attention ADs/Coaches

A favorable work environment gives each official a chance to perform at their best. What can school administrators do to help create a favorable environment for their umpires and referees? Here are some ideas about the "care and feeding" of sports officials.

Officials in all sports would be well satisfied with the following considerations:

1. Reasonable privacy before and after the game.
 2. Space to dress.
 3. Secure storage for clothes and equipment.
 4. A clean shower.
 5. An escort to and from the "officials quarters."
- In detail:

Privacy: Officials are trained to conduct a "pregame" before each game. This time is used to review coverage mechanics and to discuss sticky rules interpretations. These conferences must be held in privacy so that officials can be candid, without the concern about being

overheard and possibly second-guessed.

Privacy is invaluable in other ways, too. It allows an individual to prepare mentally and physically, following their own rituals. After a game, they need privacy to unwind and clean up. Few situations are more awkward than preparing to go home while in the company of the losing squad or coaching staff.

Space: Every official can tell stories about cramped quarters. Officials, like players, require space to prepare for the rigors of the game. Besides changing clothes, these activities often include physical needs, like taping ankles, applying braces, etc. No one expects a suite at the local Holiday Inn -- just room for the equipment bag and a place to sit. Easy access to the toilet is also needed.

Storage: We need to know that our belongings are secure. This means a lockable room. Locked rooms provide some security but all too often remain locked well after the game, when officials need and deserve quick access to their quarters. After a game, when the coaches' attention is usually and properly directed to their teams, not to the officials, maintenance workers can be hard to find.

Shower: Officials are as much in need of a thorough cleaning up as the players. Just imagine being in a car full of unshowered people who have been playing ball for several hours -- not a pleasant prospect. Hot water is always appreciated. The privacy issue applies here as well, sometimes officials are asked to share shower facilities with the players. This is not recommended.

Escort: Have someone designated to meet the officials when they arrive at the game site. This curtails the confusion of officials trying to gain access to their dressing facility. After the game, an escort is really helpful when the room needs to be unlocked. Also, following the game, hostility from fans can cause problems. An escort is invaluable in these situations.

Two secondary issues are parking and refreshments. Officials don't expect to park at the door but they shouldn't be expected to walk long distances either. Most importantly, they need to know their vehicle is secure while parked.

Refreshments are nice too. A complimentary drink at halftime and after the game would be appreciated.

A growing number of schools acknowledge a need to upgrade the facilities used by their officials. Officials really appreciate a school that tries to be considerate. Of course, many schools already offer or exceed the accommoda-

tions outlined here.

Finally, we should mention a welcomed trend. Some schools assign a faculty member to meet officials when they arrive, and to stay with them until they leave. This arrangement always seems to provide first-class treatment. Even without a faculty rep like this, though, schools can take steps to help ensure that their officials are prepared to concentrate on the game. There is, perhaps unfortunately, no way for a school to influence the capabilities of the officials once the game begins. However, if I were a coach, I would want officials excited about or looking forward to coming to my place, not dreading it!

A Matter of Ethics

This article was reprinted with the permission of the IAABO.

Any game is, by design, a contest. Two teams, two coaches, two sets of fans, but only one possible winner -- the situation can't help but generate conflict.

That's where the role of the official fits into the plan. The referee's part, as so often has been said, is to monitor the contest to assure the conflict remains fair, to maintain order in a situation that could quickly disintegrate into outright warfare without the presence of an impartial influence. To complicate the scenario just a tad, a natural consequence of the official's position is that he or she must be prepared to "take some heat." There's nothing unusual with this; the rules, both by letter and by spirit, provide guidelines for handling such pressure. Every now and then, the reaction of the player, coach or fan will reflect disagreement with a decision. Within reason, that's an acceptable consequence to the "human side of the game."

What is of far greater concern, however, is a disturbing trend that has arisen in many areas. Too often, the source of the "heat" isn't player, coach or partisan fan but rather a fellow official. This is a totally inexcusable and blatantly unethical situation. It amounts to a betrayal of the basic philosophy of officiating.

This is not to be so stupid as to suggest that officials don't make mistakes. But hopefully, these mistakes will be made honestly, the result of imperfect floor position or flawed (but conscien-

tious) interpretation or judgement. Most importantly, the decision in question will be made objectively, without bias or prejudice.

The same attitude must apply to officials who are watching the game. Their objectivity must be beyond reproach. Comments on what might be happening on the court are at best inappropriate and at worst unethical. Berating the judgement of game officials amounts to little more than encouraging negative reactions from neighboring fans who might look to that official for support.

As members of the officiating family, we must never negatively react to the performance of a fellow official. It's a difficult enough job to sell a call without the added pressure of an extra official or two in the stands.

If you must give critical comment, do it privately and positively. Allow for clarification and questions, but also recognize that different points of view can cause different but equally correct interpretations. Any official can do little more than call it as he or she sees it. The inability to see through a glob of players or to be aware of what's happening behind one's back doesn't make a decision erroneous.

You do the best you can with what you've got.

1994-95 Rule Interpretations

FOOTBALL

SITUATION #1: A1 is driven out-of-bounds by B1 and they begin to fight out-of-bounds near Team A's bench. Two substitutes of Team A leave their team box and run to the area of the fight and three Team B substitutes cross the field and do the same. **RULING:** The substitutes who left their team box during the fight will be penalized similarly whether the fight is in the playing area or off the field. A1 and B1 plus each of the substitutes involved is disqualified. Since three penalties on each team cancel each other, one 15-yard penalty is assessed against Team B. (9-8-1 k)

SITUATION #2: On 3rd and 15 from A's 25, A1 rolls out and throws a forward pass from one yard beyond the neutral zone. Receiver A2 is blocked by B1 beyond the neutral zone while the ball is in the air and the pass is incomplete.

RULING: The contact by B1 is not interference as the pass was not legal. The 5-yard penalty for the illegal pass will be enforced from A's 26 and it will be 4th down. (7-5-2b,7)

SITUATION #3: It is 3rd and 25 from B's 40-yard line. Ineligible receiver A1 goes beyond the neutral zone about four yards and then quickly returns behind the zone before A2 throws a legal forward pass which goes beyond the neutral zone. **RULING:** A1 was an ineligible downfield illegally. The 5-yard penalty, if accepted, is enforced from the previous spot. (7-5-12 Pen)

SITUATION #4: K1's field goal attempt is partially blocked behind the neutral zone, but deflects beyond the zone and is then muffed by R1. The muffed ball is recovered, (a) behind or (b) beyond the neutral zone by K2.

RULING: In both (a) and (b) it is a 1st down for K. In (a) K2 could have advanced after recovering (5-1-2f)

COMMENT: If this play occurred in an overtime series using the 10-yard line procedure, Team A would have a new series at the spot the ball became dead in K's possession.

SITUATION #5: With 3rd down and 20 from B's 40-yard line, A1 accidentally steps out-of-bounds at B's 30 while running a sideline pattern. A1 returns inbounds at the 28. Quarterback A2's forward pass is: (a) overthrown and incomplete or (b) caught by A1 at B's 25 or (c) in flight to A1 when B1 contacts him and it falls incomplete.

RULING: In (a) and (b) it is illegal

participation by A1. In (c) A1's illegal participation and B1's interference result in a double foul and replay of the down. (9-6-1 ; 10-2-1) **COMMENT:** When A1 goes out-of-bounds voluntarily or by accident, or delays his return after being blocked out by an opponent, he commits an illegal participation foul when he returns inbounds.

SITUATION #6: A1 and B1 exchange punches following a down in which runner A1 was tackled by B1. Five substitutes of Team A and four of Team B run onto the field and surround A1 and B1.

RULING: A1 and B1 plus all substitutes who entered the field will be disqualified. Since there are six fouls by A and five by B, the penalties for five infractions on both teams will cancel and Team A will be penalized 15 yards. (9-4-1 -1 9-8-1 k)

SITUATION #7: While a fight is taking place on the field between three players of both teams, 14 Team B substitutes enter the field to observe the fight. The ball is on B's 40, 3rd and 4 for Team A.

RULING: The 14 substitutes as well as the six players who fought are disqualified and the ball is spotted just short of B's goal line after penalty enforcement. (9-8-1 k)

SITUATION #8: With 2nd and 5 at B's 40, A1 advances to B's 30. Following the down, A2 illegally contacts B1.

RULING: The chain is set 1st down at B's 30 and then the 15-yard penalty is enforced. It will be 1st and 25 for A at B's 45. (10-4-1)

SITUATION #9: Following two dead ball fouls, K kicks off from R's 30-yard line. The kick goes out-of-bounds untouched at R's 4-yard line. May R take the ball at R's 15 which is half the distance of the 25 yards beyond the previous spot.

RULING: No. The 25 yards is not a penalty as such, but simply a spot to take the ball. R may therefore take the ball at the 5, at the 4 where it went out-of-bounds, or have K rekick from R's 35. (6-1-10 Pen)

SITUATION #10: It is 3rd and 8 from R's 40 when A1 throws an incomplete forward pass. Erroneously the ball is spotted at R's 35 and K1 punts the ball into R's end zone. Following the down, the R captain asks for a time-out so the coach may discuss the misapplication of the rules with the referee. **RULING:** Since the spotting of the ball was part of the previous play it is too late to make any correction. The error had to be recognized and correction made before the ball was snapped on 4th down. (3-5-11)

SITUATION #11: Fourth and 5 for K on their own 9-yard line. K1's punt is very high and very short, but it does cross the neutral zone. R1 gives an invalid fair catch signal and the untouched kick hits the ground and rebounds behind the neutral zone where K1 recovers and is downed at his own 10-yard line.

RULING: K will undoubtedly accept the penalty for R1's foul which puts the ball at the 14-yard line and results in a 1st down for K. If K accepts the play, it will be R's ball 1st and goal at the 10. (6-5-6 Pen)

SITUATION #12: Team A sets in a scrimmage kick formation with Number 79 in the deep position as the potential kicker. Number 33 is positioned as an interior lineman between the ends as an exception to the numbering requirement. Team A shifts and Number 33 assumes a position on the end of the line. Number 81 is on the other end of the line and Number 80 who started on an end is now an interior lineman. Number 79 has exchanged positions with back Number 30. Who are the eligible receivers?

RULING: Number 81 and all backs Numbered 1 through 49 or 80 through 99. Number 33 remains ineligible and Number 79 is ineligible even though he is a back. (7-2-5a Exp)

SITUATION #13: The score is tied at the end of the 4th period and the game goes into overtime under the 10-yard line procedure. Team A has one and Team B has two 2nd half time-outs left at the end of the regulation play. After the first series for both teams, the tie remains. (a) Team A used no time-outs in the overtime series; (b) Team B used one time-out in the overtime series. **RULING:** Each team has two unused time-outs plus each will be entitled to one additional time-out during the 2nd overtime period. An overtime period is a series for Team A and a series for Team B. (3-5-1)

SITUATION #14: Team A sets in a formation with the split end A1 outside the defensive end and outside the linebacker. Following the snap, A1 blocks toward the ball on either B1 the defensive end or B2 the linebacker who is two yards behind the neutral zone. A1 blocks (a) B1 above the waist from the front; or (b) B2 below the waist from the front or (c) B1 with his hands on the side of B1's shoulder pads. **RULING:** Legal block in (a) and (c), but an illegal block in (b). A1 may "crackback" on a defensive player, but the block must be above the waist and on the front of the opponent. (9-3-2.5)

SITUATION #15: A number of team substitutes enter the field between downs. The officials do not recognize that one replaced player does not leave the field immediately. When the ball is snapped: (a) A12 is attempting to get off

the field; or (b) A12 is in the formation as an extra lineman. **RULING:** In (a) it is an illegal substitution foul. If accepted, the 5-yard penalty is enforced from the previous spot. In (b) it is illegal participation which carries a 15-yard penalty. Also enforced from the previous spot. (3-7-5; 9-6-4a)

SOCCER

SITUATION #1: After the conclusion of the first half, the referee allowed coach A to add additional names of players to his team roster. **RULING:** Legal. Additional names of players can be added on a team roster at anytime during a soccer game. (3-1-3)

SITUATION #2: Player A-1 receives a caution (yellow card) for persistent infringement. A) The referee verbally admonishes A-1 and play resumes; B) the referee immediately sends A-1 off and after A-1 has left the field of play beckons A-2, his substitute, onto the field. **RULING:** A) Incorrect. A cautioned player shall be substituted for immediately. B) Correct. A-1 may return at the next legal substitution opportunity. (3-3-2)

SITUATION #3: Player A-1 is cautioned for unsportsmanlike conduct. This is her second yellow card of the game. A) The referee disqualifies Player A-1, holding a yellow and red card in the same hand and then beckons A-2 into the game as a substitute for A-1. B) The referee does not send A-1 off because it is only a second yellow card. C) The referee disqualifies A-1 and does not allow a substitute. **RULING:** A) Correct procedure. B) and C) Incorrect. (3-3-3)

SITUATION #4: Team A scores a goal. A-12, who prior to the goal has reported her desire to substitute to the scorekeeper, enters the field replacing A-11 without being beckoned by the referee. A) The substitution is not allowed. B) The substitution is permitted. **RULING:** A) Illegal. A substitute may enter after a score (or at the beginning of a period) without being beckoned if the substitute has previously reported to the scorekeeper. B) Legal. (3-4-1)

SITUATION #5: During the pregame inspection, the referee finds that Team A's jerseys each contain a manufacturer's logo 2" square. The referee requires Team A to change jerseys to comply with the 1 1/2" restriction. **RULING:** Correct. This restriction is now in effect. (4-1-1)

SITUATION #6: Team A's uniform shorts, jerseys and stockings are navy blue. Some Team A players are also wearing visible apparel under their shorts. A) blue; B) gold.

RULING: A) Legal. B) Illegal. (4-1-1)

SITUATION #7: Player A-1, who is bald, enters the game wearing solid blue sweatbands on A) his wrists; B) his head; C) both head and wrists. His uniform colors are red on white. The referee allows him to enter. **RULING:** A), B), and C) Legal. (4-2-3)

SITUATION #8: A player is held by an opponent by grabbing his jersey to restrict movement. The shirt gets pulled out of the pants and the player does not tuck it back in. The official warns the player to tuck his shirt back in, but the player does not. The official then stops play and has the player removed.

RULING: This action is correct. A player's jersey shall be tucked in during the entire game. If not, a player may be removed until the uniform is corrected. That player may then reenter the game at any legal substitution opportunity for his/her team. (4-3-1)

SITUATION #9: After being cautioned earlier, a player is disqualified for a subsequent act of misconduct. The official raises and then holds both a yellow and red card overhead in her right hand. **RULING:** The mechanics are correct. (5-3-1)

SITUATION #10: Players from both teams have become frustrated and angry and it is apparent that it will not take much before someone starts a fight. The head referee stops the game and explains to both coaches and captains that they must bring their players under control. The head referee then directs the coaches to call all players to the respective bench areas and that the game will continue after a one-minute cooling down period.

RULING: Legal. The head referee is authorized to stop play whenever elements, spectators or other conditions require. (5-3-2)

SITUATION #11: A-1 and B-1 are contesting for a loose ball when B-1 goes down with a severe injury. No penalty is involved, but the game is temporarily suspended due to the injury. When play is ready to resume, the referee A) awards a throw-in to Team B because B-3 had control of the ball before it became loose and was contested by A-1 and B-1 B) administers a drop-ball because no team had clear possession at the time the game was temporarily suspended.

RULING: A) Incorrect. B) Correct. (9-2-1)

SITUATION #12: The ball becomes deflated within the goal area. A) The referee administers a drop ball on the goal area line which runs parallel to the goal line nearest to where the ball was when play was stopped. B) The referee administers a drop ball outside the penalty area in the field of play at the nearest point to where the ball was when play

VOLLEYBALL

was stopped. **RULING:** A) Correct procedure. B) Incorrect. (9-2-2)

SITUATION #13: A goal is scored directly from A) a goal kick; B) a corner kick; C) a drop ball; D) a goalkeeper punt; E) a kickoff. The referee allows the goal.

RULING: A) Illegal. B) Legal. C) Legal. D) Legal. E) Illegal. (10-1-3,4)

SITUATION #14: Player A-1, who is in an offside position, receives the ball directly from a throw-in and immediately scores a goal which the referee allows.

RULING: Legal. (11-1-3)

SITUATION #15: A shot was made on goal when an attacking player is in an offside position. A) The ball rebounded from the goal toward the player in the offside position. B) The ball rebounded from the goalkeeper toward the player in an offside position. In both instances, the player controls the ball and scores.

RULING: A) Illegal. The goal must be disallowed because the player interfered with play. The player would not have been penalized if she had shown the referee that she would not participate in the game by turning around or stepping off the field. B) Illegal. The goal shall be disallowed if the referee considers the attacking player is interfering with play. (11-1-1,2)

SITUATION #16: Player A-1 has a clear breakaway scoring opportunity. B-1 runs up behind A-1 and attempts to trip her but does not make contact. The referee invokes the advantage clause and A-1 scores. The referee then disqualifies B-1.

RULING: Legal. A player who uses unlawful means to stop or attempt to stop an opponent with an obvious goal scoring opportunity shall be disqualified for serious foul play. (12-1 and 12-8-2)

SITUATION #17: Player A-1 made a shot on goal and the ball rebounded into play from the goalkeeper, who dived on the ball, fully stretched out and stopped the ball with the tips of the fingers of one hand. Player A-2 kicked the ball into the goal.

RULING: Illegal. This is an act of dangerous play by A-2. After disallowing the goal, the game shall be restarted with an indirect free kick by Team B. (12-4-4)

SITUATION #18: Two defenders pass the ball among themselves until challenged. Then the ball is passed back to their goalkeeper. The goalkeeper bends to pick up the ball but suddenly remembers that he may not touch it with his hands. However, he does briefly touch the ball with one hand before actually kicking it back to a defender. The official does not stop play. **RULING:** This action is incorrect. Goalkeepers may no longer touch the ball with their hands if it has been deliberately kicked to them by a teammate. An indirect free kick for the attacking team should have been awarded. (12-7-3)

SITUATION #1: Checking the net the officials discover there is no cable through the top or bottom of the net.

RULING: Legal. **COMMENT:** Cableless net systems that meet all other requirements are legal. (3-1 -1 Note)

SITUATION #2: The official checks the net and notices that there are no vertical tape markers. **RULING:** Legal. **COMMENT:** Vertical tape markers are no longer required. (3-1-5)

SITUATION #3: Player from Team R has an artificial limb: a) coach presents letter from State Association permitting artificial limb; b) coach has no letter from State Association. **RULING:** a) Legal; b) illegal. **COMMENT:** As long as limb is adequately padded, it is no more dangerous than the corresponding human limb; and a letter of permission is provided by State Association, player may wear limb during play. (4-1-3)

SITUATION #4: A player starts the game wearing a bandanna: a) rolled up 2" wide as a sweat band; b) covering the entire head; c) rolled up and tying back ponytail. **RULING:** a) and c) are legal; b) is illegal.

COMMENT: Bandanna, scarf, etc. may be worn if rolled up no more than 2" wide. (4-1-5)

SITUATION #5: Team R sends two substitutions to the umpire. One is wearing a friendship bracelet and one is wearing an ankle bracelet. **RULING:** Illegal player equipment; unnecessary delay. **COMMENT:** Multiple foul situation; only one penalty is assessed. (4-1-6, 9-7-3, 9-7-Pen. 3.)

SITUATION #6: Two players from Team R report to the umpire for substitution. One has an earring on and the other has a knee brace with metal exposed.

RULING: Both are illegal.

COMMENT: This is a multiple foul; therefore only one penalty, unnecessary delay, is assessed. Any subsequent equipment violations by the same team during the match will result in a point or side-out being assessed. (4-1-Pen 1, 9-7-3, 9-7-4)

SITUATION #7: When the starting players for Team S take the court, the umpire notices that one of the players is wearing earrings. The umpire tells the player that the earrings must be removed. The player refuses to remove the earrings because she has just had her ears pierced. The referee signals for serve to start the game. Upon contact of the ball on the serve, the referee blows the whistle and assesses an unnecessary delay penalty on Team S for illegal player equipment. **RULING:** Correct procedure.

COMMENT: The player must remove the earrings during the time-out for unnecessary delay or the coach must substitute for her. (4-1-Pen 1)

SITUATION #8: Referee notices CB on Team R has a necklace/chain around the neck. **RULING:** Illegal equipment.

COMMENT: If equipment can be made legal during the charged time-out (unnecessary delay), player does not have to be removed from game. (4-1-Pen 2)

SITUATION #9: After Team S was initially penalized for a player equipment violation in the first game, a player from Team S who is wearing earrings reports to the umpire for substitution during the second game of the match. **RULING:** Subsequent equipment violation by the same team during a match- side-out. Player may not enter the game until the earrings are removed. (4-1-Pen 3)

SITUATION #10: Two players from Team R report to the umpire for substitution. One is wearing an illegal uniform.

RULING: Illegal uniform; unnecessary delay

COMMENT: Player shall not enter the game until the uniform is made legal. (4-2-Pen 1)

SITUATION #11: A school hosting a large invitational uses 4 line judges on each court. **RULING:** Legal. (5-1-1)

SITUATION #12: At the conclusion of game one, the referee blows the whistle and signals end of game directing players to their respective end lines. After verifying the score with the umpire, the referee blows the whistle and signals change of court.

RULING: Correct procedure. [5-3-3c(19)]

SITUATION #13: Umpire penalizes Team R for illegal equipment. Scorer notes penalty and player in comment section of scoresheet

RULING: Correct procedure.

COMMENT: The scorer is to record all uniform and equipment violations, notify the umpire if there are any subsequent violations of the same rule and transfer notations of such violations to the Comments section of the scoresheet for the next game. (5-5-3h)

SITUATION #14: During a time-out in game one, the line judges move to the midpoint of their respective end lines facing the net. **RULING:** Correct procedure. (5-7-3b)

SITUATION #15: The wrong player serves 3 points for Team S before the coach realizes it is the wrong player. The coach calls a time-out and tells the players to resume their proper positions when they return to the court. The proper server serves 2 points prior to the officials realizing the situation. Side-out is assessed and the 3 points scored by the improper server are cancelled. **RULING:** Correct procedure. (6-3-Pen. 2a)

Q & A

During an Athletic Director's conference this past spring in Louisville, Assistant Commissioner Larry Boucher was asked to respond to several questions concerning forms presently being used by the KHSAA. The following are the questions and answers.

1. It was suggested the KHSAA combine the Certificate of Eligibility Form (KHSAA Form #15) and the Participation List (KHSAA Form #3). Is this possible?

No. These forms are used for two totally separate purposes. The Participation List is a consolidated listing of all of a school's athletes for the given year, whatever sport. It is used as a reference in the KHSAA's catastrophic insurance program. The Eligibility Form is a submitted between schools for each sport if requested by the other school. The KHSAA often receives these in the sport of basketball. However, they're usually discarded after the completion of the season.

2. Is it legal to request social security numbers on various forms (particularly KHSAA Form #3 - Participation List)?

Yes. Social security numbers are used as merely a tracking device for transfers, athletic participation, insurance concerns and other issues when there is the distinct possibility of similar names, similar schools attended, similar birth dates, etc. While we have been advised that it is legal to ask for these identifiers, please be assured that they are not published.

3. Can required forms be sent to the schools earlier (particularly KHSAA Forms #4 and 5)?

No. Usually, the packet of KHSAA forms is sent to member schools the first of May. Form #5, which asks for an update of sports offered, coaches, addresses, administrators, other vital statistics, etc., is also sent again in July for final verification. KHSAA Form #4 is a quick review of the student-athlete eligibility rules and regulations. These are usually approved/disapproved by the State Department of Education at its May meeting. Therefore, the KHSAA must wait for any possible changes in these bylaws. A word of recommendation would be that physicals for athletes be completed in late May since the examination is valid for participation in athletics for one year from the date signed.

Volleyball Minutes

(From Page 13)

official ball for the 1994 State Tournament.

The next item on the agenda was a discussion of the 1994-95 National Federation rule changes. The biggest change this year had to do with match protocol.

The Committee reviewed the 1993-94 KHSAA Constitution and Bylaws and discussed increasing the number of tournaments and/or matches allowed in the limitation of seasons section. Committee members were once again advised of the procedure to make Bylaw changes by going through the Delegate Assembly. The committee members will work on a proposal to be submitted to the 1995 Delegate Assembly regarding the increase in matches.

Miscellaneous items included a discussion in the selection process for the State All-Tournament team. It was decided that we would use the same process as last year.

Teams participating in the semifinals would get two selections from their teams. The head coach from each team would name their all tournament players. The remaining 12 teams may nominate one player to be considered by all 16 coaches for the remaining four positions. Coaches may vote for their own players. Players of coaches who do not vote are not eligible for the all-tournament team. In addition to the 12 all-tournament team players, a most valuable player will be selected by the winning coach from the players on the winning team.

The next Volleyball Committee meeting will be scheduled in December 1994. There being no further business the meeting was adjourned.

Board Gets "Clean" Opinion From Audit

MINUTES

September 15, 1994

The Board of Control of the Kentucky High School Athletic Association met at the Association Office in Lexington, Kentucky, on Thursday, Sept. 15, 1994. The meeting was called to order at 9:05 a.m. by President Frank Cardwell. Board members present in addition to the President were Vice President Ozz Jackson, Tom Bryant, Tasso Harris, Cookie Henson, Claudia Hicks, Kathy Hopper, Bob Rogers, Stan Steidel, Darrell Treece and Frank Welch. Members absent were Bill Beasley, Ken Cox, Teresa Isaac, Grant Talbott and Wendell Thomas. Also present were Commissioner Louis Stout, Assistant Commissioners Larry Boucher and Brigid DeVries, Bus. Mgr. Julian Tackett, SID Brooks Downing, Ken Tippet, Anne Wesley Mays and State Dept. Representative Randy Kimbrough.

The Invocation was given by Frank Cardwell.

President Cardwell then called on Lisa VonHalle and Mike Sullivan from the CPA firm of Miller, Mayer, Sullivan and Stevens. The audit reports were mailed to the Board prior to the meeting. Mr. Sullivan expressed positive comments regarding the financial condition of the KHSAA. The "going concern" opinion noted in the 1992-93 audit was replaced with a "clean" opinion in the 1993-94 audit. He went over the audit report and fielded questions from Board members. Mr. Sullivan noted that even though revenue was down considerably from the projected budget figure for the 1994 Boys' Basketball Tournament, total expenses for the Association were held in check. Stan Steidel requested that the Association receive, in writing, a summary of the audit in the form of a Management Letter. Mr. Sullivan stated the firm would be happy to issue such. Ozz Jackson then made a motion that the 1993-94 Audit Report be accepted. Bob Rogers seconded the motion which passed unanimously.

Wendell Thomas arrived at 9:20 a.m. and did not vote on the previous motion.

Commissioner Stout presented plans to the Board regarding the establishment of the KHSAA Foundation. This Foundation is being formed to develop the Hall of Fame Museum and decrease the indebtedness of the building. Mr. Downing then distributed a new pamphlet, "KHSAA -- A Partner in Educating Tomorrow's Leaders," which he and the Commissioner developed to highlight the Benefits, Programs, Services, Finances,

The next Board of Control meeting is Jan. 19-21, 1995 at the KHSAA offices.

Purpose and Rules of the Kentucky High School Athletic Association.

Following these presentations, Wendell Thomas made a motion that the Commissioner continue on with plans for the formation of the KHSAA Foundation. Frank Welch seconded the motion which passed unanimously.

Commissioner Stout then introduced the new receptionist, Angela Faulkner, to the Board and officially welcomed her to the KHSAA family.

The next items on the Agenda were the appeals hearings. Wendell Thomas made a motion that the Board of Control vote on all eligibility appeals in Open Session. Tom Bryant seconded the motion. The motion failed. Cookie Henson then moved to reconsider the previous motion. Kathy Hopper seconded, motion passed 11-2. Tasso Harris made a motion that the vote be taken by roll call. Tom Bryant seconded the motion which passed 9-4.

Each appellant was allowed to present his/her case in Open or Closed Session and distribute to the Board any additional information which was not submitted previously and which the Board received prior to the hearings. The Board then went into Executive Session to discuss the case. Following return to Open Session, a roll call vote was taken on a motion to grant or deny the appeal. The President explained the Due Process Procedure to each appellant in the event the appeal was denied. Following is the disposition of each appeal:

1) Jennifer Ziegler, Campbell County HS, Bylaw 6, Transfer Rule

Kathy Hopper made a motion to grant the appeal due to financial hardship. Wendell Thomas seconded the motion which passed unanimously.

2) Travis Petty, Ballard HS, Bylaw 6, Transfer Rule

Claudia Hicks made a motion to deny the appeal due to lack of a bona fide change of residence. Darrell Treece seconded the motion which passed 9-3. 3) Rachel VanMeter, Oldham County HS, Bylaw 6, Transfer Rule

Claudia Hicks made a motion to grant the appeal due to hardship. Kathy Hopper seconded the motion which passed unanimously.

Ken Cox arrived at the meeting at 11:45 a.m.

Ms. Kimbrough recommended that the Board of Control seek an Attorney

General's Opinion regarding the status of the KHSAA as a public entity and therefore subject to the Open Meeting Law.

President Cardwell called for a lunch break at 12:12 to reconvene at 1 p.m.

The Board reconvened at 1:10 and continued with the appeals hearings.

4) Otello Claxton, Louisville, Bylaw 3, Age Rule

President Cardwell advised the Commissioner to notify the parties that no action was taken due to their failure to appear.

5) Istvan Lambriex, Ky. Country Day, Bylaw 6, Sec. 2, FES

Ozz Jackson made a motion to grant the appeal. Tom Bryant seconded the motion which failed by a vote of 8-5.

6) Jeremy Stone, North Bullitt HS, Bylaw 6, Transfer Rule

Tasso Harris made a motion to grant the appeal. Frank Welch seconded the motion which passed unanimously.

7) Jammie Purvis, Bath County HS, Bylaw 3, Age Rule

Claudia Hicks made a motion to grant the appeal. Kathy Hopper seconded the motion which failed by a vote of 6 yeses and 8 nos.

8) Jonathan Sumner, Hazard HS, Bylaw 6, Transfer Rule

Bob Rogers made a motion to grant the appeal. Tom Bryant seconded the motion which passed unanimously.

9) Tommy Garrenton, Apollo HS, Bylaw 6, Transfer Rule

Bob Rogers made a motion to grant the appeal contingent upon receipt of medical information to verify his condition of health. Stan Steidel seconded the motion which passed 12-2.

10) Lajuane Chenault, Bryan Station HS, Bylaw 6, Transfer Rule

Stan Steidel made a motion to grant the appeal based on the availability of special classes at Bryan Station HS. Tasso Harris seconded the motion which passed unanimously. Teresa Isaac disqualified herself from the hearing and did not vote.

11) Steve Kennedy, Dayton HS, Bylaw 3, Age Rule

Tom Bryant made a motion to grant the appeal. Ozz Jackson seconded the motion which passed 12-1. Stan Steidel disqualified himself from the hearing and did not vote.

12) Jennifer Anderson, Scott HS, Bylaw 6, Transfer Rule

Tasso Harris made a motion to grant the appeal. Stan Steidel seconded the motion which passed unanimously.

Darrell Treece left the meeting at 4:30 p.m.

13) Bo Parrish, Ballard HS, Bylaw 6, Transfer Rule

Stan Steidel made a motion to grant the appeal. Frank Welch seconded the motion which passed 12-0. Ozz Jackson was absent from the hearing.

14) Philip Haussermann, L'ville Collegiate, Bylaw 6, Sec. 2, FES

Kathy Hopper made a motion to grant the appeal. Tom Bryant seconded the motion which passed 10-3.

15) Spencer Smith, Ballard HS, Bylaw 6, Transfer Rule

Cookie Henson made a motion to grant the appeal. Ozz Jackson seconded the motion which failed 10-3.

There being no further appeals to come before the Board, President Cardwell recessed the meeting until 9 a.m., Friday, Sept. 16. The meeting recessed at 6:30 p.m.

September 16, 1994

President Cardwell reconvened the Board of Control meeting on Friday, Sept. 16, 1994 at 9 a.m. All Board members were present. Also present were Commissioner Louis Stout, Assistant Commissioners Larry Boucher and Brigid DeVries, Bus. Mgr. Julian Tackett, SID Brooks Downing, Ken Tippet, Anne Wesley Mays and State Dept. Representative Randy Kimbrough.

The first item on the Agenda was the approval of the minutes of the July 21-22, 1994 Board of Control Meeting. Mr. Cardwell noted that Claudia Hicks' name should be included on the Executive Committee. Frank Welch made a motion, seconded by Bill Beasley, that the minutes of the meeting be approved as corrected. The motion passed unanimously.

Bill Beasley made a motion, seconded by Bob Rogers, that the minutes of the West Eligibility Committee Meeting on Aug. 31, 1994 be approved. The motion passed unanimously.

Frank Welch moved that all bills of the Association for the period July 1 - Aug. 31, 1994 be approved. Darrell Treece seconded the motion which passed unanimously.

Mr. Tackett and Ms. Mays presented the Budget Report and Update through Aug. 31. They reported on the settlement of E.C. Matthews vs. KHSAA. Following their report, Ken Cox made a motion to accept the budget report and update. Wendell Thomas seconded the motion which passed unanimously.

Asst. Comm. Boucher then gave an update on the Officials' Division, specifically a review of the procedures used for the ratings, observations, evaluations, discipline and recruitment of officials. Following a lengthy discussion of the pro-

posed policy changes for the Officials Division, Ken Cox made a motion, seconded by Teresa Isaac, that the recommended changes be approved as presented and distributed immediately. He added that details be worked out through communications across the State. The motion passed 15-1.

An explanation then followed by Mr. Tackett regarding the need to transfer \$6,809.00 to the Retirement Trust Fund at Montgomery & Traders Bank. This transfer is to be made annually for the previous year as detailed in the audit report to cover employees' accrued sick leave in the event of retirement. Grant Talbott made a motion to approve this request. Ozz Jackson seconded the motion which passed unanimously.

Bill Beasley made a motion to approve the proposed Fan Jam '95 contract with All-Star, Inc. Tasso Harris seconded the motion which passed 15-1.

A lengthy discussion then ensued regarding Fast Pitch Softball. Commissioner Stout reported on the status of the Attorney General's Opinion. Many concerns were expressed about the Limitation of Seasons, minimum number of games, cost of clinics, participation by schools, etc. Mr. Boucher announced the results of the Fast Pitch/Slow Pitch Softball Survey which was mailed to all schools. The results are as follows: 185 schools will play fast pitch; 45 schools will also play slow pitch; 16 schools will not play softball; the remaining schools did not respond. Bob Rogers made a motion that the following requirement be added to Rules and Regulations Governing Softball Tournaments of the KHSAA: Number of Games - a minimum of ten (10) fast pitch softball games shall be played. Wendell Thomas seconded the motion. The motion failed by a vote of 8-8. Stan Steidel made a motion, seconded by Tasso Harris to accept the softball report as presented. The motion passed 15-1.

No action was taken following a discussion of the eligibility of students who were assigned to Lewis County High School after the closure of Tollesboro High School.

The next item on the Agenda was a discussion of several proposals to be considered as amendments to the Constitution and Bylaws for presentation at the Annual Meeting on February 9-10.

1) Bylaw 2. Responsibility for Eligibility - Addition of allowing the principal to appoint a designated representative in his/her absence to conduct the business of the interscholastic program in his/her school. This change could affect Bylaws 1, 12, 14, 15 and 18. Ken Cox made a motion to add Designated Representative to the suggested bylaws as listed in

the draft. Tom Bryant seconded the motion which passed unanimously.

2) Bylaw 25. Limitation of Seasons - President Cardwell asked the All-Sports Committee to look at this bylaw and make a recommendation to the Board.

The Board then heard a proposal submitted by Greenebaum, Doll & McDonald with regard to procuring a Hearing Officer to hear appeals as part of the Due Process Procedure and a fixed retainage amount for the legal expenses with the firm. Attorney Danny Reeves explained the procedure and answered questions regarding same. Commissioner Stout recommended that the Board accept the proposal of Greenebaum Doll & McDonald in its entirety.

President Cardwell called for a lunch break at 12:30 p.m. to reconvene at 1:30 p.m.

The meeting was reconvened at 1:30 p.m. with the absence of Claudia Hicks.

Ken Cox made a motion that the Commissioner's recommendation be supported. Following a discussion, Frank Cardwell seconded the motion. The motion failed 10-5. Bill Beasley then moved that the Board accept the Commissioner's recommendation of a Hearing Officer as part of the Due Process Procedure. Tom Bryant seconded the motion which passed 9-5. Bob Rogers made a motion, seconded by Tom Bryant, that the proposal of Greenebaum, Doll & McDonald be accepted. The motion passed 11-3. Teresa Isaac was absent for the voting. Darrell Treece made a motion that qualifications of a Hearing Officer be established and a Job Description be approved by the Board. Bill Beasley seconded the motion which passed unanimously. Tasso Harris then moved to accept the Due Process Procedure as amended. Frank Welch seconded the motion which passed 13-1.

Following a discussion of amending Bylaw 7. Conduct, to include contest of officials or other official school representatives, and to carry over penalties occurring in the last game of a season, Tasso Harris made a motion to accept Bylaw 7 with amendments and submit it to the Delegate Assembly as well as an amendment to Bylaw 38. Ken Cox seconded the motion which passed unanimously.

Asst. Comm. DeVries advised the Board that plans were being finalized for the opening of the Novelty Shop at the KHSAA Headquarters. The purpose of the shop will be to sell leftover items from the state events.

Commissioner Stout announced the

formation of a Middle School Committee as recommended by the State Board of Education's Blue Ribbon Commission. Mr. Stout submitted the names of Homer Brown, Joe Carr, Larry Cheek, Juanta Cox, Danny Maxberry, Dan Sullivan and Jim Watkins. Wendell Thomas made a motion to accept the appointees presented by the Commissioner. Ozz Jackson seconded the motion, which passed. Other names submitted for inclusion on the Committee were John Blaney, Marvin Moore and Vaughn Macklin.

Other items of discussion with no action taken included Coaching Education to be conducted on Nov. 19 and coordinated by Jim Komara, the former Fayette County Athletic Director; the formation of an Insurance Committee; 1995-96 football realignment to be submitted to the Board in December; a new Sweet 16 ticket brochure and the formation of a Sweet 16 Club. A request was made regarding the Board's waiving By-law 25, 1 and 7, to allow baseball and softball teams to participate in out-of-state games during spring break prior to the start of the season. Grant Talbott made a motion, seconded by Tasso Harris to approve this request. The motion failed 10-3. Ms. DeVries discussed the Strategic Planning Workshop which was conducted for the Board of Control by David Bryant on Wednesday, Sept. 14. She distributed a strategic plan to be developed by the KHSAA.

Commissioner Stout asked the Board to consider a request from Peter Conway to bring an Australian basketball team to the West Hopkins area to play games in December and not count the games in the Limitation of Seasons. Steidel made a motion that due to the lateness and uncertainty of details, the request be denied. Harris seconded the motion which passed unanimously.

Mr. Stout announced the results of appeals submitted to the State Board of Education: Fredrik Holst, upheld; Phillip Rose, upheld; Eugene Smith, upheld; Julie Skaggs, upheld; Kim Murphy, overruled; Ryan Tucker, overruled; Aaron Deglow, overruled.

The Board set the date for the next meeting to be held on Friday and Saturday, December 2-3 at the Executive Inn in Louisville during the State Football Playoffs.

There being no further business to come before the Board, Frank Welch made a motion to go into Executive Session. Bill Beasley seconded the motion which passed.

The regular meeting of the Board adjourned at 4:15 p.m.

Eligibility Hearings Results

MINUTES

EAST ELIGIBILITY MEETING October 10, 1994

The East Eligibility Committee of the KHSAA Board of Control met in Lexington at the KHSAA Office Building on Monday, Oct. 10, 1994, for the purpose of hearing eligibility appeals. Mr. Ozz Jackson called the meeting to order at 9 a.m. Members present were Tom Bryant, Ken Cox, Cookie Henson, Claudia Hicks, Teresa Isaac, Stan Steidel and Frank Welch. Others present were Commissioner Louis Stout, Asst. Commissioners Brigid DeVries and Larry Boucher, Directors Julian Tackett and Brooks Downing, Danny Reeves, Board attorney, Randy Kimbrough of the State Department of Education and Anne Wesley Mays, Administrative Secretary.

Prior to each appeal, Mr. Jackson explained to the appellant the procedure for presentation. Each party was allowed to present his/her case and distribute to the Board any additional information relative to the case. After each presentation, the Board went into Executive Session. Following return to Open Session a motion was made to either grant or deny the appeal. A roll call vote was taken by the Secretary. The appellants were advised of the decision of the Board and Mr. Jackson explained the Due Process Procedure in the event the appeal was denied. It was determined that five (5) affirmative votes were needed to pass a motion or restore eligibility.

Following is the disposition of each appeal:

- 1) Aaron Ball - Garrard County HS
Claudia Hicks made a motion to grant the appeal and allow Aaron an extra year of eligibility. Frank Welch seconded the motion which passed 6-1. Tom Bryant did not take part in the appeal or cast a vote.
- 2) Randie Dixon - Paul L. Dunbar HS
Stan Steidel made a motion to grant the appeal based on the actual data regarding guardianship. Tom Bryant seconded the motion which passed unanimously.
- 3) James Maddox - Middlesboro HS
Stan Steidel made a motion to grant the appeal based on James' academics. Frank Welch seconded the motion which passed 7-1.
- 4) Dennis Hedger - Fleming County HS
Stan Steidel made a motion to grant the appeal based on medical records. Tom Bryant seconded the motion which passed unanimously.
- 5) Leigh Ann Applegate, Joey Collins,

Heather Cooper, Joseph Hinton Gardner, Ahren George, Jenny Hickerson, Paul McFadden, J.C. Thomas, David Williamson and Julie Wills - Fleming County HS

Stan Steidel made a motion, seconded by Tom Bryant, to grant the appeal based on the hardship of their school closing. Tom Bryant seconded the motion which passed unanimously.

6) Wendy Madden - Cawood HS

Claudia Hicks made a motion, seconded by Teresa Isaac, that the appeal be granted if Wendy remains at her present residence for the remainder of the year. The motion passed unanimously.

7) Marcos Cintra - Russell HS

Following a discussion by the Board, this appeal was withdrawn.

Ken Cox left the meeting.

8) Trent Owens - Wayne County HS

Tom Bryant made a motion to grant the appeal. Teresa Isaac seconded the motion which passed 5-2.

Teresa Isaac left the meeting.

9) Eric Savage - Model HS

Claudia Hicks made a motion to deny the appeal based on Bylaw 5, 1 and Bylaw 4, 1(c). Stan Steidel seconded the motion which passed 6-0.

10) Patrick Perdue - Christian Academy

Tom Bryant made a motion to grant the appeal. Frank Welch seconded the motion which passed 6-0.

Ken Cox returned to the meeting.

11) Derrick Potter - Franklin-Simpson High School

Stan Steidel made a motion, seconded by Frank Welch, that the appeal be granted. The motion passed unanimously.

17) Joshua Logsdon - Christian Fellowship School

Tom Bryant made a motion to grant the appeal. Claudia Hicks seconded the motion which passed unanimously.

18) Hernan Smiley - North Hardin HS

Appellants failed to appear for the hearing.

19) Austin Kupper - St. Francis HS

Tom Bryant made a motion to grant the appeal. Cookie Henson seconded the motion which passed unanimously.

Stan Steidel left the meeting.

20) Lynley Wolf - DuPont Manual HS

Tom Bryant made a motion to grant the appeal. Frank Welch seconded the motion which passed 6-0.

21) Timothy Burris - Taylor County HS

Cookie Henson made a motion to grant the appeal. Frank Welch seconded the motion which passed 5-1.

22) Ryan Ralston - Lafayette HS

Ken Cox made a motion to grant the

appeal. Frank Welch seconded the motion which failed 4-2.

There being no further business, Ozz Jackson adjourned the meeting at 6:30 p.m.

EAST ELIGIBILITY MEETING November 28, 1994

The East Eligibility Committee of the KHSAA Board of Control met in Lexington at the KHSAA Office Building on Monday, November 28, 1994, for the purpose of hearing eligibility appeals. Mr. Ozz Jackson called the meeting to order at 9:10 a.m. Members present were Tom Bryant, Ken Cox, Cookie Henson, Claudia Hicks, Teresa Isaac, Stan Steidel and Frank Welch. Others present were Commissioner Louis Stout, Asst. Commissioner Brigid DeVries, Bus. Aff. Dir. Julian Tackett, Ken Tippet, Board Attorney Danny Reeves, Randy Kimbrough, State Department of Education and Anne Wesley Mays, Administrative Secretary.

Prior to each appeal, Mr. Jackson explained to the appellant the procedure for presentation. All parties were given the option to have an Open or Closed hearing. Each party was allowed to

present his/her case and distribute to the Board any additional information relative to the case. After each presentation, the Board went into Executive Session. Following return to Open Session a motion was made to either grant or deny the appeal. A roll call vote was taken by the Secretary. The appellants were advised of the decision of the Board and Mr. Jackson explained the Due Process Procedure in the event the appeal was denied. It was determined that five (5) affirmative votes were needed to pass a motion or restore eligibility.

Following is the disposition of each appeal:

1) Jennifer Kelly - Paintsville HS

Cookie Henson made a motion to deny the appeal and uphold the Commissioner's ruling. Tom Bryant seconded the motion which passed unanimously.

2) Joey Caudill - Knott County Central HS

Claudia Hicks made a motion to grant the appeal. Cookie Henson seconded the motion which passed by a vote of 5-3.

3) Jason Dale - Lexington Catholic HS
Ken Cox made a motion to table the

appeal until the January Board meeting. Stan Steidel seconded the motion which passed unanimously.

4) Rodney Robertson - Tates Creek HS

Ken Cox removed himself from the proceedings and did not vote. Claudia Hicks made a motion to deny the appeal. Stan Steidel seconded the motion which passed by a vote of 6-1.

5) Eugene Smith - Whitley County HS

Ken Cox made a motion, seconded by Stan Steidel, that the appeal be denied due to the fact that no new evidence from his previous appeal was presented to indicate that Bylaw 6, Transfer Rule should be waived in this case. The motion passed unanimously.

Stan Steidel left the meeting.

6) Randy West - Greenup County HS

Tom Bryant made a motion, seconded by Ken Cox, to deny the appeal. The motion which passed unanimously. Claudia Hicks left the meeting.

7) Andrea Poppel - Scott HS

Cookie Henson made a motion to deny the appeal. Frank Welch seconded the motion which passed unanimously.

There being no further business, Ozz Jackson adjourned the meeting at 4:45 p.m.

Volleyball Assigner Needed For Lexington

VOLLEYBALL MINUTES

November 29, 1994

The Volleyball Committee met on Tuesday, Nov. 29, 1994, at the KHSAA office in Lexington. Executive Assistant, Brigid L. DeVries, called the meeting to order at 1:30 p.m. Members present included John Smith, Katie Wesseling, Luci Cecil, Kim Gunning, Ron Kordes, Ken Garvey, John Bancroft and Jim Watkins.

The first item on the agenda was the Officials' Division. It was felt that an Assigning Secretary for Central Kentucky was necessary, and if possible, in place for the 1995 season. Larry Boucher has approached the Local Policy Board on this issue already. There was a concern from the Louisville area regarding officials working scrimmages. Jim Watkins agreed to work with the officials' group to help with this situation.

John Smith recommended that a discussion and comparison of the different volleyball rules codes might be helpful during the mandatory high school clinics for coaches and officials. Ms. DeVries reported that work has begun on a Volleyball Officials' Training Film with footage taken of the officials during the

state volleyball tournament this year. Another goal in this area is to develop a Volleyball Manual which will include such things as officiating policies and procedures with an emphasis on training and development of new officials.

The next item was a discussion on the volleyball regional alignment. The new Eighth Region alignment that went into place this year was well accepted by the schools participating in volleyball. It was felt that with the exception of the Eighth, which is a little larger, no adjustment be made for the 1995 season. However, the committee felt that down the road, volleyball might expand to include district play when around 100 schools are participating.

The 1994 State Volleyball Tournament was the next item for discussion. Ms. DeVries thanked Luci Cecil and Katie Wesseling for all of their hard work in helping to coordinate details on this year's tournament in Northern Kentucky. The coaches really liked the new 16-team format and schedule. Coaches were also very complimentary of the facilities at Ryle High School and Gray Middle School. Suggestions for the 1995 tournament include a change in the selections of the All-Tournament Team... to be made by an independent committee. The State Volleyball Committee mem-

bers will check to see if this procedure is feasible and if they can secure enough people to agree to the committee recommendation. If this cannot be accomplished then the current procedure will be followed. It was also recommended that the All-Tournament Team be expanded to 15 and included in that number would be the most valuable player as the 15th player. Ms. DeVries will present this recommendation to the Board of Control.

Other suggestions included introducing each member of the winning and runner-up teams during the closing ceremonies at the end of the final match as they receive their medals. There was a discussion regarding the site for the 1995 Tournament which is scheduled to be in Louisville. Committee members suggested Bellarmine College or Seneca High School as possible sites. Jim Watkins, along with other Louisville committee members, will work on the state site.

Miscellaneous items included a report by Ron Kordes on his Delegate Assembly Proposal regarding the limitation of seasons. The proposal would increase the number of allowed tournaments from two to three. This proposal

Committee Begins Cheerleading Review

MINUTES

SPIRIT COMMITTEE MEETING November 17, 1994

The State Cheerleading Spirit Committee met on Nov. 17, 1994, at the Kentucky High School Athletic Association in Lexington. The meeting was called to order by Brigid DeVries, Executive Assistant at 2 p.m. Attending the meeting were Lucy Moore, Betsy Glover, Sharon Hatton and Richard Bedwell. Absent were Ann Upchurch and Gloria Compton.

The first item on the agenda was a discussion and overview of the KHSAA Bylaws and Rules and their application to cheerleading at the high school level. Specific Bylaws that were reviewed included Bylaw 27 as it applies to requirements for level I and level II coaches, Bylaw 6 Transfer Rule, Bylaw 28, Physicians Certificate and Parents Consent forms, Bylaw 38 on Amateur Awards and the KHSAA policy regarding insurance coverage and cheerleading activity. Ms. DeVries also discussed the Commission on Interscholastic Athletics' Report and the areas of concerns regarding cheerleading presented by the Commission.

The next agenda item was a National Federation update. Luci Moore is a member of the National Federation Spirit Committee and she presented a report on the Spirit Rules and gave a national perspective on cheerleading, as

well as related activities such as drill team, etc.

Ms. DeVries began discussion on the current issues facing cheerleading. They are Sports Medicine, Safety, Limitation of Season, and Competition. Subcommittees were formed to study these issues and their application to cheerleading. Committee Members will report back to the Full Committee at the next meeting. The committees and chairpersons are as follows.

Sports Medicine - Betsy Glover,
 Brigid DeVries
 Safety - Luci Moore
 Competition - Ann Upchurch,
 Richard Bedwell

Limitation of Seasons - Betsy Glover
 Committee chairpersons were invited to choose anyone they wish to work with them on these issues as they formulate recommendations to the full committee.

Goals for the cheerleading committee include providing a forum for information exchange and increased communication between the KHSAA and the cheer coaches regarding the regulations that apply to them. This would include KHSAA Rules as well as National Federation Spirit Rules. Other projects include formulating an extensive report beginning with the subcommittee research in the aforementioned areas. In addition, the committee recommended we conduct a fact gathering survey regarding practice sessions, camps, par-

ticipation, competition, length of season, and other related areas.

The committee will be expanded prior to the next meeting to include members who are not associated with any cheerleading organizations. A length of term will be set to allow for rotation on and off the committee to accommodate additional people who may like to serve.

The Committee Members were thanked for their willingness to serve on the committee. There being no further business the meeting was adjourned.

A cheerleader helped lead her team during the Boys' Sweet 16 last March. Dunbar won the cheering title.

Football Ad Hoc Committee Results

FOOTBALL MINUTES

October 19, 1994

The Board of Control/Football Coaches' Advisory Committee met at the Kentucky High School Athletic Association on Wednesday, October 19, 1994. All members of the Committee were present, as well as Board of Control Football Committee Chairman, Ozz Jackson and Business Affairs Director, Julian Tackett, the KHSAA Staff Liaison for football.

The first action of the committee was to acknowledge the presence of Mike McCoy, head football coach at Eastern High School, Louisville, who will fill the spot vacated by the former coach at Louisville Central.

First on the agenda was a presentation of the materials that were given to the members of the committee prior to the meeting, including a packet of information mailed to the member schools, a tentative draft of the proposed alignment and a summary of all changes requested by member schools since the alignment was distributed by the Board of Control.

The first response was from Steve Fromeyer, Head Football Coach Eminence High School, recommending an alternative for schools not competing for the district. The recommendation was to give these non-competing schools an extension of the season by one game and allow the two Class A teams with the best record to have a post season game. Mr. Fromeyer presented this suggestion and asked for the Committee's support.

The next non-member wishing to speak to the committee was Kathy Hopper, Principal at Waggenger High School, who represented a group of four schools in Jefferson County who have formerly been classified as Class AAAA who now desire to participate in Class AAA. The enrollment of these schools qualified them for AAA status and the schools had chosen not to play AAAA with the remainder of Jefferson County. Ms. Hopper's purpose was to inform the committee the rationale of the decision of the four schools and express her wish that there be as little disruption as possible to incorporate these schools into the alignment. She also presented a proposal for those four schools to be classified with South Oldham, Oldham County, North Bullitt and Bullitt Central into a district. This request was signed by each of the other schools.

Following Ms. Hopper's presentation, Mr. Tackett went through each re-

quest that had been made from member schools for changes to the draft alignment and presented them to the Ad Hoc Committee for their reaction. It was the consensus of the group that they would hear all the proposed changes before taking action on any of the requests.

The next item of discussion centered around the enrollment figures used in classifying schools. Different from previous years, the Football Advisory Committee had recommended and the Board of Control had accepted the use of the top four grade enrollment numbers to classify schools for playing in football districts. The issue at hand was the counting of Special Education students. In prior years, 75% of the students reported as Special Education were factored into the school's total enrollment. This was primarily due to the fact that only the top three grades would be utilized. With all four grades being utilized, it was the consensus of the committee that all four grades (boys and girls, as well as all reported Special Education students) would be included in the total enrollment of every school prior to any classification decision. It had been suggested by representatives of the Department of Education to only count fifty percent of the Special Education to lessen the impact of the inconsistency in reporting special education students. A motion was made by Owen Hauck, seconded by Alvis Johnson, that all students (100%) in the affected area be counted prior to classifying a school. The

motion passed 7-3. The committee then directed Mr. Tackett to report back the number of schools that would be affected by the inclusion of all Special Education students in terms of enrollment figures.

The next subject for discussion was concerning a school's ability to play in a higher classification. It was unanimous agreement of the committee that schools would be permitted, upon voluntary application, to play in a higher classification than it enrollment would place them. The motion was made by Alvis Johnson to recommend this to the full Board of Control, seconded by Owen Hauck and passed by a 10-0 margin.

While reviewing the requested changes by the member schools, there was some discussion on the request by Raceland High School to allow tournament play in football to be cross-bracketed within each region, thereby allowing for alternation of opponents. Following this lengthy discussion, Sam Harp moved, seconded by Gerald Poynter, that in all classes and in all regions the winners within the regional tournament would play within the current format. For the semifinal games in all classes, the Region 1 winner would play the Region 2 winner and Region 3 play Region 4. The motion to recommend this to the Board of Control passed 10-0.

Following a short break to allow for enrollment adjustments, and after consideration of all requested changes submitted by the schools, a class by class discussion was held. It was the feeling of the committee that the published

bounds of the classes needed to have slight adjustments to allow for the inclusion of 100% of special education students. The adjustments set the boundaries of Class A 0-570. During the discussion of Class A, Hancock County High School's request to move from Class A to Class AA was discussed by the committee. While all other requests to play in a higher class had been honored, the KHSAA staff had been hesitant Hancock County's request due to the fact that it would leave four teams in the Class A district. However, it was the unanimous consent of the committee that Hancock County's request be honored. Dudley Hilton made a motion to honor the request, George Lynch seconded. Motion passed 10-0. Hancock County will be placed in the appropriate district in Class AA. After further discussion of the Class A alignment and considering any necessary changes from requests for playing in a high classification, a motion by Alvis Johnson, seconded by Owen Hauk, that the draft alignment for Class A be approved as recommended by this committee and forward to the Board of Control Football Committee for adoption. Motion carried 10-0.

The next item for discussion of the Class AA alignment. Following discussion of the enrollment figures, the bounds for Class AA were recommended to be changed to allow schools who have between 571-860 total students be allowed to play in Class AA football. Following the distribution of the draft, Hart County High School had made a request to change districts within Class AA. After discussion of this request, it was the decision of the committee to recommend that Hart County be placed in Region 2, District 2 of Class AA. Justification for this recommendation was a balancing of the number of teams in each district to allow for competitive and scheduling fairness. The motion was made by Alvis Johnson, seconded by Owen Hauk and the motion passed 10-0. After other requests to move within Class AA were discussed, it was the motion of George Lynch, seconded by Sam Harp to accept the draft alignment for Class AA, including all schools who had requested to play up. Motion passed 10-0.

Discussion of Class AAA was next on the agenda. Following consideration, the bounds for Class AAA were set at 861-1220 students. There was discussion regarding many potential changes in alignment and with consideration and knowledge of the fact that Jessamine County will be opening a new school in 1996-97, the motion was made by Alvis Johnson, seconded by Sam Harp to accept and distribute the proposed Class

AAA alignment. Motion passed 9-1.

The last classification to be discussed was Class AAAA which will include all schools with an enrollment of 1221 and above, as well as the 20 schools in Jefferson County who have requested to continue to play in Class AAAA, a number of which would qualify for Class AAA or below. There was considerable discussion regarding Region 4 as it relates to the geographic placement of Scott County High School. Proposals have been submitted by Bryan Station, Lafayette and Bates Creek as to differing alternatives for alignment of the district. It was decided that US 60 could be used as the rough dividing line for the north and south and allow the five Lexington schools to compete in separate districts. The motion was made by Steve Fromeyer, seconded by George Lynch that the Lexington schools be divided by US 60 and that Boone County, Campbell County, George Rogers Clark, Bryan Station, Henry Clay and Scott County be placed in District 1 - Bates Creek, Lafayette, Paul Laurence Dunbar, Perry Central, North Laurel, Madison Central and Jessamine County be placed in District 2. This motion passed 10-0 with the notation from all committee members that geography was the only reason for this alignment. Following this amendment, a motion was made by George Lynch, seconded by Owen Hauk that the draft alignment, as amended, would be submitted to the Board of Control for their approval. Motion passed 10-0.

Mr. Tackett informed the committee members, echoed by Mr. Jackson, that the draft alignment will be submitted to the Football Advisory Committee of the Board of Control and the Ad Hoc Football Committee by fax as soon as available, but it is not to be released to the general public until Tuesday, October 25, 1994. A mailing to the member schools on October 21st will allow them to receive their notification of the alignment prior to its publication with any news media outlet.

Mr. Jackson thanked the committee members for their outstanding service and their time taken by the four meetings which have been held. Mr. Johnson, while expressing his thoughts that the original alignment should have been submitted to the committee prior to its release to the media, acknowledged that the media's presence at the last Board of Control meeting necessitated its release.

Committee members then discussed other topics relevant to football and its problems. Owen Hauk submitted a problem within Class AAAA whereby a decision

to rectify a previous situation of Jefferson County schools alternating had impacted his school when a subsequent decision was made to correct it. He again expressed his concern over any exception within the play off bracketing. Mr. Fromeyer asked for support of the committee on his proposal to try to place before the Board of Control an alternative which would allow for the non-competing schools to have some form of post season playoff. Mr. Haywood and Mr. Hilton echoed the sentiment of many committee members in stating that all schools realize that geographic boundaries were the primary factor in making any alignment decision and that the committee did not factor in traditional strength, strength of schedule, history or performance on the field. Mr. McCoy thanked the committee for the opportunity of serving with them and looked forward to working with them in the future.

Mr. Tackett then summarized a few items he wished the Coaches' Association to address, including the scheduling of home football games at 7:30 PM when possible which would allow for maximum media coverage, the problems with holding the Coaches' Association meeting on site during the finals and the possibility of designating certain weeks for district competition. It was the sentiment of the committee that due to traditional scheduling obligations, the scheduling of district games was better left to the individual schools. Mandatory dates would probably cause more problems. He also requested that the Coaches' Association remind each individual school to designate the local officials' association to service the game when signing football game contracts. Mr. Hilton relayed his feeling that a blind draw for the semifinals might create additional interest in football, but was reminded that the Football Coaches' Association had considered this idea in the past several years and had been soundly defeated.

There being no further business to come before the Committee, Mr. Tackett declared the meeting adjourned at 12:15 PM. He thanked all members for their service and reminded them of the need not to release any information until the appropriate time and asked for fax numbers so information could be sent to committee members as quickly as possible.

Committee Sends Alignment To Full Board

FOOTBALL MINUTES

NOVEMBER 9, 1994

The Board of Control football committee meeting was called to order at 10 a.m., Nov. 9, 1994 by Chairman Ozz Jackson. Members present were Tasso Harris, Grant Talbott, and Frank Welch. Wendell Thomas had called earlier expressing regrets about a last minute conflict and could not make the meeting. Also present for the meeting were Business Affairs Director Julian Tackett, Board of Control member Teresa Isaac, a non-voting member of the committee, Jim Watkins, director of athletics for Jefferson County Schools, and KHSAA staff members Ken Tippet and Brooks Downing.

The first agenda item was to review the minutes of the football coaches' committee. Mr. Jackson detailed the minutes of the committee meeting of Oct. 19, alignment considerations and other issues related to football. The committee was formed to consider the 1995 realignment, but this committee will remain intact to advise on playoff issues and other concerns of the KHSAA football program. Three items were noted in the minutes of the meeting of the coaches committee. First, by a 7-3 vote, the committee had recommended to the Board's football committee that 100% of all special education students be counted when considering enrollment. The second was a motion that was approved 10-0 that schools continue to be allowed to play up. The third discussion regarded the cross-bracketing possibility in the semifinal games be denied and that straight-bracketing be utilized in all classes. The coaches had recommended the change by a 10-0 vote.

The second item of discussion was enrollment counting for non-ninth-grade schools. Mr. Tackett informed the committee that through the process, it had been discovered that there were six schools that did not have freshman in the same building, but had ninth-graders participating in their football program from a single feeding middle school and that following the draft alignment, these ninth-graders had been factored into the enrollment for East Carter, Central Hardin, Henderson County, Lewis County, Russell County, and West Carter. Tasso Harris moved, seconded by Frank Welch, that these enrollment numbers be adjusted to where all KHSAA member schools were classified on the same number of grades. Motion carried 4-0.

A lengthy discussion then ensued regarding the counting of special education students. Mr. Tackett advised the Committee that the Department of Education personnel had recommended counting 50% of the special education students due to the varied nature of reporting. However, he also reported that the coaches' committee had recommended 7-3 that 100% of special education students count. After considerable debate and discussion, it was the motion of Grant Talbott, seconded by Tasso Harris, that 100% of special education students count to remove any inconsistencies in the classification numbers. This motion passed by a vote of 4-0.

The next item on the agenda was the playoff format particularly for the semifinal rounds and all rounds of the playoffs as it relates to the coaches' recommendation that all bracketing be straight. It was a discussion of the committee, followed by a motion by Frank Welch with a second from Grant Talbott, that Jefferson County, Regions II and III of Class AAAA, continue to cross bracket in alternate years for their playoff games. This decision would have little impact on the rest of the state and staff was directed to work out the site problems which may have resulted for the cross-bracketing. The motion passed 4-0. All other classes and all other regions will remain as they are in the 1994-95 KHSAA football tournament rules for postseason brackets.

The proposed alignment was then presented as an item of discussion. The first action by the committee was to resolve the issue of schools playing up to a higher classification. It was a motion of Tasso Harris, seconded by Frank Welch, that tournament rule C (1) in the KHSAA Handbook not be altered, and that schools be allowed to play up to a different classification upon voluntary request of the principal of the school in an even-numbered year to go in effect for the next odd-numbered season. It was noted that this rule does require schools to remain in the higher classification for four full years. The motion carried.

The alignment was then presented and specific issues addressed from the draft. The alignment, which was attached to the minutes, shows only a handful of changes from the draft presented. In Class AA, Washington County's request to move from Region 3, District 1 to Region 2, District 2 was approved. In Class AAA, Clay County moves from Region 4, District 1 to Region 4, District 2 while

Johnson Central moves from Region 4, District 2 to Region 3, District 2. This allows for a balancing of the districts and answers a geographic concern by a couple of the member schools.

In Class AAAA, the proposal as submitted was amended to place Lafayette High School from Region 4, District 2 to Region 4, District 1 and move George Rogers Clark from Region 4, District 1 to Region 4, District 2. After these amendments were discussed, a motion was made by Frank Welch, seconded by Grant Talbott that the alignment as amended be approved and recommended to the full Board for adoption at its meeting on Dec. 3. The motion passed 4-0.

The next item was a consideration of what could be done for schools wanting to appeal. It was the consensus of the committee and a vote of 4-0 on a motion by Tasso Harris, seconded by Grant Talbott, that the football alignment adoption be an agenda item for the Board in December and no specific provisions be made for schools desiring to appeal. It was noted by the committee that schools have had ample opportunity to utilize the process for concerns to be addressed. It was also a consensus of the committee that many of the requests had been granted and that the process had been very successful.

There was a standing item in the football committee regarding a survey on 8-man football that was deferred until adoption of alignment. Tasso Harris moved, seconded by Ozz Jackson, that the survey be done of schools that are not playing football to determine their interest in 8-man football. This motion passed for 4-0.

A proposal, presented by Steve Frommeyer of Eminence High School, was then discussed to allow for an amendment of limitation of seasons to allow schools not competing for the district championship to play an additional football game following the end of the regular season. After considerable discussion including assertions that this was not feasible, it was Grant Talbott's motion, seconded by Frank Welch, that the request be denied.

Revenue sharing was then discussed as it relates to postseason play and as it relates to expenses paid to teams during playoff travel. While taking no formal action, the committee directed staff to continue development of a manual for football playoff games and to address particular concerns of the finan-

D.C. Coach Tees It Up For Care Award

COACHES CARE AWARD

CHICAGO, Ill. -- Willie Stewart is the head football coach at Anacostia High School in Washington, D.C., and a beacon of hope for many of the young men who play for him. For the past 13 years, Coach Stewart has worked tirelessly to help his athletes overcome an environment filled with poverty, street violence, single-parent homes and too few role models.

"My high school football coach was always there for me, guiding me and keeping me on the straight and narrow," explained Stewart, a graduate of Dunbar High School, also located in the heart of D.C. "I think it's only fair to give back to the system what I took out of it."

But Coach Stewart goes well above and beyond what's expected of a high school coach.

Athletic trainers and other colleagues in Washington tell stories of Stewart walking players home from school to keep drug dealers from recruiting them; sharing his home with troubled youths who require positive reinforcement; and spending volumes of his personal time pursuing scholarships and financial aid for his athletes.

"Willie worked at the Art Monk Football Camp last year," said Chad Bollweg, Executive Director of the camp named after the longtime Washington Redskins' wide receiver. "Instead of accepting financial compensation, he used the money to pay the camp registration fee for two of his athletes."

Coach Stewart also happens to be the most successful football coach right now in the City League, with six city championships under his belt. But his victories on the field pale next to his achievements with his athletes.

"I use football as an educational backdrop for life," explained Stewart, a marketing teacher and graduate of Elizabeth City State College in North Carolina. "Life has many ups and downs. But the bottom line is that you have to learn as much as you can from your experiences in life, whether they're positive or negative."

Many of Stewart's athletes have taken his advice. Three of his Anacostia graduates play professional football and

many others have received scholarships.

"It's great when players come back to Anacostia from college or the pros because it inspires our kids to work harder to emulate their success," Stewart said. "I believe that each and every one of my athletes can find success if they make the commitment athletically and academically."

And like thousands of other high school coaches across the United States, Coach Willie Stewart is providing young people with the guidance and encouragement they need to find that success.

The Gatorade Company honors more than 100 high school coaches each year with *Coaches Care* distinction. To nominate a deserving coach, please write for an application to:

Coaches Care, PO Box 194, Hinsdale, IL 60522-0194

Willie Stewart, head football coach at Anacostia High in Washington, D.C., believes that every one of his athletes can find success if they make the commitment.

The national spotlight has shone this past year on hundreds of coaches who bring happiness and fulfillment into young people's lives. The Coaches Care Program was created by the Gatorade Company in 1990 to recognize outstanding coaches who provide young people with new opportunities and positive life experiences. Whether it's giving words of encouragement from the sidelines or offering teens an alternative to life on the streets, all of these coaches, and thousands more like them, have contributed to the lives of their high school athletes in some very special way.

Please join us in congratulating the following honor roll of Kentuckians for giving so much of themselves to enhance the lives of others.

Fighting Must Be Stopped In All KHSAA Games

By Larry Boucher
KHSAA Officials' Division

I want to share a concern I have had for some time at the high school level. It involves the issue of sportsmanship -- fighting in particular. There is no one more concerned about the adverse direction our games of basketball, football, soccer, etc. is taking than I.

There is no place in athletics for fighting, taunting, baiting, etc., and quite frankly, I am of the growing opinion that if it is to be stopped -- our officials are the ones who must do it. I would say 99% of our coaches also want it stopped.

I would recommend to all the officials to take control and have the courage to enforce our sportsmanship rule. I would hasten to add, as a former official, that your problems might be diminished if the tone for your control is established early in the game. Sometimes, it is too late, before we decide to regain the uncontrollable.

In addition, a growing problem is that we all too often want to solve these problems by eliminating or ejecting everyone in sight. As an official, you are paid to perform the job and your job is to protect the player trying to protect themselves as well as punish the individual who pursues a fight. It does not stand to reason that a player must allow himself to be mutilated in order to avoid being thrown out of a game for fighting.

Be alert and observant and punish those who instigate fights and avoid ejecting those who are trying to do everything short of losing their life to avoid it. Review the rules and their significant impact on a player or coach and penal-

ize those who should be penalized and protect those who are trying to avoid fights.

And don't forget to report all ejections to the KHSAA immediately!

Officials' Banquet

We will have our 2nd Officials' Awards Banquet on March 18, 1995. The banquet will be held at the KHSAA Headquarters on that Saturday afternoon between the semifinals and finals of the Boys' Sweet Sixteen Basketball Tournament.

A social hour with entertainment will begin at 3 p.m. (ET) with a buffet meal and awards presentation beginning around 4:15 p.m. Soft drinks are provided and dress is casual.

It will be almost identical to the one we had in 1993 when nearly 115 people attended. Outstanding official nominees will be identified and winners will be recognized at the banquet.

Admittance is **FREE** with your official's I.D. card and you are allowed to bring one free guest. In order to provide the caterer with an accurate estimate of those attending, please fill out the application at the bottom of the page and return to us no later than March 1, 1995.

Officials' Jackets

The KHSAA adopted black jackets are now available. You may order one for \$52.50 through Kentucky Textiles of Paris, Ky., by calling (606) 987-5228. This jacket will be the official jacket worn in all our championship events which currently require a jacket to be worn. The price includes the official patch as well as shipping and handling.

Volleyball Minutes

(From Page 9)

will be voted on at the Delegate Assembly meeting in Louisville Feb. 9, 1995.

There was a concern about the National Federation Rule regarding "coverings" on braces, especially on some of the new appliances that are on the market. Ms. DeVries recommended those coaches and officials who are participating in the Federation's Volleyball Survey recommend that as a possible change.

John Bancroft recommended that the KHSAA do an interest survey regarding boys' volleyball. Ms. DeVries said she will discuss this recommendation at the next meeting of the Board of Control. There being no further business, the meeting was adjourned.

Board's Football Minutes

cial arrangements in that manual to be presented to the Board at the January or March meeting of the Board of Control.

The final item was the procedure to be utilized for the release of the alignment. It was the committee's consensus that the proposal be sent to the schools on Thursday, Nov. 10, 1994 with a cover letter detailing the actions of the football committee and the actions that had been taken and a copy of the alignment. The proposal is to be released to the media at 2 p.m., Nov. 14, to allow schools ample time to receive it.

Being no further action, Chairman Jackson adjourned the meeting at 12:05 p.m. and will issue the full report to the Board of Control Dec. 2 and 3, 1994.

1994-95 Rule Interpretations

SWIMMING

SITUATION #1: When a meet is timed with 3 different systems, what is the order for the system used to establish the official time?

RULING: The priority of timing systems is: 1. the automatic (touch pad) system; 2. the back-up button (semi-automatic) system; and 3. the stopwatch (manual) system. (2-7-8)

SITUATION #2: The number of exhibition divers is limited so that the total complement of divers does not exceed the number of swimming lanes in the pool

RULING: Correct procedure.

COMMENT: Allowing more than the designated number of divers may unduly extend the duration of the meet. It is appropriate to permit a full event, however, even if some are exhibition entries. (3-1-2, 3-2-la, 9-3-1)

SITUATION #3: In a dual meet conducted in a 6-lane pool, Team A finishes 1-2-3 and Team B finishes 4-5-6 in the 200 freestyle relay. Team A receives 12 points and Team B scores 2 points.

RULING: Correct procedure.

COMMENT: A team may only score 2 places in the relay events. Therefore Team B shall receive the third-place point although it finished fourth. (3-1-2 Note, 7-1-2a)

SITUATION #4: In a championship meet the coach enters a swimmer in two individual events and lists the same swimmer for all three relays. As the meet progresses the swimmer swims two individual events and the first two relays including the 200 freestyle relay. The 200 freestyle relay does not advance to the finals so the coach enters the same swimmer in the 400 freestyle relay.

RULING: Illegal. The 400 freestyle relay team is disqualified.

COMMENT: The fact that the swimmer competes in four preliminary events limits participation in finals to those four events. (3-2-1 2)

SITUATION #5: In a championship meet Teams A and B both have eight names listed on all three relay cards. There is a tie between Teams A and B after the medley relay for sixth place. The teams report for a swim off and Team A has the same four names on the swim-off event entry card but Team B has substituted two other swimmers from their relay card.

RULING: Legal. **COMMENT:** All six swimmers Team B used in the swim-off are charged with an event. (3-2-2, 5-4-5)

SITUATION #6: Several team members have permanent or temporary body mark-

ings perceived by the officials to be offensive. Referee directs such markings be removed or covered.

RULING: Correct Procedure. (3-3-4, Points of Emphasis)

SITUATION #7: A swimmer reports to the blocks wearing an ankle brace to prevent further injury during competition. The referee permits the swimmer to compete.

RULING: Correct procedure. (3-3-2)

SITUATION #8: A handicapped swimmer is unable to perform a stroke properly but is not disqualified and is allowed to score points in the event.

RULING: Incorrect procedure.

COMMENT: All swimmers must conform to all stroke and kick requirements. The only exceptions made for handicapped competitors are stated in rules 3-3-3 and 8-1-1

SITUATION #9: An exhibition swimmer violates the turn rule. The swimmer is disqualified by the referee.

RULING: Correct procedure.

COMMENT: Exhibition swimmers are officially entered swimmers. They are charged with events and are subject to all rules except they cannot score points. (3-4-Pen 1)

SITUATION #10: Swimmer A is listed on all three relays. During prelims he swims the medley relay, 100 freestyle and 100 breaststroke. During finals he swims the medley relay and 100 freestyle. After competition of the 100 freestyle (all swimmers are finished) he re-enters the water without permission. Swimmer A is disqualified from the next scheduled event.

RULING: Correct procedure. **COMMENT:** If the coach designates Swimmer A to compete in 200 freestyle relay, the relay will be disqualified as the next scheduled event. All relay (200 freestyle relay) swimmers will be charged with an event. If the coach elects not to have Swimmer A compete in that relay, Swimmer A would be disqualified from the 100 breaststroke as the next scheduled event. The swimmer would then be eligible to be used in the final 400 freestyle relay (3-5-2, 5)

SITUATION #11: The starting system has recall provisions in the form of an underwater sound system (10 feet from blocks) and blinking underwater lights 40 feet from the end wall.

RULING: Legal. (4-2-2, 3)

SITUATION #12: A timed finals meet has been seeded with 3 swimmers in the first heat. Prior to the start of the race, Swimmer A in the first heat declares a false start to the referee. The referee accepts the declared false start but does not have the heat reseeded.

RULING: Correct procedure. (5-3-5)

SITUATION #13: A championship meet is conducted using timed finals rather than prelims and finals.

RULING: Legal.

COMMENT: Choice of meet format rests with meet management. Use of the timed finals format should not be used in combination with qualifying heats in the same meet. (5-3-6, 7)

SITUATION #14: There is a tie for sixth place after preliminaries. Six places are being scored in an 8-lane pool. The referee rules a swim-off will be accomplished by both swimmers swimming the "finals" heat in lanes 6 and 7. Of these two swimmers the one placing ahead of the other will place in the top 6 at the place earned, the other swimmer will place in the consolation (7-12) at placed earned

RULING: Permitted procedure. **COMMENT:** Eliminates the need for swimmers to swim twice. (5-4-5)

SITUATION #15: There is a false start and a swimmer from Team A jumps into the water.

RULING: The swimmer who jumped into the water is disqualified from the remainder of meet. The referee may elect not to disqualify Team A's entries in this event but is not required to do so. **COMMENT:** Jumping in on top or in front of swimmers is a dangerous practice. (8-1-3, 4)

SITUATION #16: As a backstroke initiates a turn, he/she rotates past the vertical toward the breast and glides into a flip turn.

RULING: Illegal; disqualification.

COMMENT: After the shoulders rotate past the vertical toward the breast, an immediate single or simultaneous double-arm pull must be used to initiate the turn. Thereafter, kicking or gliding is permitted into the wall. (8-2-1 e)

SITUATION #17: In the individual medley the swimmer uses the backstroke "roll-over" turn to change from backstroke to breaststroke but comes off the wall less than 90 degrees toward breast when feet leave the wall.

RULING: Although individual medley is considered to be all one race and the turn rules apply, the swimmer is disqualified for not being in proper body position when leaving the wall. (8-2-2)

SITUATION #18: A swimmer in the 100 butterfly enters the water on the start keeping arms stretched out in front with shoulders level. The swimmer performs only the butterfly kick the entire length of the pool. The swimmer is not disqualified.

RULING: Correct procedure.

COMMENT: A stroke cycle for the butterfly is not defined. (8-2-3)

SITUATION #19: The fourth swimmer in the medley relay executes a flip turn, pushes off the wall and kicks several yards while still on the back. The swimmer then rotates onto the breast and completes the race.

RULING: Illegal. **COMMENT:** Although the rule does not specify when the turn ends, the intent of the rule is to prevent the swimmer from swimming in a position other than on the breast. (8-2-5b,e)

SITUATION #20: In a triangular meet the coaches meet prior to the meet to draw for lane assignments. Team A draws 1 and 4, Team B draws 2 and 5 and Team C draws 3 and 6. The coach of Team A wants his/her divers to dive in the fifth and sixth positions.

RULING: Incorrect procedure.

COMMENT: In triangular meets, the order of divers shall correspond to the lane assignments drawn by lot. (9-2-4)

BASKETBALL

Situation 1: The calling official has reported the foul at the table and proceeds to the free throw lane area to administer the first of two free throws awarded to A1. B1 and B2 are: (a) huddling in the lane or (b) two B players are not occupying the two marked spaces next to the end line as required.

Ruling: In (a) if the huddle delays the officials' administration, Team B shall be warned and the warning reported to the scorer and recorded. If Team B had been previously warned for free throw delay, a technical foul shall be charged. In (b) Team B will be directed to occupy the required spaces. If there is delay, a technical foul shall be charged to Team B. (10-1-5c)

Situation 2: As the officials move to their dressing room at halftime, the assistant coach of Team B follows them and directs profanity at them while berating and accusing the officials of favoring the home team.

Ruling: The assistant coach is charged with a flagrant technical foul and ejected. The head coach of Team B is charged indirectly with a technical foul. The 2nd half begins with the 2 free throws. Team B has one 2nd half foul toward the bonus situation. (4-8; 10-4-1a,c)

Situation #3: During a dead ball situation, one official is beckoned to the table by the scorer. While the official is at the table, the head coach and assistant coach of Team A direct disrespectful comments at the official.

Ruling: The assistant coach is charged with a technical foul. The head coach is charged with one direct and one indirect technical foul. The direct technical is for his or her own behavior and the indirect

is for the assistant's conduct. Team B is awarded 4 free throws, plus the ball for a division line throw-in opposite the table. (10-4-1c Pen)

Situation #4: During the 3rd quarter of play, A2: (a) delays the free throw administration by handslapping with the free thrower A1; or (b) delays the game by tossing the ball out-of-bounds after being charged with a player control foul.

Ruling: While both situations involve "delay," they are administered/penalized differently. In (a) Team A is warned for delaying the free throw via contact with the free thrower. In (b) A2 is charged with a technical foul for delay. (10-1-5c; 10-3-7a)

Situation #5: A1 has been fouled and is awarded 2 free throws. A1 enters the free throw semicircle. A2 and A3 huddle in the lane while the calling/administering official: (a) is reporting the foul at the table; or (b) is proceeding to the lane area after completing the report; or (c) has the ball and is ready to administer the first free throw.

Ruling: There has been no delay of the free throw in (a) and (b). However, in (c) Team A is charged for free throw delay. If Team A had been warned previously, a technical foul shall be charged. (10-1-5c)

Situation #6: The score is tied when A1 is fouled in the act of shooting and the try is unsuccessful. Playing time for the 4th quarter expires while the ball is in flight. No players are allowed along the lane. A1's first free throw attempt is successful. Immediately following the made free throw: (a) the occupants of the Team A bench rush onto the court and a mini celebration takes place; or (b) a couple of Team A substitutes momentarily step onto the court, but immediately return.

Ruling: In (a) a technical foul is charged. The two free throws will be attempted after A1's second attempt. The results of the free throws will determine which team wins or whether an extra period is required. In (b) no penalty as the spontaneous reaction and confusion may result in bench personnel inadvertently stepping onto the court. (5-6-4; 10-4-2)

Comment: The game did not end when A1 made the first free throw as there are no rules or provisions which allow setting aside an awarded free throw. The coach is responsible for and is expected to control the bench area until the game

is over and the final score has been approved. This is true even in the type of situation described.

Situation #7: Thrower A1 inbounds the ball to A2 and immediately receives a return pass. A1 has: (a) both feet off the floor after jumping from out-of-bounds; or (b) one foot touching inbounds and one out-of-bounds, or (c) one foot is off the floor and the other touching inbounds when he or she catches the pass.

Ruling: In (a) and (b) it is a violation by A1 for causing the ball to be out-of-bounds. In (c) A1 is inbounds and play continues. (4-33; 7-1-2)

Situation #8: Team A is awarded a throw-in near the division line. The administering official by mistake puts the ball at B1's disposal. B1 completes the throw-in and Team B subsequently scores a goal.

Ruling: No correction can be made for the mistake by the official. (9-6) **Comment:** A specific procedure has been adopted to correct a throw-in mistake, but it only applies if the same team throws in and scores again following a goal or made free throw by that team. The procedure does not apply in any other game situation.

Situation #9: A1 has the ball out-of-bounds for a throw-in. B1; (a) deliber-

ately jumps out-of-bounds and guards A1 without contacting A1 or the ball; or (b) reaches through the throw-in boundary plane and waves his or her hands. **Ruling:** A technical foul in (a) for being out-of-bounds illegally. In (b) a throw-in plane warning is issued unless Team B had already been warned. In that case, a technical foul is charged to Team B. (9-2-11; 10-1-10; 10-3-4) **Comment:** In situations with the clock running and 5 or less seconds left in the game, a throw-in plane violation should be ignored if its only purpose is to stop the clock. However, if the tactic in any way interferes with the thrower's efforts to make a throw-in, a technical foul for delay shall be called even though no previous warning had been issued. In this situation, if the official stopped the clock and issued a warning, it would allow Team B to benefit from the tactic.

Situation #10: While A1 is dribbling the ball from A's backcourt to frontcourt, A2 and A3 begin fighting. Before order is restored, both players have punched each other and have wrestled on the floor in addition to using profanity in verbal abuse.

Ruling: Both A2 and A3 are charged with flagrant technical fouls and are disqualified. Team B is awarded 4 free throws and the ball for a throw-in. Two team fouls are added to Team A's total to reach the bonus. The fighting and unsportsmanlike conduct cannot be ignored just because it involved teammates instead of opponents. (2-3)

Situation #11: A1 is advancing the ball in A's backcourt and lobs a pass to A2 near the division line. B1 leaps from B's frontcourt intercepts the pass and lands in B's backcourt.

Ruling: A backcourt violation by B1. (9-9)

Situation #12: The game clock shows 3/10 of a second to play in the 4th quarter. The score is tied and Team A has a throw-in in A's frontcourt near the division line. A1 lobs the ball to A2 near A's basket. A2: (a) taps the ball; or (b) catches it in the air, turns and releases it in a try for goal. In both cases the ball leaves A2's hand(s) before the horn sounds and it enters and passes through the basket.

Ruling: Score 2 points in both (a) and (b). The time remaining is not a factor if the ball is in flight before the horn sounds and no obvious timing mistake has occurred. (2-14; 5-1)

Situation #13: A1 is dribbling in backcourt and ends the dribble, but defensive pressure prevents a pass to A2. A1 then passes the ball so it touches B1. A1 then recovers the loose ball in backcourt and dribbles again.

Ruling: No violation. When A1's pass was touched by, or touched another

player, he or she may start a new dribble. The 10-second backcourt count continues. (9-5-3)

Situation #14: A1 is fouled during an unsuccessful try and is awarded 2 free throws. During A1's successful first free throw, A2 fouls B1 along the lane. Team B is not in the bonus. The lane is cleared for A1's 2nd attempt. A1 then violates by having a foot through the free throw line plane prematurely.

Ruling: The free throw violation by A1 cancels the 2nd attempt. Since Team B is not in the bonus, it results in a designated spot throw-in from the nearest spot out-of-bounds from where A2's foul occurred. Team B may not run the end line as the last free throw was unsuccessful. (7-5-7; 9-1-7)

Situation #15: Team A has just scored a goal. The ball is bouncing close to the end line when: (a) A1 calls for a time-out; or (b) A1 contacts B1.

Ruling: In order to rule accurately, it depends on whether the bouncing ball is judged to be at the thrower's disposal. If the covering official judges it is at the thrower's disposal, he or she would start the count and the ball becomes alive. In this case, in (a) no time-out is granted and the foul in (b) penalized. If the ball is not at the thrower's disposal, the time-out is granted in (a) and the contact in (b) is ignored unless it is intentional or flagrant (4-4-7d, 6-1-2) **Comment:** In this situation, the covering official must give the new throw-in team a moment or two to recognize it is their ball for a throw-in and get a player into the area to pick up the ball. If the ball is near the end line, it is the throw-in team's responsibility to secure it and throw-in from anywhere out-of-bounds along the end line. The covering official shall start his or her throw-in count when it is determined the ball is available.

Situation #16: A1 is fouled by B1 while in the act of shooting and the try is successful. The administering official erroneously awards and announces 2 free throws instead of 1. A1's first attempt is unsuccessful and B1 rebounds. Play continues briefly with B1 advancing the ball before the official blows the whistle to award the 2nd free throw.

Ruling: Since A1 has attempted the merited free throw he or she was entitled to, there is no further correction to be made. Play shall continue with a throw-in by Team B at the out-of-bounds spot nearest to where play was interrupted (2-10-2)

KHSAA Hall of Fame

Eligibility

Eligibility for the KHSAA Hall of Fame is based on high school accomplishments and contributions only. Any player who has been out of high school 10 years, or any coach, administrator or official who has distinguished themselves in their respective field is eligible. Active coaches must be 60 years of age or older. Inactive coaches under the age of 60 must have been inactive for three years to qualify.

Nominations

Anyone can nominate a person for the Hall of Fame. Nomination deadline is April 1. An official KHSAA Hall of Fame nomination form must be completed for each nominee. Additional information can also be submitted with the nomination form.

Selection

The number of inductees to be selected begins with 18 in 1995 and decreases by one each year until the maximum number of 12 is reached. A selection committee consisting of the KHSAA

Board of Control will meet the third Friday of April in Lexington to pick the inductees. Inductees will be notified of their selection following the April meeting and will be inducted the following March in conjunction with the Boys' Sweet 16 basketball tournament.

Group Demographics

Each group of inductees must include at least:

- five either deceased or 65 years old or older;
- one representative from each section (i.e. Section one consists of basketball regions 1-4, Section 2 - Regions 5-8, etc.);
- the remainder of the nominees will be at-large selections.

Instructions

All information on this form must be completed and received by the Kentucky High School Athletic Association before April 1. The completed nomination form and support materials should be sent to:

Dawahares-KHSAA Hall of Fame
2280 Executive Drive
Lexington, KY 40505

Once the nomination form is received by the KHSAA, all actions necessary to the selection process shall remain confidential. All information submitted shall be retained by the Hall of Fame. Please include a limited number of newspaper clippings, magazine articles and other supportive materials that would be helpful to the Hall of Fame Screening Committee.

General Criteria

Nominees must exemplify the highest standards of sportsmanship, ethical conduct and moral character.

Athletes would be former student-athletes who are being nominated for their achievements in interscholastic athletics. Coaches would be considered on the merits of their high school coaching achievements only and officials on the basis of their service as a high school official.

ALL CANDIDATES WILL BE JUDGED ON THEIR SIGNIFICANT AND/OR LONG-TERM CONTRIBUTIONS TO INTERSCHOLASTIC ATHLETICS.

Dates For Future Sweet 16s Announced

MINUTES

DECEMBER 2, 1994

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn, Louisville, Ky. on Friday, Dec. 2, 1994. The meeting was called to order by President Frank Cardwell at 8 a.m. with all Board members present except Bill Beasley and Tom Bryant. Also present were Commissioner Louis Stout, Assistant Commissioners Brigid DeVries and Larry Boucher, Bus. Mgr. Julian Tackett, SID Brooks Downing, Ken Tippet, Board Attorney Danny Reeves and Randy Kimbrough, State Dept. of Education. The Invocation was given by Alvis Johnson.

Frank Welch made a motion, seconded by Ozz Jackson, that the minutes of the Oct. 15-16, 1994, meeting of the Board be approved. The motion passed unanimously.

Tasso Harris made a motion to approve the October 10 East Eligibility Committee Minutes. Wendell Thomas seconded the motion which passed unanimously.

Following questions regarding bills from Sept. 1 through Oct. 31, 1994, Frank Welch made a motion to accept. Ken Cox seconded the motion which passed unanimously.

A discussion was held regarding the 1994-95 Working Budget through Oct. 31. Wendell Thomas made a motion to accept. Tasso Harris seconded the motion which passed unanimously.

Frank Welch moved to approve the East Eligibility Committee Minutes of Nov. 28. Cookie Henson seconded the motion which passed unanimously.

Minutes of the Dec. 1 West Eligibility Committee will be presented for approval at the Jan. 20 Meeting of the Board.

President Cardwell called on Doug Ralston to present his appeal of Bylaw 6 on behalf of his son, Ryan. Mr. Ralston's case was heard by the East Eligibility Committee on Oct. 10; however, the vote of the Committee was 4-2 and did not receive the necessary five votes for a ruling. Prior to his appeal, Mr. Cardwell explained to the appellant the procedure for presentation. Mr. Ralston was allowed to present his case and distribute to the Board any additional information relative to the case. After his presentation, the Board went into Executive Session. Following return to Open Session, a motion was made by Ozz Jackson to grant the appeal of Ryan Ralston. Teresa Isaac seconded the motion which passed by a roll call vote of 9-5.

The next regular Board of Control meeting is scheduled for March 23-24, 1995, at the Girls' Sweet 16 in Frankfort.

Following the appeal and the re-statement of eligibility, Mr. Harris expressed a concern regarding the immediate participation for athletes reinstated by the Board in all sports except football where ten (10) practices were required prior to play. The Board discussed at length the procedure for submitting proposals to the Delegate Assembly and suggested this concern could be addressed. Mr. Cardwell announced that the proposals which were submitted for the Delegate Assembly were on the Agenda for approval.

Following a lengthy discussion of Slow Pitch/Fast Pitch Softball alignments which were distributed for discussion only, Claudia Hicks made a motion that the Board set a minimum number of games in Slow Pitch/Fast Pitch Softball as ten (10) to qualify to play in postseason, and that schools must declare by Feb. 1 if they will play SP/FP Softball. Ken Cox seconded the motion which passed 9-5. Bob Rogers then made a motion that Fast Pitch Softball Officials be paid \$20.00 per game and a limit of one and one half (1-1/2) hours per game be set. The motion passed unanimously.

Darrell Treece then made a motion that the KHSAA Staff set the clinics for coaches for Fast Pitch Softball in compliance with current bylaws. Tasso Harris seconded the motion which passed 13-1.

A discussion then ensued regarding the starting dates for spring sports for 1994-95. Stan Steidel made a motion, seconded by Grant Talbott, that all spring sports may begin on March 25 for the 1995 season only. The motion passed unanimously.

The Board then considered a request from Carroll County High School to waive Bylaw 27, Requirement for Coaches, for one year. Following discussion, Tasso Harris made a motion to waive Bylaw 27 for Carroll County High School. Darrell Treece seconded the motion which passed unanimously.

Following a brief discussion of district and regional basketball officials' assignments, Tasso Harris made a motion to table the recommendation presented until the January meeting in order to obtain input from the schools. Stan Steidel seconded the motion which passed.

President Cardwell called a recess until 8 a.m. on Saturday, Dec. 3.

DECEMBER 3, 1994

President Cardwell reconvened the Board meeting at 8 a.m. on Saturday, Dec. 3, 1994. All Board members were present with the exception of Bill Beasley, Tom Bryant and Teresa Isaac. Also present were Commissioner Louis Stout, Assistant Commissioners Brigid DeVries and Larry Boucher, Bus. Mgr. Julian Tackett, SID Brooks Downing, Ken Tippet and Anne Wesley Mays, Secretary. Randy Kimbrough, State Dept. of Education, was also in attendance.

Commissioner Stout advised the Board of the disposition of appeals heard by the SBES -- 8 cases upheld and 7 cases overturned.

Commissioner Stout then recommended the following dates for the Boys' and Girls' State Basketball Tournaments for 1996 through 1999:

BOYS	GIRLS
1996: March 13-16	March 20-23
1997: March 12-15	March 19-22
1998: March 18-21	March 11-14
1999: March 10-13	March 17-20

Grant Talbott made a motion, seconded by Claudia Hicks, to accept the Commissioner's recommendation. The motion passed unanimously.

The Commissioner reported that advanced ticket sales for the Boys' Basketball Tournament were nearing \$400,000. He also asked for input from the Board members on various regional basketball tournament sites. Mr. Stout gave an update on plans that are being coordinated by Lexington leaders for the "Sweet 16" Fan Jam to be held in conjunction with the Boys' Basketball Tournament at Heritage Hall.

Following a discussion of Commissioner Stout's report regarding the guidelines set forth for the KHSAA Hearing Officer, Bob Rogers made a motion to approve and move on as soon as possible with the recommendation. Tasso Harris seconded the motion, which passed unanimously.

Items of discussion with no action taken were 1) Doug Ruedlinger, Inc.; 2) KHSAA Strategic Plan; 3) Topics for Seminars to be conducted in conjunction with the Annual Meeting in February; 4) State VB Tournament Team Expense policy; 5) Auditor's letter; 6) Progress of appointees to the Middle School, Cheerleading, Summer Play and Insurance Committees.

The Board was advised that a large number of schools had not submitted names for their Delegate to the Annual Meeting by the Nov. 15 deadline. Tasso

Harris made a motion, seconded by Claudia Hicks, that due to the change in the KHSAA Constitution, those schools be notified again and extend the deadline to Dec. 15, 1994. The motion passed unanimously.

Bus. Mgr. Tackett advised the Board that the Hotline for reporting KHSAA violations had been established as recommended by the Task Force on Interscholastic Athletics and requested approval of the news announcement and regulations as submitted. Ozz Jackson made a motion to accept the document as presented. Wendell Thomas seconded the motion which passed unanimously.

Following a discussion of the final adoption of the Fine Schedule in accordance with Bylaw 30, Tasso Harris made a motion to approve the Schedule of Fines after deleting and/or Board of Control. Wendell Thomas seconded the motion which passed unanimously.

The next item on the Agenda was the Football Committee's Report presented by Chairman Ozz Jackson. He made a motion that the Board accept the following changes to the Tournament Rules for Football:

I. C. CLASSIFICATION

d. . . to fall below (4) or exceed eight (8) teams.

e. If at any time during the classification period, a school withdraws from play-off competition, it shall not be eligible for two (2) seasons and may return to competition in the odd-numbered year following the two-year period.

II. Dates and Times for Play-off Games

A.3. In Class AAAA, Regions II and III, the Region II, District 1 teams will play the Region II, District 2 teams in 1995 and quadrennially (every four years) thereafter for the Region II championship. Also, in 1995 and quadrennially (every four years) thereafter, the Region III, District 1 teams will play the Region III, District 2 teams for the Region III championship.

In Class AAAA, Regions II and III, the Region II, District 1 teams will play the Region III, District 1 teams in 1996 and quadrennially (every four years) thereafter for the Region III championship. Also, in 1996 and quadrennially (every four years) thereafter, the Region II, District 2 teams will play the Region III, District 2 teams for the Region II championship.

In Class AAAA, Regions II and III, the Region II, District 1 teams will play the Region II, District 2 teams in 1997 and quadrennially (every four years) thereafter for the Region II championship. Also, in 1997 and quadrennially (every four years) thereafter, the Region III, District 1 teams will play the Region III, District 2 teams for the Region II championship.

In Class AAAA, Regions II and III, the

Region II, District 1 teams will play the Region III, District 2 teams in 1998 and quadrennially (every four years) thereafter for the Region III championship. Also, in 1998 and quadrennially (every four years) thereafter, the Region II, District 2 teams will play the Region III, District 1 teams for the Region II championship.

Grant Talbott seconded the motion which passed 12-1.

The following persons then addressed the Board with their school's concern in response to the proposed football alignment:

Thurmas Reynolds, Lafayette
Bill Musick, Johnson Central
Mike Griffiths, Marion County
Joe Ruddell, Bates Creek
Dan Cassidy, Bryan Station
Alvis Johnson, Harrodsburg

Tasso Harris made a motion that the Board consider one Class at a time. Ken Cox seconded the motion which passed unanimously.

Class A: Tasso Harris moved to accept Class A alignment as printed on the draft. Grant Talbott seconded the motion which passed unanimously.

Class AA: Tasso Harris moved to accept Class AA alignment as printed on the draft. Bob Rogers seconded the motion which passed unanimously.

Class AAA: Tasso Harris moved to accept Class AAA alignment as printed with the following exceptions: move Johnson Central to Region 4, District 2 and Marion County to Region 2, District 1. Claudia Hicks seconded the motion which passed unanimously.

Class AAAA: Tasso Harris moved to accept Class AAAA alignment as printed with the following exception: move

Lafayette to Region 4, District 2 and George Rogers Clark to Region 4, District 1. Ken Cox seconded the motion which passed by a roll call vote of 10-3.

The next item on the Agenda was the consideration of Proposals for the Annual Meeting. The Board discussed options for addressing the Proposals which were submitted. Stan Steidel then made a motion that the Board send a Proposal to the State Board requesting clarification of the word "sponsor" as it appears in HB 490, and KHSAA Bylaw 40. Girls' Basketball Tournament, Girls' Fast Pitch Softball. Cookie Henson seconded the motion which failed by a roll call vote of 6 to 7.

Ms. Hicks made a motion that the State Volleyball and State Soccer Tournament dates be set and then count back 8 weeks for the start of the seasons. Tasso Harris seconded the motion which passed unanimously.

Mr. Tackett announced the next meeting of the Board has been scheduled for January 19-20, 1995 at the KHSAA Office in Lexington. Appeals will be heard on the 19th with the Regular meeting to follow on the 20th.

Ms. Hopper called a meeting of the Constitution & Bylaws Committee immediately following the present Board meeting.

Ms. Kimbrough, as State Board of Education liaison, advised the Board of items being considered by Site Based Councils in the local districts.

There being no further business to come before the Board, Ozz Jackson made a motion to adjourn. Grant Talbott seconded the motion which passed.

West Eligibility Committee

MINUTES

DECEMBER 1, 1994

The West Eligibility Committee of the KHSAA Board of Control met in Louisville at the Executive Inn on Thursday, Dec. 1, 1994, for the purpose of hearing eligibility appeals. Frank Cardwell called the meeting to order at 10 a.m. Members present were Tasso Harris, Kathy Hopper, Bob Rogers, Grant Talbott and Wendell Thomas. Members absent were Bill Beasley and Darrell Treece. Others present were Commissioner Louis Stout, Asst. Commissioners Brigid DeVries and Larry Boucher, Julian Tackett, Bus. Mgr., Anne Wesley Mays, Administrative Secretary, Randy Kimbrough of the State Department of Education and Danny

Reeves, Board Attorney.

Prior to each appeal, Mr. Cardwell explained to the appellant the procedure for presentation. Each party was allowed to present his/her case and distribute to the Board any additional information relative to the case. After each presentation, the Board went into Executive Session. Following return to Open Session a motion was made to either grant or deny the appeal. A roll call vote was taken by the Secretary. The appellants were advised of the decision of the Board and Mr. Cardwell explained the Due Process Procedure in the event the appeal was denied. It was determined that five (5) affirmative votes were needed to pass a motion or restore eligibility.

Following is the disposition of each

1995 Delegate Assembly Proposals

Proposal I

George Frakes, principal of Highlands High School, proposes the following amendment to the bylaws of the Kentucky High School Athletic Association. An amendment to clarify the ending of the school year for summer play purposes to alleviate the inconsistencies caused by various schools ending on different dates, and weather-related problems.

Bylaw 8. Contestant On Other Teams, Post Season and All-Star Games

Any student who is a contestant in football or basketball on any non-school sponsored team in that sport at any time during an athletic season after enrolling in grade nine (9) shall be ineligible to represent any secondary school in that sport for the remainder of that season or for the upcoming season.

A student who has been a first-team player in football or basketball after enrolling in grade nine (9) and has eligibility remaining in these sports shall not take part in an all-star or postseason game in that sport during the remainder of the school year prior to May 25 of the school year unless it has been sanctioned by the Board of Control. The penalty shall be loss of eligibility for one year. The Commissioner may waive the period of ineligibility if just cause is shown as to its application working evident injustice against the student-athlete.

Rationale - Many districts set different dates for the respective school calendars due to local concerns, transportation, and weather-related circumstances. This amendment would allow for a benchmark date to be fair to all participants throughout the state in spite of differing school calendars.

Proposal II

Steve Frommeyer, delegate representing Eminence High School, proposes the following amendment to the bylaws of the Kentucky High School Athletic Association - An amendment to allow football teams not competing in district championship play to play an additional football game to create a "playoff" for those schools.

Bylaw 25, Limitation of Seasons

4. Football - Boys

(4) A maximum of ten (10) regular season games may be played. Preseason bowl games shall count toward the 10-game limit. Schools not competing for the district title may play an eleventh (11th) game to be played not later than three weeks prior to the final championship game. (5) The regular season ends at all levels of play (grades 9-12) on the Saturday preceding the first KHSAA Tournament

(District, Region or State), with the exception of the special circumstances for teams not competing for district play as detailed in subsection (4) above, and that the varsity team may practice and play through its elimination from KHSAA sanctioned tournament play. Following elimination, there shall be no further practice or play during the remainder of the academic school year.

Proposal III

Principal Janice Fish of Atherton proposes the following amendment to the bylaws of the Kentucky High School Athletic Association - An amendment to allow for an additional tournament to be played in volleyball to encourage more play on weekends and less impact on school-night activities.

Bylaw 25, Limitation of Seasons

11. Volleyball - Girls

(4) The season shall consist of a maximum of twenty (20) matches. In any two (2) three (3) invitational or other type tournaments, the matches played by a member school shall count as only one match for each tournament.

Rationale - With various formats of tournaments now being played, many schools may inadvertently be violating tournament limits without missing additional school time. In addition, the author and the State Volleyball Committee have concerns that this girls' sport offering can be better promoted with this change and it will lessen school study time by playing on weekends.

Proposal IV

Board appointed representative Stan Steidel of Dayton High School proposes the following amendment to the Constitution of the Kentucky High School Athletic Association - An amendment to further clarify the eligibility of an out of state school to play against a Kentucky school and hold those schools to the same standards expected of Kentucky opponents.

ARTICLE VIII -- CONTESTS

Section 1. With Non-Member Kentucky Schools

Any member school which engages in an athletic contest with a nonmember Kentucky school eligible for membership in the Association may be suspended for a period to be determined by the Board of Control.

Q/A 1 -- May a member school of the Association engage in an athletic contest with a nonmember Kentucky school? No, not if the other school is eligible for membership.

Q/A 2 -- May a school team play against an alumni or independent team during a

regular season in the sport? Yes, as the other team is not eligible for membership in the Association. However, the game played with such a team must be counted against the game limit allowed each member school.

Section 2. With Schools in Other States

Any member school engaging in a contest with a school in another state shall play under the rules of the KHSAA and shall require its opponents to play under the rules of its own state association and belong to the applicable association in that state.

Rationale - Restrictions on playing schools outside the state should be the same as those in-state should schools choose to displace Kentucky opponents with out of state teams. In this manner, a level playing field is more assured.

Proposal V

Principal Joe Burks of Male proposes the following amendment to the bylaws of the Kentucky High School Athletic Association - An amendment to allow for tournament counting to be the same in soccer as in other KHSAA offerings.

Bylaw 25, Limitation of Seasons

6. Soccer

(4) A season will consist of a minimum of six (6) games and a maximum of seventeen (17) games including invitational tournaments. Each game played, irrespective of contest format; In any two (2) invitational or other type tournaments, the games played by a member school shall count as only one game against the limit of games.

Rationale - To extend the tournament counting exemption to soccer schools to allow for the playing of a full schedule in an already short season.

Kidney Kard Is A Win-Win Fundraiser

Every year, clubs and organizations across Kentucky spend a lot of time and energy brainstorming new ideas to raise money to buy their team new uniforms or put more books in their library. Successful fund-raising has always been difficult and risky. That is, until now.

"It takes money to make money." This maxim rings just as loud for small, charitable organizations as it does for international conglomerates. The greatest difficulty with most fund-raising efforts is the monetary risk organizations take with the initial investment they must make. Whether it's purchasing ingredients for cookies in a bake sale or renting space to hold a charity dance, there has always been a chance that your fund-raising effort could actually lose money.

Beginning this spring, your club/organization/association will be able to participate in a creative, risk-free way to raise money. By teaming up with the National Kidney Foundation of Kentucky to help this worthy cause raise dollars for kidney research, your charitable organization can earn money, too! It's easy when you're selling the Kidney Kard.

What in the world is a Kidney Kard, you're

asking? It's a folding, wallet-size card packed with miniature peel-off coupons good for more than \$190 in discounts from local area restaurants. Here's how it works: your organization sells the Kidney Kard for \$10 apiece. Four dollars of the sale goes directly to your organization and two dollars goes to help the National Kidney Foundation fight kidney diseases here in Kentucky.

With free offers from participating restaurants including Pizza Hut, Impellizeri's, Arby's, Benihana, Subway and many more, it's too good to pass up. The best thing about this fund-raising opportunity is the lack of risk. Your organization *does not* pay for Kards that are not sold. Unsold Kards are simply returned to the National Kidney Foundation for direct refunds.

The Kidney Kard is a Win-Win-Win program benefiting the National Kidney Foundation of Kentucky, your organization and the consumer! If you'd like further information on the Kidney Kard program, please write Evelyn Glass, Director of Marketing for the Kidney Kard at the National Kidney Foundation of Kentucky; 2590 East Liberty Street, Suite 710; Louisville, KY 40202.

Or Call Ms. Glass at (502) 585-5433.

Tournament Guidelines For KAPOS '95

Participating cheerleader and cheerleading coaches registration: all cheerleading squads and/or coaches are asked to stop by the Kentucky Association of Pep Organization Sponsors table to:

1. Register your squad.
2. Pick up important information and materials for your squad.

Along with a KAPOS Board member, there will be high school cheerleaders to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn, they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: We remind all cheerleaders and coaches that you are cordially invited to have refreshments, socialize with friends, exchange ideas and perhaps get help with your problems at our hospitality room.

Attention Principals: If your team will be participating in the Sweet 16, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleading coach. We request your cheerleaders be chaperoned by a well-qualified, school-approved adult. Verification of this, along with your cheerleading coach's name, must be reported in the letter of confirmation which you will receive. This letter must be in the hands of the KAPOS officer prior to the time your cheerleaders take the floor.

Important: Be sure your school is a paid member of KAPOS or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners will be determined by use of a KAPOS Judging Sheet -- a copy appears in the KAPOS Handbook.

Awarding Trophies

KAPOS is pleased to honor outstanding cheerleading squads with recognition they so well deserve. All cheerleader

awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleading squad in the Boys' Sweet 16 will receive the Ted Sanford Trophy; the Girls' Sweet 16 winner will receive the Tom Mills Award. The runner-up, third- and fourth-place squads will receive trophies. In addition, the Special K-Pep Award will be presented. All tournament cheerleading squads and their coaches are asked to be located close to the playing floor so they can easily come on the floor should they win an award.

Sportsmanship Month

While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the tournament and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Brereton Jones. The Governor's proclamation is on display at the KAPOS table. Remember, Be A Sport!

State-At-Large Champions

Recognition is given annually to the cheerleading squads other than those 16 fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer Trophy, while the runner-up will receive the KAPOS President's Trophy. Other trophies will be presented for the third-through 10th-place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the girls' varsity winner and runner-up and the boys' varsity winner and runner-up in the Traditional routine and the winner of the 2½ minute routine from each region is allowed to compete for the State-At-Large Cheerleading Championship.

Judging for the Boys' State-At-Large winners will take place at 8:30 a.m., Saturday, March 18, at Memorial Coliseum in Lexington. Judging for the Girls' State-At-Large winners will take place at 8:30

a.m., Saturday, March 25, at Memorial Coliseum. The public is invited to these outstanding events. The admission charge of \$4 will go toward the expenses of the KAPOS scholarship award -- details are supplied below.

At the conclusion of the judging, trophies will be awarded to the top squads in addition to several special awards.

Notes To Administrators

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel help at the tournament. This involves at least 12-15 people. It is also back-breaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS Board is seeking your understanding and cooperation should you be asked to release a teacher from his or her duties to help carry on the work KAPOS is doing to make cheerleading a worthwhile educational experience in the state of Kentucky.

Stella S. Gilb Scholarship

KAPOS is happy to annually award the Stella S. Gilb Scholarship to outstanding cheerleaders from Kentucky. In 1994, KAPOS awarded 10, \$500 scholarships to well-deserving cheerleaders. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 30. Contact a KAPOS Board member or officer for application forms or pick them up at the State Tournament KAPOS table.

KAPOS Services

- Maintains an affiliation with the KHSAA in order that we may help them and they may assist us in any way possible to promote good sportsmanship in the state of Kentucky.

- Maintains continual communication with cheerleading coaches in the state to ascertain their needs, problems, suggestions and criticism.

- Holds judging clinics to promote better understanding between cheerleading coaches and judges and to encourage consistency in interpretation of KAPOS rules and recommendations.

- Sponsors awards to outstanding

cheerleading squads at the district, regional and state levels.

- Sponsors Sportsmanship Month during March.

- Serves as host of the KAPOs table and the KAPOs Hospitality Room at the Girls' and Boys' Sweet 16s.

- Sponsors the Stella S. Gilb Scholarship, an educational scholarship awarded each year to outstanding and deserving cheerleaders in Kentucky.

- Presents the "Cheerleading Coach of the Year Award" for both girls' and boys' coaches.

- Presents the "Pat Dooley K-Pep Award" in each region and state tournament.

- Members serve as instructors and judges as requested by the various groups (KHSAA, YMCA, NCAA, schools, etc.).

- Sponsors the Kentucky Cheerleading Coaches Conference each July or August in Lexington.

- Sponsors a Medical Symposium designed for cheerleading coaches.

Membership Requirements

Membership in KAPOs is open to all schools who are affiliated with a school system in Kentucky. Dues are \$50 per varsity squad including 15 cheerleaders and two coaches and entitle the school to membership in the organization for the fiscal year from July 1 through June 30.

Dues should be paid to the treasurer of KAPOs by Dec. 15. A membership card will then be returned to you. A KAPOs Handbook is mailed to all high school principals at the beginning of each school year.

COACHES CARE AWARD

Alfred Redman, head basketball coach at Wyoming Indian High School in Ethete, Wyo., is receiving national recognition this month for utilizing his knowledge and resources to help Native American youngsters have a school of their own. Redman is being honored in coaching publications by Coaches Care, the public service program created by The Gatorade Company that pays tribute to high school coaches for providing young people with new opportunities and positive life experiences.

Redman, who was raised on the Wind River Reservation, knew all too well that school absenteeism and unemployment were common symptoms of an ineffective education system. So in the early 1970s, he joined tribal leaders and concerned parents to build a school that would breed hope as well as knowledge.

Redman's early years as an employee of the U.S. Government's Bureau of Indian Affairs gave him the knowledge to navigate bureaucratic red tape, which was instrumental in getting the Wyoming Indian High School built in 1972. Once the school opened, Redman followed his love for sports and joined the coaching staff as an assistant coach for football, basketball, volleyball and track.

For eight years, the school was supported solely through the fund-raising efforts of the community, and was not an accredited school. Then in 1978, with intent to overcome the paucity of funding, athletic equipment and uniforms, Redman and other school board members developed a plan to join a local state supported elementary school. By 1981, the first public school district was started on the Wind River Reservation.

Redman was named head coach at the Wyoming Indian School in 1982 after receiving his teaching certificate from Fort Wright College in Spokane, Wash. Since then, he has gone on to win more than 200 games and five state titles.

"I decided to get my teaching certificate because I knew the kids deserved more than what I was giving them," said Redman, who currently teaches American government and current events. "I wanted to share my knowledge and experiences with kids in the classroom as well as on the court."

But Redman's true passion is for academics, not athletics.

"AI is very serious about scholastic excellence and helping kids go beyond

Alfred Redman, head basketball coach at Wyoming Indian High School, utilized his knowledge and resources to help Native American youngsters to have a school of their own.

high school to carry out the leadership skills they learn from athletics," said Lon H Hoffman, principal at Wyoming Indian High School. "He lives and breathes for the students, encouraging them to do better for themselves and be proud of who they are in society."

Many of Redman's athletes live on their own or in extended families, so he checks on them to make sure they attend school, and keeps them busy during the summer. He and his staff volunteer their time at summer camps and coordinate fund-raisers so the kids can attend.

"AI has a reputation of going well beyond what you'd think most people would do for kids, even if they see just a little light, a little glimmer of hope," said Hoffman.

"With so many distractions in society today, young people need coaches like Alfred Redman to steer them in the

right direction," said Patti Jo Sinopoli, group manager of public relations at The Gatorade Company. "And we're proud to share his story with others across the country."

Since 1990, 522 coaches nationwide have been named to the Coaches Care Honor Roll. Redman is one of 21 coaches who have been featured in full-page advertisements that appear in coaching and athletic publications such as *Scholastic Coach*, *Athletic Business and Training* & *Conditioning* magazines.

High school coaches can be nominated for Coaches Care distinction by principals, athletic directors, teachers, fellow coaches, parents and student-athletes. Selection criteria and a nomination form may be obtained by writing: Coaches Care, P.O. Box 194, Hinsdale, IL 60522-0194.

Officials Awards Banquet Coming Soon

By Larry Boucher
KHSAA Officials' Division

Don't miss out!

Reservations for this year's Officials' Banquet are arriving. This is an opportunity for you to socialize with fellow officials while recognizing those who have been outstanding in their stripes. And even more inviting, it's all free.

We've scheduled this banquet at the KHSAA headquarters in Lexington for Saturday, March 18 at 3 p.m. We hope it will be convenient at that time and day so that following our banquet, most will want to catch the championship game of the Boys' Sweet Sixteen at Rupp Arena at 8 p.m.

Our banquet tips off with an entertainment hour followed by a buffet dinner and presentations at 4 p.m. Soft drinks are provided and drinks are free. Just cut out the reservation form below and return by March 1.

This will be fun for all followed by some great basketball action that night!

Wrestling: Don Colston, Allan Martin, Donnie Martin, Joe Neely.

Working For You

In Louisville during a January Board of Control meeting in 1992, I asked the Board to allow an increase of \$5 in official's annual registration fee. I requested this based on the provision that those additional monies be placed in an officials' trust fund and that these monies would only be used for officials' programs and activities.

It is intended to be earmarked for programs that would recognize the accomplishments and contributions that officials in each of our sports have made.

Recognition for a job well done is the cornerstone to an outstanding officials program. It enhances recruitment as well as the retention goals that we have. Recognition will motivate individuals to train themselves to be their best and all of this will, in the final analysis, help our young high school athletes as they compete.

My personal feeling is that what we do in this area is limited only by our imagination. I look forward to input from you as we dream and plan for future programs and ideas recognizing your commitment to our student-athletes.

Some of the things we have done include:

- issued over 200 personalized handbags to officials working our championship events;

- issued over 300 personalized certificates to championship officials;

- sponsored a free awards banquet in March;

- presented mantel clocks to each sport's most outstanding official at the banquet;

- will issue watches to outstanding sport's officials nominees;

- issuing KHSAA championship Fox 40 whistles to officials working championship contests;

- paid additional expert observers of officials at various events;

- videotaped and critiqued championship official's performances.

I am hopeful these things will motivate you to aspire to a level that will gain you your due recognition for all your hard work and dedication.

Remember, our (your and mine) imagination is our only limitation.

This past January, we approached the Board of Control to aid us in our officials recruiting and retention efforts. We asked that registration fees for full-time college students be decreased to \$15 for the first sport and \$10 for each additional sport.

We also asked that registration fees for officials serving the KHSAA for 25 years or longer be waived. The Board unanimously approved our recommendation. This will begin with the 1995-96 registration period.

NFICA/NFIOA Annual Meeting

Our own Lexington, Ky., will be the site of the annual NFICA/NFIOA meeting in 1996. It's scheduled June 21-25, 1996 at the Hyatt Regency adjacent to Rupp Arena. The national meeting is for coaches and officials of all sports and will be held the same weekend as the Kentucky-Tennessee All-Star football game.

Many of our officials' organizations have numerous required meetings preparing for the season. To encourage attendance by our host state and exemplify the hospitality our state is noted for, I suggest a consideration should be given those officials who attend the national conference. Perhaps credit for several meetings could be awarded. All organizations should give this idea serious consideration.

The 1995 meeting this summer will be held in Washington, D.C.

Technical Fouls

During observations, I have seen some confusion on administration of technical fouls. Many times, officials make moves in the direction of the wrong basket to shoot the free throws. Heading to

Quarterback Spike Among Rules Changes

KANSAS CITY -- Beginning with the 1995 high school football season, quarterbacks will be able to intentionally throw the ball forward to the ground to conserve time late in the game, as long as it is thrown immediately after receiving a direct hand-to-hand snap.

This rule change, which has been in effect at the college and professional levels for several years, was one of 16 passed by the National Federation Football Rules Committee at its Jan. 7-9 meeting in Albuquerque, N.M.

"Since quarterbacks will be able to spike the ball legally late in games to conserve time, it takes pressure off the officials to make a difficult judgement call when quarterbacks are trying to legally stop the clock," Dick Schindler, assistant director of the National Federation and editor of the high school football rules, said. "This has proved to be a very positive rule at other levels, and, with this procedure, it will make it an easier call for officials. A team is simply using a down to stop the clock. This is the rule change that should be the most noticeable at games next fall."

The committee, which is composed of one representative of each state high school association that uses National Federation playing rules, continued its emphasis on sportsmanship by strengthening its position against unsportsmanlike behavior.

Beginning with the 1995 season, the second unsportsmanlike foul by a player or nonplayer will result in disqualification from the contest. The rules previously covered penalties for unsportsmanlike

conduct, but there were no limits on the number of these penalties in a game.

"We had a similar disqualification rule for coaches, but we had no limits for players and nonplayers," Schindler said. "This change now penalizes everyone equally and ties this rule all together."

Kaye Pearce, executive director of the Kansas State High School Activities Association and in his first year as chairman of the National Federation Football Rules Committee, believes the stricter sportsmanship requirement was the most significant change this year.

"We believe that high school activities must promote sportsmanship, ethics and citizenship, and this additional penalty was put in place to help ensure proper behavior in high school football," Pearce said. "All in all, the rules committee didn't make any major changes because it believes the game is in good shape."

In other changes, the committee formulated a definition of fighting and provided a penalty of 15 yards and disqualification. Schindler said although aspects of fighting previously were included under illegal contact, an actual definition of fighting was absent from the book. He said a definition was needed to be able to enforce rules which penalize fighting.

The 1995 rules book will define fighting as "any attempt by a player or nonplayer to strike or engage an opponent in a combative manner unrelated to football. Such acts include but are not limited to: attempts to strike an opponent(s) with the arm(s), hand(s), leg(s) or foot (feet), whether or not there is contact."

The committee approved one signifi-

cant equipment change that will occur five years from now. Beginning with the 1999 season, football jerseys must be long enough to reach the top of the pants and must be tucked in if longer. Cut-off jerseys will not be allowed after the 1998 season.

Following is a summary of other revisions to high school football rules approved by the Football Rules Committee:

- The home team shall provide at least one legal ball. Previously, this was not mandated.

- On the player's uniform, each number may have a single, solid colored border, not to exceed one-half inch in width. This change will allow for the popular, fashionable shaded numbers, i.e. 49ers.

- Jewelry may not be worn during play.

- Blocking below the waist and/or clipping in the free-blocking zone is not to continue after the ball has left the zone.

- A new choice will be allowed to snap or free kick following a fair catch or awarded catch if a dead ball foul occurs before the play or an inadvertent whistle sounds and a replay results.

- Touching a forward pass by an ineligible behind the line will be illegal touching and flagged where the touching occurs and penalized as a loose ball foul.

Points of emphasis identified by the committee this year are roughing the kicker/holder/passers, taunting or baiting, and shifts/false starts.

1995 Wrestling Rules Interpretations

SITUATION #1: At the start of the third period, Wrestler A is up and Wrestler B is down. A applies an illegal hold and B is injured. During the recovery time the coach of Wrestler A says his wrestler should have started down for the third period. We now have bad time and, after two minutes recovery time, Wrestler B is unable to continue wrestling.

RULING: Wrestler A is the winner by default because all points earned during the third period are cancelled because of bad time. The only exception to this would be acts of flagrant misconduct. They are never overlooked regardless of the situation surrounding a correctable error. (6-6-2)

SITUATION #2: In an overtime match both wrestlers are warned for stalling after 45 seconds of competition, does the match, at this point, go into the tiebreaker or do we continue with the remainder of the overtime?

RULING: The overtime would be continued when both wrestlers are warned for stalling. The only time you discontinue the overtime period and go directly to the tiebreaker is when both wrestlers are penalized an equal number of points. (6-7-1)

SITUATION #3: With wrestlers in the neutral position, one wrestler false starts and applies a single leg on his opponent. The action is such that the wrestler suffered a leg injury that prevents him from continuing. What is the proper penalty?

RULING: There could be several incidents that occur in a legal maneuver where a wrestler might become injured and not be able to continue competition. As long as the referee feels that it is strictly a technical violation and no unnecessary roughness or unsportsmanlike conduct was involved then there would be no additional penalty beyond the technical violation. If the injured contestant was unable to continue after two minutes of injury time then he would lose the match by default. (8-2-2)

SITUATION #4: At the conclusion of the 119-pound match the 126-pound contestants report to the scorer's table. The individual that reports first still has his warm-ups on. Is this permissible?

RULING: The rule states that, in dual meet competition, the wrestler must be ready to go to the scorer's table immediately when called by the referee. This implies that the individual be ready to wrestle when he reports to the scorer's table. Therefore, the warm-ups must be off and, following reporting to the table, the wrestlers need to proceed directly to the center of the mat for the start of the match. There should be no delay from

the time the wrestlers report until they go to the center of the mat for competition. (6-2-2)

SITUATION #5: When a wrestler is injured and bleeding by an illegal hold, unnecessary roughness or unsportsmanlike conduct during the match, you are required to start the two minute recovery time. What is the proper procedure for the referee to follow at the conclusion of the two minute recovery time if the wrestler is still bleeding?

RULING: At that point, the referee needs to ask the injured contestant if he can continue once the bleeding is stopped. If the wrestler says no then the match is over and the injured contestant would win by default. If he says yes then the referee would give more time in order to stop the bleeding. (8-2-2 & 7)

SITUATION #6: Wrestler A is attempting to turn Wrestler B but has not yet met near fall criteria. While Wrestler A is turning Wrestler B, Wrestler B cries out in pain and the referee stops the match. Immediately following the referee stopping the match, Wrestler B indicates to the referee that he has been bitten on his right side. The referee thought that biting might have occurred but he did not actually see Wrestler A bite Wrestler B.

RULING: The general guidelines for officials to follow is, if in your opinion, a wrestler bites his opponent this will be deemed as intentional biting and will be called as flagrant misconduct. When the referee makes this call it must be an occurrence that came to his immediate attention. As an example, something that occurred in a previous period would not be given consideration (7-4-3)

SITUATION #7: At the conclusion of the 142-pound match, the 151-pound contestant from School A reports to the scorer's table and also the 160-pound competitor from School B reports to the table. The reason for the 160-pound contestant from School B reporting is that his school has no 151-pound contestant and he has simply come out early. The referee, after reviewing the situation, grants a forfeit to the 151-pound contestant from School A because there is no one in his weight class to compete against. He also rules that the 160-pound competitor, even though he reported early, is eligible to compete for the next match.

RULING: The rule does state that once either contestant is sent to the scorer's table they may not be withdrawn without being disqualified from the match. The rule also gives the referee the ability to correct errors that occur without penalizing either contestant. The reporting of the 160-pound contestant was simply an er-

ror and he will be able to compete for the next match. (6-2-2)

SITUATION #8: In dual meet competition both coaches have weighed in two contestants for the 275-pound match. For that particular match School A is required to send their wrestler to the scorer's table first. However, following the previous match, School B sends one of its contestants to the scorer's table prior to the coach of School A sending his wrestler. As soon as the coach from School A sends his wrestler to the scorer's table the coach of School B withdraws his first wrestler and replaces him with another contestant. Is this permissible?

RULING: Even though in this situation the wrestler from School A was required to go to the scorer's table first, if the individual from School B goes to the scorer's table first, he cannot be replaced. Once either contestant has reported to the scorer's table he cannot be withdrawn without forfeiting the match. Once you send your wrestler he must remain there and you no longer have a choice. (6-2-2)

SITUATION #9: After criteria has been met for a period of 2 seconds the defensive wrestler is able to stop the count but the offensive wrestler still maintains the hold. During this period of time the defensive wrestler cries out that he is injured. How many back points do you award him?

RULING: Even though the referee is not counting at the time, Rule 5-2-4g would still be in effect. When the defensive wrestler indicates he is injured, after near fall criteria has been met, the match will be stopped and a three-point near fall shall be awarded to his opponent. (5-2-4g)

SITUATION #10: The 275-pound contestant from School B steps onto the scales and the referee, who is conducting the weigh-in, asks for his letter from the state association office about the length of the hair. The wrestler's hair does exceed that allowed by rule and the referee is requesting the authorization from the state association office.

RULING: The coach speaks up for the wrestler in this situation indicating to the referee that having hair longer than allowed by rule no longer needs approval from the state association office as long as it is properly covered during the wrestling contest. The coach should then display to the referee what headgear will be used and how the hair rule will be satisfied when the contestant is on the mat. (4-2-1)

the wrong basket in this highly emotional point of the game makes officials appear confused and disoriented.

Please discuss in your pregame the procedures to be used at this time.

The off official, who hopefully has remained calm throughout this ordeal, should move to front court near the free throw circle of the team which will shoot the free throws. That way, when the administering official turns from the table to come back to the floor, he/she can move toward the off official and to the proper free throw lane in a timely and direct manner.

This will hopefully avoid a look of lost concentration or being emotionally out of control.

Commissioner Presents Annual Report

The following report was presented to the delegates at the annual Delegate Assembly Meeting held Feb. 9, 1995.

A total of 284 schools joined the Kentucky High School Athletic Association for the 1994-95 school year. Six of these schools enroll girls only and six have only boys. In 1993-94 and 1992-93 there were 285 schools.

There were 209 schools involved in **Football**. Class A, AA, AAA and AAAA championship games were played at Cardinal Stadium in Louisville, Dec. 2-3, 1994. Attendance was approximately 23,229 and ticket receipts were \$147,196. Expenses involved in conducting the state football playoffs were \$24,711. Sales of novelties totaled \$1,256; program sales were \$5,536. The approximate gross receipts from playoff rounds one through four were \$534,299 with expenses of conducting these games reported as \$153,349. Paid attendance at the 120 games was approximately 142,141. All profits from the playoff games are divided among the participating schools.

The number of schools competing in **Volleyball** this season was 84. The KHSAA sanctioned tournament was held at Ryle in Northern Kentucky, on Oct. 28-29, 1994. Expenses incurred were \$10,107 with receipts of \$10,130 (tickets), \$690 (programs) and \$1,015 (novelties and other items).

In **Cross Country**, 214 boys' teams entered 18 regional meets. Two hundred eight girls' teams entered all three classes in 18 regionals. The expenses incurred in sponsoring this sport were \$13,656 and the receipts were \$11,030 (ticket sales), \$1,389 (programs) and \$3,593 (novelties). Class A, AA and AAA were held in Lexington at the Kentucky Horse Park on Nov. 5, 1994.

There were 139 schools competing in **Boys' Soccer** and 76 schools participating in **Girls Soccer**. The State Championships were held the same night in Versailles' Woodford County Park on Nov. 12, 1994. The receipts for the boys were \$25,855 and \$12,835 for the girls. Expenses incurred to run the boys' tournament were \$11,296 compared to \$7,281 for the girls' tournament. Novelty sales totaled \$216.

There were 236 boys' teams competing in **Golf**, with the State Tournament being played at the Lincoln Trail Country Club in Vine Grove. There were 171 girls' teams competing and their State Tournament was held at the Elizabethtown Country Club. There is no admission charged at the tournaments which were held in mid-October. Novelty sales totaled \$900.43 and expenses for the tournaments were \$8,628.

There are 60 schools competing in **Wrestling** in eight districts and four regions with the winner and runner-up in each weight class advancing to the state finals. The championship tournament will be held at Atherton High School on February 17-18, 1995.

In **Swimming**, 114 boys' and 116 girls' teams will compete for the championships. The meets will be held at The Lancaster Aquatic Center on the University of Kentucky campus on Feb. 17-18, 1995.

Advanced ticket sales to the **Boys' State Basketball** Tournament to be held in Lexington's Rupp Arena on March 15-18, 1995 total \$463,476.00 as of January 31, compared to \$353,924 on the same date last year.

Advanced ticket sales to the **Girls' State Basketball** Tournament to be held March 22-25, 1995, in Frankfort at the Civic

Center total \$54,168 as of January 31, compared to \$31,236 at this same time last year.

Anticipated spring sports participation is as follows: 266 **Baseball** teams to compete in 64 districts and 16 regions; 228 schools have indicated they will play **Fast Pitch Softball** and 59 have signed up for **Slow Pitch Softball**. There will be 235 schools participating in boys' and girls' **Track** in eight regions in each classification -- A, AA and AAA; 210 girls' and 215 boys' **Tennis** teams will play in 14 regions. State finals in **Baseball** and **Softball** will be held in Owensboro while the **State Tennis** and **Track** Meets will be held at the University of Kentucky.

The receipts and expenditures incurred during the 1993-94 spring sports season were as follows:

	Receipts	Expenditures	Novelties
Baseball	\$11,630	\$4,622	\$212
Softball	6,930	17,135	1,148
Tennis	0	13,311	77
Track	16,902	30,577	2,425

A total of 2,886 officials have registered with the Officials' Division of the Association as of Feb. 2, 1995, and the number of approved and certified officials in each sport are as follows (REG - Registered, APP - Approved, CER - Certified):

	REG	APP	CER	TOTAL
Baseball	196	154	147	497
Basketball	591	362	562	1515
Football	135	201	440	776
Soccer	155	91	86	332
Softball (SP)	162	134	52	348
Softball (FP)				
<i>(Fast pitch tests have been mailed to all SP officials.)</i>				
Track & Field	54	2	2	58
Volleyball	55	40	34	129
Wrestling	31	8	7	46

Bus. Affairs Dir. Julian Tackett conducted 14 clinics in **Football**. Asst. Comm. Larry Boucher conducted 18 clinics in **Basketball** for officials and coaches. Asst. Comm. Brigid DeVries conducted nine **Track** clinics and four **Volleyball** clinics for officials and coaches. The KHSAA is in the process of conducting 14 **baseball** and **softball** clinics for officials and coaches.

The Board of Control and Staff of your Association are grateful for the cooperation the superintendents, principals, athletic directors and coaches have given us in running the programs of the Association.

Delegates Vote To Amend Fast Pitch Rule

MINUTES

FEBRUARY 9, 1995

The 78th Annual Meeting of the Kentucky High School Athletic Association was held on Thursday, Feb. 9, 1995 at the Executive West Hotel in Louisville. The invocation was given by Bob Rogers.

President Frank Cardwell called the meeting to order at 2:45 p.m. and welcomed all representatives and noted that this was a new opportunity for all schools to send delegates to the Annual Meeting. Mr. Cardwell then called on Commissioner Louis Stout for any remarks he might like to make. Mr. Stout also welcomed the delegation.

Exec. Asst. Comm. Brigid DeVries then called the roll. One hundred sixty-two delegates answered the roll. President Cardwell announced that in order for a proposal to pass, 108 affirmative votes were needed. He then gave instructions for presentation of proposals.

The next order of business was the presentation of proposals.

Paul Dennison, KHSADA, made a motion to consider a special order relative to Bylaw 40 as it relates to the fast pitch softball issue. Wade Upchurch seconded the motion which passed.

Proposal From Floor

In the case that a school makes a documented effort to offer fast pitch softball, hires a coach, holds tryouts and there are not enough participants, then the principal may request, in writing to the Kentucky High School Athletic Association, permission to offer slow pitch softball.

Following discussion, the Proposal passed 123-33 with 6 abstentions.

Proposal From Floor

Jim Sexton, Eastern High School, made a motion to consider Article IV of the Constitution. Gordon Milby seconded the motion which failed.

Proposal I

George Frakes, principal of Highlands High School, proposes the following amendment to the Bylaws of the Kentucky High School Athletic Association - An amendment to clarify the ending of the school year for summer play purposes to alleviate the inconsistencies caused by various schools ending on different dates, and weather related problems.

Bylaw 8. Contestant On Other Teams, Postseason and All-Star Games

Any student who is a contestant in football or basketball on any non-school sponsored team in that sport at any time during an athletic season after enrolling in grade nine (9) shall be ineligible to represent any secondary school in that sport for the remainder of that season or for the upcoming season.

A student who has been a first team player in football or basketball after enrolling in grade nine (9) and has eligibility remaining in these sports shall not take part in an all-star or postseason game in that sport during the remainder of that academic year prior to May 25 of the school year unless it has been sanctioned by the Board of Control. The penalty shall be loss of eligibility for one year.

The Commissioner may waive the period of ineligibility if just cause is shown as to its application working evident injustice against the student athlete.

Rationale - Many districts set different dates for the respective school calendars due to local concerns, transportation, and weather related circumstances. This amendment would allow for a benchmark date to be fair to all participants throughout the state in spite of differing school calendars.

Proposal I died for a lack of a motion to adopt.

Proposal previously submitted by Steve Frommeyer withdrawn.

Proposal II

Principal Janice Fish of Atherton proposes the following amendment to the Bylaws of the Kentucky High School Athletic Association - An amendment to allow for an additional tournament to be played in volleyball to encourage more play on weekends and less impact on school-night activities.

Bylaw 25, Limitation of Seasons

11. Volleyball - Girls

(4) The season shall consist of a maximum of twenty (20) matches. In any two (2) three (3) invitational or other type tournaments, the matches played by a member school shall count as only one match for each tournament.

Rationale - With various formats of tournaments now being played, many schools may inadvertently be violating tournament limits without missing additional school time. In addition, the author and the State Volleyball Committee

have concerns that this girls' sport offering can be better promoted with this change and by lessening school study time infringement by playing on weekends.

James Sexton, Eastern High School, made a motion to adopt Proposal II. Sandy Callahan, Atherton High School seconded the motion. The Proposal passed 114-27 with 21 abstentions.

Proposal III

Board appointed representative Stan Steidel of Dayton High School proposes the following amendment to the Constitution of the Kentucky High School Athletic Association - An amendment to further clarify the eligibility of an out-of-state school to play against a Kentucky school and hold those schools to the same standards expected of Kentucky opponents.

Article VIII CONTESTS

Section 1. With Non-Member Kentucky Schools

Any member school which engages in an athletic contest with a non-member Kentucky school eligible for membership in the Association may be suspended for a period to be determined by the Board of Control.

Q/A 1 May a member school of the Association engage in an athletic contest with a non-member Kentucky school? No, not if the other school is eligible for membership.

Q/A 2 May a school team play against an alumni or independent team during a regular season in the sport? Yes, as the other team is not eligible for membership in the Association. However, the game played with such a team must be counted against the game limit allowed each member school.

Section 2. With Schools in Other States
Any member school engaging in a contest with a school in another state shall play under the rules of the KHSAA and shall require its opponents to play under the rules of its own state Association and belong to the applicable association in that state.

Rationale - Restrictions on playing schools outside of the state should be the same as those in-state should schools choose to displace Kentucky opponents with out of state teams. In this manner, a level playing field is more assured.

Wade Upchurch, Monticello High School, made a motion to adopt Proposal III. Bruce Lynch, Trinity High School seconded the motion. The Proposal failed 92-42 with 28 abstentions.

Proposal IV

Principal Joe Burks of Male proposes the following amendment to the Bylaws of the Kentucky High School Athletic Association - An amendment to allow for tournament counting to be the same in soccer as in other KHSAA offerings.

Bylaw 25, Limitation of Seasons
6. Soccer

(4) A season will consist of a minimum of six (6) games and a maximum of seventeen (17) games including invitational tournaments. Each game played, irrespective of contest format, in any two (2) invitational or other single-elimination type tournaments, the games played by a member school shall count as only one game against the limit of games.

Rationale - To extend the tournament counting exemption to soccer schools to allow for the playing of a full schedule in an already short season.

Jay Levine, Male High School, made a motion to adopt Proposal IV. Jerry Mayes, St. Xavier High School seconded the motion. Proposal IV passed 123-19 with 20 abstentions.

Proposal From Floor

Guy Strong, principal of George Rogers Clark High School, made a motion to consider a proposal that would restore the original Articles of the Constitution, specifically Article IV. Bill Fultz seconded the motion which passed by a vote of 141 to 1 with 19 abstentions.

Guy Strong then made a motion to delete Article IV, d. BOARD OF CONTROL, 9. Review all proposed changes to the KHSAA Constitution and Bylaws. Have authority to reject any proposed change determined not to be in the best interest of the Association. James Sexton, Eastern High School, seconded the motion which failed by a vote of 103-27 with 32 abstentions.

There being no further proposals to come before the Delegation, Frank Cardwell called for adjournment.

GAME GUY AWARD NOMINEES

The Kentucky High School Athletic Association is now accepting nominations for the 1995 Game Guy Award. The Game Guy honor is presented annually to a physically challenged student-athlete in Kentucky who overcomes his or her disability to participate in athletics.

Simply have a school representative -- principal, school or coach -- send in a written nomination citing the individual's disability and efforts to overcome that disability. The more information given about the particular individual, the better chance that individual will have to earn this award.

Nominations need to be mailed to the KHSAA no later than **May 1, 1995**. Please send to the attention of Anne Mays at the KHSAA, 2280 Executive Drive, Lexington, KY 40505. Or fax the nomination to (606) 293-5999.

Kidney Kard Is A Win-Win Fundraiser

Every year, clubs and organizations across Kentucky spend a lot of time and energy brainstorming new ideas to raise money to buy their team new uniforms or put more books in their library. Successful fund-raising has always been difficult and risky. That is, until now.

"It takes money to make money." This maxim rings just as loud for small, charitable organizations as it does for international conglomerates. The greatest difficulty with most fund-raising efforts is the monetary risk organizations take with the initial investment they must make. Whether it's purchasing ingredients for cookies in a bake sale or renting space to hold a charity dance, there has always been a chance that your fund-raising effort could actually lose money.

Beginning this spring, your club/organization/association will be able to participate in a creative, risk-free way to raise money. By teaming up with the National Kidney Foundation of Kentucky to help this worthy cause raise dollars for kidney research, your charitable organization can earn money, too! It's easy when you're selling the Kidney Kard.

What in the world is a Kidney Kard, you're

asking? It's a folding, wallet-size card packed with miniature peel-off coupons good for more than \$190 in discounts from local area restaurants. Here's how it works: your organization sells the Kidney Kard for \$10 apiece. Four dollars of the sale goes directly to your organization and two dollars goes to help the National Kidney Foundation fight kidney diseases here in Kentucky.

With free offers from participating restaurants including Pizza Hut, Impelleri's, Arby's, Benihana, Subway and many more, it's too good to pass up. The best thing about this fund-raising opportunity is the lack of risk. Your organization *does not pay* for Kards that are not sold. Unsold Kards are simply returned to the National Kidney Foundation for direct refunds.

The Kidney Kard is a Win-Win-Win program benefiting the National Kidney Foundation of Kentucky, your organization and the consumer! If you'd like further information on the Kidney Kard program, please write Evelyn Glass, Director of Marketing for the Kidney Kard at the National Kidney Foundation of Kentucky; 2590 East Liberty Street, Suite 710; Louisville, KY 40202.

Or Call Ms. Glass at (502) 585-5433.

Track Group Proposes Indoor Season

MINUTES

The Kentucky High School Athletic Association Track and Field Committee met at the KHSAA in Lexington on Feb. 1, 1995. The meeting was called to order by Brigid L. DeVries, Executive Assistant Commissioner, at 1:30 p.m.

Members present were Augie Schiller, Tony Rowe, Dave Shufelt, Brother Borgia, Tim Schlotman, Tim Estes, Alice Leigh, Jean Wright, Charlie Ruter, Bill Patton, Bob Stacey, Frank Miklavcic, Gordon Bocock, Duane Stewart, and Barry Binkley.

Charlie Ruter and Gordon Bocock reported that the Mason-Dixon Games were a complete success. Copies of the results and the numbers of participants were given to each member of the Track Committee. There were approximately 1,672 high school athletes participating in this event. From the discussion of the Mason-Dixon Games, Dave Shufelt made a motion to recommend that the KHSAA recognize indoor track as a sanctioned sport with a starting date of Dec. 1. The motion was seconded by Bob Stacy. Charlie Ruter reiterated that the main objective was the responsibility to the student-athlete to assist them in obtaining scholarships and other competitive opportunities. Ms. DeVries will present this recommendation to the Board of Control. Charlie Ruter also gave thanks to the Coaches Association for its support to the Mason-Dixon Games.

Jean Wright gave a report on the 1994 Blue Grass State Games. The games went well and provided good participation and fun. One problem occurred when one track group showed up too early. The only other problem that surfaced dealt with out-of-state competitors when the games are strictly for Kentuckians only.

Gordon Bocock gave a report on the workshops held at the KHSAA office on Jan. 13-14, 1995. The clinic workers did an excellent job and Stephanie Hightower was outstanding as the banquet speaker. The clinic had a great deal of increased interest in track. Several committee members suggested that the workshop be held over a three-day period and include the NFICEP Clinic first, followed by a coaches clinic and ending with an athlete workshop. Ms. DeVries will follow-up with Julian Tackett on the availability of the certification as part of the workshop format.

The next item on the agenda was a discussion of the 1995 regional track sites. To date, written requests submit-

ted by schools wanting to host regional tournaments were given consideration by the committee. They included requests in Class A from Region 2 Apollo, Region 6 Boyd County and Region 7 Williamsburg; in Class AA, Region 1 Webster County and Paducah Tilghman and Region 7 Williamsburg; in Class AAA, Region 1 Apollo, Region 5 Eastern, Region 6 Boyd County and Region 8 North Laurel. Gordon Bocock reiterated the committee's philosophy that a rotation begin between schools where more than one school wants to host an event. The following changes were made: Class A Apollo, Region 6 rotation between Boyd County and then Russell, Region 7 Williamsburg will now host events; Class AA rotation between Region 1 Paducah Tilghman and Webster County, Region 6 Williamsburg will now host events; Class AAA Region 1 Apollo, Region 5 Eastern and Shelby County and Region 6 rotation between Boyd County and Northern Kentucky, and Region 8 Bell County followed by North Laurel in 1996 if interest is still there. Ms. DeVries will follow-up on the committee recommendations for regional sites in writing. Sites not considered by written requests or verbal requests by committee members will be solicited from those who managed events in 1994.

Committee members analyzed the 1994 State Meet and made some suggestions for the 1995 meet. The first item was the concern that the student-athletes, especially in the last class, did not have enough time to warm-up and there seemed to be too much time between hurdle events. Frank Miklavcic suggested that the track schedule of events be moved to 4:30 for the Class AA events. A discussion was held in determining the order of who will compete first. The schedule was changed so Class A runs first, Class AAA second, and Class AA is last. Dave Shufelt proposed that in the field events, Julian Tackett compile the lists in flights from worst to best so the field event competition would be in this order. Brother Borgia seconded the motion. Dave Shufelt asked that the Class A event winners be recognized in a better fashion. Tony Rowe asked that the team scores be posted periodically for the benefit of the student-athletes, coaches, and parents. Also, several committee members mentioned that some of the high-jump equipment needed to be checked for this year's state meet. Gordon Bocock, Frank Miklavcic and Brigid DeVries will work with UK on this matter.

Other recommendations for the state meet include the following: the meet in-

structions include how the jury of appeals will be used, that numbers be worn on the back for running events, attention to the rule on unsportsmanlike conduct and a reference to uniforms and eyewear be emphasized and that officials monitor the finish line more closely. Brother Borgia urged that the jury be used for final decision. The committee commented that the sportsmanship of most athletes was pretty good, and coaches and officials need to work to keep it that way. Barry Binkley recommended that the State Coaches Association buy certified scales for the pole vault event.

The next item was the qualifying procedure from region to state using place or regional times. Charlie Ruter moved to use place, with Dave Shufelt seconding the motion. The committee voted 7 in favor with 4 opposed. After much discussion, Charlie Ruter re-submitted his motion and Frank Miklavcic moved to use the regional times to qualify. Alice Leigh seconded the motion. The committee voted 9 in favor with 3 opposed, so regional times will be used to assign lanes in the state meet this year.

The next agenda was a discussion of the two-week delay between regional and state competition. The committee felt that the delay was not in the best interest of the student-athletes. No changes were made at this time. Ms. DeVries will talk with Commissioner Stout and the Board of Control at their next meeting on this issue.

Ms. DeVries recommended that people look closely at the National Federation Rule Book and the shaded areas of the rules. She also updated the health condition of John Gettler.

There being no further business, the meeting was adjourned at 4:30 p.m.

Spring Sports Rule Interpretations

BASEBALL

SITUATION #1: B1 thinks the count is 2-2, but the count is really 3-1. The next pitch is a called strike. B1 thinks the call is strike three and leaves the batter's box en route to the dugout. **RULING:** The umpire shall charge a strike to B1 for leaving the batter's box. This would be a third strike on B1. 7-3-1

SITUATION #2: The count on B1 is 3-0. B1 thinks the next pitch is a ball and starts to first base, leaving the batter's box. **RULING:** The pitch was judged to be a strike, and since B1 left the batter's box, he is charged with an additional strike, which is the penalty for leaving the batter's box. The count is now 3-2. 7-3-1

SITUATION #3: B1 steps out of the batter's box, or the umpire's "strike" call for the batter stepping out of the batter's box causes S1 to balk. **RULING:** If B1 clearly stepped out of the batter's box before the time of the pitch, then the umpire shall penalize only B1 - The balk is nullified. However, if B1 stepped out simultaneously with the pitcher committing a balk, the umpire shall call "time" and start play over. Neither B1 nor S1 would be penalized. 6-2-4d

SITUATION #4: With S1 on second, B2 hits a fair ball down the right field line that is deflected into foul territory by F9. F9 retrieves the ball and throws to F2 in an effort to retire S1, who is attempting to score. F9's throw breaks the plane of the occupied or unoccupied designated media area but does not touch anything, including the ground, in the designated media area. **RULING:** The ball remains alive, and the play stands. 1-2-3, 5-1-11

SITUATION #5: With two out and an illegal substitute at second base, B4 hits a home run out of the park. Before the next pitch, the illegal substitute is discovered. **RULING:** The illegal substitute is called out and ejected. No runs score and the home run is nullified. B4 leads off the next inning.

SITUATION #6: S1, who is an illegal substitute, scores, but B4 is thrown out for the third out, attempting to advance to second base. As both teams change positions, and before a pitch to the next batter can be made, the umpire is informed by the opposing team's coach that S1 is an illegal substitute. **RULING:** Even though both teams changed positions, a pitch had not been thrown to the next batter. Therefore, the previous play is nullified. S1 is called out, his run does not count and B5 shall lead off the next inning. 2-36-3, 3-1-1, 8-4-1k

SITUATION #7: S1, an unreported substitute, is batting for B2 instead of B3. While at bat, S1's coach realizes S1 is not batting for the correct player. **RULING:** Since S1 became a legal substitute upon entering the batter's box when the ball became alive, S1 is officially at bat and B2 is considered out of the game. The next batter is B3. 2-36-2, 3-1-1

SITUATION #8: B1's bunt rolls up the first base line where it hits B1's bat that was lying on the ground in fair territory. The ball deflects into foul territory. Is the ball fair or foul? **RULING:** The ball is foul, provided the bat was not placed there intentionally, because the bat is considered to be part of the playing field. 2-5-1, 2-8-1, 2-16-1, 8-4-1d

SITUATION #9: With two outs, S1 attempts to steal third. F2 obstructs B4 as B4 swings. F2 overthrows F5 at third trying to get S1. S1 attempts to score and is thrown out at the plate by F7. **RULING:** The coach of the team at bat, after being informed of F2's obstruction, elects to have the penalty for catcher's obstruction enforced. Therefore, B4 is awarded first base and S1 is awarded third base. 8-1-1e

SITUATION #10: On a hit and run with S1 on first base, B2 hits a ground ball between first and second. F4 dives for the ball. S1 sees that he cannot avoid F4 in time and elects to hurdle him. F4, in getting up, makes contact with S1.

RULING: At the time S1 made a commitment to hurdle, F4 was lying on the ground. Therefore, S1 is legal, even if contact is made. If, by getting up, F4 contacts S1, F4 could be called for obstruction if he does not have the ball. 8-4-2c

SITUATION #11: With the bases loaded, B4 hits a deep fly ball to centerfield. S1's coach at third grabs S1 in the event F8 makes the catch. The ball goes over the fence for a home run. **RULING:** R1 is declared out because of his coach's assistance. The other runners score. If S1's out had been the third out, no runs would score. 3-2-2 Penalty

SITUATION #12: S1 is on first when B2 hits a grounder to right field. S1 misses second on the way to third base. Before reaching third, the ball is thrown out of play. S1 goes back to touch second, but B2 is on the base. **RULING:** S1 may touch the base occupied by a following runner. After touching the base, S1 shall be awarded two bases (home). 5-2-2b, 8-2-6, 8-3-3c

SITUATION #13: B1 enters the batter's box with a white bat. The coach of the opposing team complains to the umpire that the bat should be ruled illegal because a white ball cannot be easily seen

coming off a white bat, which would be a safety risk for the fielders.

RULING: A bat may be any color, including white, provided it meets all rule specifications. 1-3-5

SITUATION #14: S1 comes in for F7 in the second inning, but is not discovered. In the seventh inning, S1 comes in for F8 and is batting when the opposing team contends that S1 was a substitute earlier in the game. **RULING:** Unless the umpire has knowledge that S1 had in fact been in the game earlier, S1 cannot be treated as an illegal substitute. 3-1-1

SITUATION #15: (a) Before the pregame conference, or (b) after the pregame conference, Team A's coach decides not to start S1. **RULING:** Lineups become official after they have been exchanged, verified and then accepted by the umpire-in-chief during the pregame conference. In (a) lineup changes may be made without penalty. In (b) unless S1 is injured, ill or ejected, S1 shall pitch to one batter. If S1 does not pitch to one batter, S1 may re-enter the game but not as the pitcher. 1-1-1, 3-1-1, 3-1-2

SITUATION #16: On a passed ball, R1 slides at home making contact with F1 who is covering, but is ruled safe and returns to the dugout. As F1 approaches the mound, he makes an unsportsmanlike comment and is ejected. F1's coach, upset that F1 was ejected, tells the plate umpire that R1 should have been ejected because of malicious contact on R1's slide. The plate umpire agrees and calls R1 out and ejects him. R1's coach claims that the umpire's initial call should stand because it was a judgment call. **RULING:** Until the next pitch or an attempted play, the umpire may change his call. Therefore, the umpire is within his authority to change his call in the above situation, although the umpire made a serious error in changing his call the way he did. 10-1-4

SITUATION #17: Expecting a bunt, F3 positions himself (a) within 10 or so feet of the plate, or (b) halfway to home and charges the plate after the pitch is delivered. The batter's coach claims F3 is distracting his batter and could be seriously injured by a batted ball. **RULING:** The rules do not prohibit the fielder in (a) or (b) from being near home plate before or after the pitcher delivers the ball. 1-1-3

SITUATION #18: With one out and S1 on third and R2 on second, a ground ball is hit to the infield. A play is made at the plate on S1. F2's swipe tag misses S1 who also fails to touch home plate. The umpire, seeing F2 miss S1, gives a safe signal. S1 proceeds to the dugout thinking he is safe. The opposing team's coach

asks the umpire if S1 touched the plate. The plate umpire says he distinctly saw S1 miss the plate, but because he gave the safe signal, he was inclined to call him safe. The coach protests. The other team's coach claims that S1 would have tried to return and touch home plate had the umpire not made the safe signal. **RULING:** By rule, a runner shall touch the plate in order to score. Since the plate umpire observed S1 miss the plate, S1 shall be ruled out. 8-2-1 **COMMENT:** The umpire should not have given the safe signal.

SITUATION #19: S1 attempts to steal second. F2, upon receiving the pitch, throws a popup to F6. F5 yells "get back, get back". R1 thinks B2 has hit a popup and starts back to first where he is tagged out. **RULING:** This is verbal obstruction and S1 shall be awarded second base. 2-22-1

SITUATION #20: Illegal substitute S1 is at bat. On the pitch R1 steals second base and is safe. S1 did not swing or fake a bunt. Before the next pitch, S1, the illegal substitute, is discovered. **RULING:** S1 is out and ejected. Because S1 had nothing to do with R1's advance, R1 is allowed to remain at second base. 2-36-3, 3-1-1 **SITUATION #21:** The opposing coaches submit their lineup to the umpire-in-chief. However, not all of the players of the visiting team are at the field. The coach lists the players not at the game as the 8th and 9th hitters to give them time to arrive. **RULING:** This is not allowable. At the time the lineups are exchanged, all starters must be at the field. Therefore, the coach of the visiting team must replace the players not at the game. If the coach does not have enough players to start the game, the game is forfeited. 4-4-lf

SITUATION #22: Underneath F1's fielder's glove is a white batter's glove. B1 tells the umpire that the white batter's glove is distracting. **RULING:** Although the rules do not specifically prohibit a pitcher from wearing a white batter's glove, if the batter claims that it is distracting, then S1 would not be permitted to wear a white batter's glove underneath a fielder's glove. 6-2-lf

SOFTBALL

SITUATION #1: With S1 on first, B2 hits a foul fly ball that is caught by F5, who has one foot in dead ball area and the other in live ball area. Her momentum then carries her completely into dead ball area. **RULING:** As soon as F5 entered dead ball area completely with both feet, the ball became dead immediately. S1 is awarded second base. Because the

catch was made while one of B1's feet was in play, the catch is allowed. 5-1-l **SITUATION #2:** S1, while winding up, slides her pivot foot forward just off the pitcher's plate to enable her to pivot without catching her cleats as she turns to deliver a pitch. As a result, S1's foot is not in contact with the pitcher's plate when the ball is released. **RULING:** If S1 slides her pivot foot forward as she pivots, there is no penalty. However, if S1 slides her pivot foot forward without pivoting and loses contact with the pitcher's plate, she is guilty of an illegal pitch. 6-1-2c

SITUATION #3: With S1 on first, F2 returns the ball to S1 in the 16-foot circle after the pitch. With the ball in her throwing hand, S1 raises her arm (a) slightly and loosens up her arm, or (b) above her head to better position her jersey sleeves and to stretch her arm, or (c) and simply makes a motion as if to play on S1.

RULING: In the umpire's judgment, if the arm motion by S1 is an attempted play, S1 is released from base. Therefore, in (a) and (b) the umpire is unlikely to consider these acts as attempted plays. However, in (c) whether the arm is raised or drawn back sidearm or underhand, if in the umpire's judgment, S1 is making the motion in an effort to hold S1 close, the umpire shall consider such an act as an attempted play. 8-4-2k **Note**

SITUATION #4: S1 steps onto the pitcher's plate and looks to her coach in the dugout for a signal. **RULING:** This is legal, provided she at least gives the appearance that she has taken a signal from F2. 6-1-lb, 6-2-3

SITUATION #5: Must a team have six-inch numbers on the front and back of its uniform jerseys? **RULING:** No. Six-inch numbers will be required in '96, but only on the back of the uniform jersey. Numbers of any size may be worn on the front. 1-1-5

SITUATION #6: After releasing the ball simultaneously with the forward step, the pitcher continues her arm action (a) up and toward her head and then stops, or (b) up and around, stopping just before reaching her hip a second time.

RULING: In (a) it is a legal pitch because the action after releasing the ball is considered a follow through. In (b) it is an illegal pitch because the action after the release of the ball is considered to be a continuation of the windup. 6-1-4e **NOTE**

SITUATION #7: With S1 on second, B2 hits a fair ground ball down the right field line that is deflected into foul territory by F9. F9 retrieves the ball and throws to F2 in an effort to retire S1, who is attempting to score. F9's throw breaks the plane of the occupied or unoccupied designated media area but does not touch anything, including the ground, in the designated

media area. **RULING:** The ball remains alive, and the play stands. 1-2-3, 5-1-l **SITUATION #8:** While running to third base on a triple, Jones gets a cramp in her leg. She reaches third base safely but is unable to get rid of the cramp and leaves the game, forcing her team to play with eight players. In the seventh inning Smith takes a bad hop in the mouth, knocking out several teeth and has to leave the game. By this time, Jones no longer has a cramp and reports to the umpire as a substitute for Smith, batting in her original spot. **RULING:** This is not legal. Once a player leaves the game causing her team to play with eight players, that team may not return to nine players. Therefore, when Smith had to leave the game, her team must forfeit because it may not finish the game with less than eight players. 4-3-1f

SITUATION #9: S1, an unreported substitute, is batting for B2 instead of B3. While at bat, S1's coach realizes S1 is not batting for the correct player.

RULING: Since S1 became a legal substitute upon entering the batter's box when the ball became alive, S1 is officially at bat and B2 is considered out of the game. B2 could re-enter if she has re-entry eligibility and replace S1. 2-22-2, 3-1-2d, 3-1-4

SITUATION #10: S1, who is an illegal substitute, scores, but B4 is thrown out for the third out attempting to advance to second base. As both teams change positions, and before a pitch to the next batter can be made, the umpire is informed by the opposing team's coach that S1 is an illegal substitute. **RULING:** Even though both teams changed positions, a pitch had not been thrown to the next batter. Therefore, the previous play is nullified. S1 is ejected, her run does not count and B5 shall lead off the next inning. 2-22-3, 3-1-2 Penalty

SITUATION #11: B1's bunt rolls out the first base line where it hits B1's bat that was lying on the ground in fair territory. The ball deflects into foul territory. Is the ball fair or foul? **RULING:** The ball is foul, provided the bat was not placed there intentionally, because the bat is considered to be part of the playing field. 2-8-2, 8-4-lg

SITUATION #12: With two outs, S1 attempts to steal third. F2 obstructs B4 as B4 swings. F2 overthrows F5 at third trying to get S1. S1 attempts to score and is thrown out at the plate by F7.

RULING: The coach of the team at bat, after being informed of F2's obstruction, elects to have the penalty for catcher's obstruction enforced. Therefore, B4 is awarded first base and S1 is awarded third base. 8-1-1 e

SITUATION #13: On a hit and run with S1 on first base, B2 hits a groundball be-

tween first and second. F4 dives for the ball. S1 sees that she cannot avoid F4 in time and elects to hurdle her. F4, in getting up, makes contact with S1.

RULING: At the time S1 made a commitment to hurdle, F4 was lying on the ground. Therefore, S1 is legal, even if contact is made. If, by getting up, F4 contacts S1, F4 could be called for obstruction if she does not have the ball. 8-3-2, 8-4-2c Note

SITUATION #14: The right field fence is 180 feet. The opposing coaches agree to a ground rule that provides for a double instead of a home run if the batter hits the ball over the fence. **RULING:** The umpire(s) shall not permit ground rules to supersede a rule book rule. Therefore, a batted ball that clears the fence in fair territory shall be a home run. 4-1-3

SITUATION #15: S1 is on first when B2 hits a grounder to right field. S1 misses second on the way to third base. Before reaching third, the ball is thrown out of play. S1 goes back to touch second, but B2 is on the base.

RULING: S1 may touch the base occupied by a following runner. After touching the base, S1 shall be awarded two bases (home). 8-2-6, 8-3-3c

SITUATION #16: B1 enters the batter's box with a white bat. The coach of the opposing team complains to the umpire that the bat should be ruled illegal because a white bat cannot be easily seen coming off a white bat, which would be a safety risk for the fielders.

RULING: A bat may be any color, including white, provided it meets all rule specifications. 1-3-5

SITUATION #17: (a) Before the pregame conference ends, or (b) after the pregame conference ends, Team A's coach decides not to start F1. **RULING:** Lineups become official after they have been exchanged, verified and then accepted by the umpire-in-chief during the pregame conference. In (a) lineup changes may be made without penalty. In (b) unless S1 is injured, ill or ejected, S1 shall pitch to one batter. If S1 does not pitch to one batter, S1 may re-enter the game but not as the pitcher. 1-1-1, 3-1-1, 3-1-3, 4-1-1

SITUATION #18: The umpire notices B1's bat has dimples in the barrel. **RULING:** This is an illegal bat. If B1 has not entered the batter's box, the umpire can ask the batter to obtain a legal bat. If B1 has entered the batter's box, the umpire shall declare the bat illegal and B1 shall be declared out. 7-4a

SITUATION #19: With one out and S1 on third and R2 on second, a ground ball is hit to the infield. A play is made at the plate on R1. F2's swipe tag misses S1 who also fails to touch home plate. The umpire, seeing F2 miss S1, gives a safe signal. S1 proceeds to the dugout thinking

she is safe. The opposing team's coach asks the umpire if S1 touched the plate. The plate umpire says he distinctly saw S1 miss the plate, but because he gave the safe signal, he was inclined to call her safe. The coach protests. The other team's coach claims that S1 would have tried to return and touch home plate had the umpire not made the safe signal.

RULING: By rule, a runner shall touch the plate in order to score. Since the plate umpire observed S1 miss the plate, S1 shall be ruled out. 8-2 Penalty

COMMENT: The umpire should not have signaled safe.

SITUATION #20: B1 squares to bunt and hits the pitch. The batted ball bounces off the plate and (a) hits B1's leg or (b) B1's bat a second time while B1 is in the batter's box (no foot is entirely outside the batter's box). **RULING:** In (a) and (b) it is a foul ball, unless B1 intentionally contacted the ball a second time. 7-3-2

SITUATION #21: S1 attempts to steal second. F2, upon receiving the pitch, throws a popup to F6. F5 yells "get back, get back". S1 thinks S2 has hit a popup and starts back to first where she is tagged out. **RULING:** This is verbal obstruction and S1 shall be awarded second base. 2-5-4, 8-3-2

SITUATION #22: Team A is utilizing the designated hitter for S1. In the fourth inning, the DH singles to right field. S1 comes in to run for the designated hitter. Is a courtesy runner allowed to enter the game for S1 before a pitch is thrown? Is the role of DH terminated or may the DH re-enter as a DH? **RULING:** A courtesy runner may be used for S1. The DH is out of the game but may re-enter if she has re-entry privileges, but not as the DH. The role of DH was terminated when S1 entered the game on offense. 3-1-5

SITUATION #23: Illegal substitute S1 is at bat. On the pitch S1 steals second base and is safe. S1 did not swing or fake a bunt. Before the next pitch, S1, the illegal substitute, is discovered.

RULING: S1 is out and ejected. Because S1 had nothing to do with R1's advance, S1 is allowed to remain at second base. 3-1-1

TRACK & FIELD

Clarification of Rules 7-4-3 and 7-4-7 Rule 7, Section 4, Article 3

To decrease the potential for injury in the sport of pole vaulting, the rules require the vaulter to use a "pole rated at or above the vaulter's body weight." Since the inception of the fiberglass pole, manufacturer's have indicated that vaulters should not use poles rated below their

body weight. In the opinion of the rules committee, there has been an increasing tendency to use softer poles (pole rated below the vaulter's body weight) which may increase the potential for injury. This change represents a desire by the rules committee to keep the high school vaulter on the landing pad, hopefully in the center. Also, every pole has a safe hand holding zone, of which the top is usually located six inches from the top of the pole. Two manufacturers did manufacture poles with a safe top hand-hold position three inches from the top of the pole. One of those two manufacturers is making a change to six inches while the other is considering remaining at three inches. The new rule requires that the top of the safe hand-hold zone be clearly marked with a one-inch circular band around the pole in a contrasting color. Poles that schools have in their existing inventory can easily be marked by the coach to comply to this rule change (7-4-3). Those poles may be marked with a label or with a permanent marking pen of a color that contrasts to the pole, with one inch numerals above the top hand-hold band. The bottom of the band should be placed six-inches from the top of the pole with one inch vinyl tape. It is suggested that the coach initial and date the label. New poles with manufacturer markings will be accepted as marked by the manufacturer. When the vaulter holds above the safety zone it changes how the pole bends and may have a negative affect concerning the vault. Holding above the top hand hold marking could cause the pole to bend excessively and, therefore, not perform properly. The intent of the rules committee is to place the responsibility on the coach to verify the vaulter is using the properly rated pole (rated at or above the vaulter's weight). Since there is enough pressure on schools to obtain judges for the various events in dual meets now, the committee did not want to complicate that problem, nor to place the responsibility on the event judge as to whether the vaulter is using a properly rated pole. As a means to monitor what is happening across the country, it would be helpful if the coach or competitor would give the weight of the vaulter to the event judge when they check in prior to competition. The event judge could easily record this information next to each competitor's name. However, this will not be a requirement for 1995, unless the state association decides to use a process that would require this. The state association may also go a step further by requiring the event judge to check the vaulter's pole to insure the vaulter only uses a pole rated at or above the vaulter's weight. Prior to competition, the referee or head field judge should inspect each

pole to be used in the competition to verify that the poles are legal equipment. Items to be checked include the placement of a top hand-hold band, numerical pole rating in one inch numerals above the top hand hold band and the proper binding of not more than two layers of adhesive tape of uniform thickness (note that the binding should not be on or above the top hand-hold band). Once the poles are verified by the official as being legal equipment, it is the responsibility of the coach and vaulter to insure that only the properly rated pole is used. At this time, there is no specific penalty for using a pole rated below the vaulter's weight or holding above the top hand hold band. We know that coaches understand the need to improve the safety of this event and will continue to work toward that end. The committee is also confident that coaches will instruct the vaulter as to the proper use of the pole to include not using a pole rated below the vaulters weight or gripping the pole above the safety zone. Coaches in other sports are asked to verify that their athletes are wearing or using legal or proper equipment, so this is certainly not a new procedure.

Rule 7, Section 4, Article 7
Regarding hard or unyielding surfaces, it

is recommended that concrete, metal, wood or asphalt that may extend out from under the landing pad be cut away and removed. The second option is to pad these hard surfaces with a minimum of two inches of dense foam or other suitable material(s). We have been asked how far should one pad out from the landing pad? The size of the landing pad and length of poles being used by the vaulters is certainly a determining factor. When using a larger landing pad (larger than 16'6"), three to four feet of additional padding should be sufficient. However, when using the smaller landing pad (16'), and using longer poles (14' or longer), it may be necessary to pad out a longer distance. In other words, pad out as far as the longest pole can carry the vaulter on an errant vault. Another question frequently asked, is when the landing pad is located next to the asphalt track, how can you pad the curb or track and conduct running events? You cannot. We suggest that the pole vault event begin much earlier so there is no interference with the running events. The adoption of rules 7-4-3 and 7-4-7 may not eliminate all possible injuries, but the adherence to these rules should reduce the potential for injury. We all must continually strive to reduce the potential of injury re-

lating to the sport of pole vaulting and the adoption of these new rules is certainly a positive step in that direction.

SITUATION #1: At the 1200 meter mark of the 1600 meter run, the umpire (a) observes a runner checking his wrist watch for a split time, or (b) hears an audible beep from a runner's watch. He reports the incidents to the meet referee.

RULING: No infraction in (a) or (b). 4-5-9 Comment: Although several complaints have emerged about "beeping" watches, the rules do not prohibit a watch whose beep may be both distracting to other runners and/or also serve as a pacing aid.

SITUATION #2: Members of relay team A report to the clerk wearing identical school issued uniforms with (a) 1-1/2" x 1-1/2" manufacturer's logo on each item of uniform apparel, except the jersey which (b) had an American flag on the upper left chest and measured 2" x 3".

RULING: Legal in both (a) and (b). 4-3-1 Comment: Manufacturer's logo's shall not exceed 2" x 2", (1-1/2" x 1-1/2" beginning with the 1997 spring season). Also, the rules now permit the wearing of the American Flag on the uniform, which shall not exceed 2" x 3".

"HIGH SCHOOL SPORTS — A CAPITAL INVESTMENT"
NFICA/NFIOA NATIONAL CONFERENCE AND COACHES/OFFICIALS SCHOOL — JULY 13-17, 1995
OMNI-SHOREHAM HOTEL — WASHINGTON, D.C.
CONFERENCE SPECIAL-ROOM RATE \$79.00 SINGLE/FAMILY

Washington, D.C.

Probably more so than any of the previous eight national conferences, this year's meeting in Washington, D.C. is a great opportunity to combine a professional development experience with a family vacation. No city in America offers more sight-seeing opportunities than our nation's capital.

And the conference will be held at one of Washington's most historic hotels, the Omni Shoreham. Located in Rock Creek Park in the heart of Washington, D.C., the Shoreham is just minutes from the Smithsonian, the Capitol and other landmarks. Since its opening in 1930, the Shoreham has been dedicated to the social customs and politics of the nation's capital. All inaugural balls of presidents from Franklin Roosevelt to Bill Clinton have been held at the Shoreham.

And the National Federation has obtained an outstanding room rate of \$79 (which includes husband, wife and children) at the Shoreham, which makes a family vacation even more appealing and affordable.

The "Old Town Trolley Tours of Washington" departs every half hour across the street from the Shoreham. By taking the trolley, you can see the following Washington landmarks: FBI Building/Ford's Theatre, White House, National Geographic Society, Washington Harbor, Lincoln Memorial/Vietnam Vets Memorial, Arlington National Cemetery, Washington Monument, Smithsonian and the Capitol/Library of Congress.

Camden Yards Tour

Saturday afternoon and evening, July 15, will be free time for conference attendees, and, assuming the baseball strike is over by then, a trip to Baltimore is being planned.

Oriole Park at Camden Yards is one of the new, modern facilities in major league baseball and is a must-see for baseball fans. The approximate cost of this tour, which includes transportation, meal and ticket to the game, will be \$30.

Don't miss this opportunity to combine a great professional learning experience with a family vacation in our nation's capital.

Previous Speakers

George Brett and Leta Andrews.

NFL Referee Jerry Markbreit.

Learn From the Experts

The list of speakers from the previous eight conferences reads like a who's who in the coaching and officiating professions.

Former football coaches who have spoken at this conference include Pittsburgh's Johnny Majors, Rice's Ken Hatfield, Brigham Young's LaVell Edwards, Colorado's Bill McCartney, Louisville's Howard Schnellenberger and high school coaches Bob Shannon of East St. Louis High School and Pete Adkins of Jefferson City (Missouri) High School.

Here are just a few of the country's top basketball coaches who have given of their time to speak at this conference: Missouri's Norm Stewart, St. Louis' Charlie Spoonhour, Ohio State's Randy Ayers, former Southern California coach George Raveling, Connecticut's Jim Calhoun, Indiana's Bob Knight, former Kansas and UCLA coach Larry Brown, former UCLA legendary coach John Wooden, and high school standout Bob Hurley of St. Anthony High School in Jersey City, New Jersey.

Other individuals who have been a part of past conferences include President Bill Clinton when he was governor of Arkansas, Kansas City Royals legend George Brett, high school and college basketball official Ed Hightower, two-time Heisman Trophy winner Archie Griffin, National Football League official Jerry Seaman and former Miss America Dr. Debbye Turner.

Conference Program

This year's program will feature a balance between general sessions and the "Xs and Os" workshops, as well as a balance between speakers from the college and professional ranks and ones from the high school level.

During the workshop sessions, coaches and officials will be able to choose the sport and topic of their choice. Officiating and coaching sessions will be offered in the sports of baseball, basketball, football, golf, soccer, softball, swimming, track, volleyball, wrestling, tennis and cheerleading/spirit, and for the first time, lacrosse. Time is allowed during every workshop for attendees to ask questions and "pick the brain" of the experts.

The conference luncheon will feature the awarding of rings to the national coaches of the year and top officials in 10 sports. MetLife is paying expenses of the award recipients.

The annual banquet, complete with entertainment, 50/50 raffle and door-prize drawings, will be held during the final evening of the conference.

All in all, every coach and official in attendance can be sure to leave the four-day conference with some new ideas to assist them in their daily work.

NATIONAL EXAM TEST DATES

The following schedule of testing has been set by the National Federation for its Part II tests for the 1995-96 school year:

Volleyball	Aug. 21, 1995
Football	Sept. 11, 1995
Basketball	Dec. 4, 1995
Wrestling	Dec. 4, 1995
Baseball	March 19, 1995

NEXT KHSAA BOARD MEETINGS

The next scheduled Board of Control meeting will be held May 11-12 at the KHSAA Offices in Lexington. It will be the last scheduled meeting of the 1994-95 school year. The new Board of Control will kick off its schedule in July at Lake Barkley.

The Board of Control's Hall of Fame Committee, which was scheduled to meet in April, will hold its annual meeting to select the 1996 class of inductees on May 11.

(RULES, From Page 19)

SITUATION #3: Three competitors have cleared 6' in the high jump competition. All missed three attempts at 6'1", and all three had one miss at 6'. Also, all jumpers have the same number of unsuccessful trials throughout the competition. A1 has 10 total attempts, B1 has 12 total attempts and C1 has 11 total attempts. How do the competitor's finish? **RULING:** Competitor A1 is awarded first, C1 is second and B1 third. 2-2-2ll; 7-3-17; 7-4-27
Comment: The first step to break a tie is to award the competitor with the fewest number of trials for the height at which the tie occurs, i.e., the last height successfully cleared. The second step, if the tie remains, awards the place to the competitor with the fewest total number of unsuccessful trials throughout the competition. The third criteria was added to the tie breaking procedure in the high jump and pole vault for 1995, the competitor with the "least number of attempts throughout the competition, shall be awarded the higher place."

SITUATION #4: After setting the pole

vault standards in preparation of his first trial, A1 takes his place on the runway. At the same time, the event judge starts his stopwatch to monitor the two minute time limit for A1 to initiate his attempt at 13'. A1 starts his approach for the first trial, but stops mid-way down the runway and returns to his starting position. On the second approach, A1 stops again and returns to the start position once more. Now A1 realizes he cannot initiate a trial in the time remaining and calls "PASS." The event judge informs A1 that his first trial will be recorded as a miss and he now only has two remaining. A1 then misses his next two attempts at 13'. The coach of A1 appeals the decision of the event judge, citing that when A1 called "PASS," and therefore that trial should have been carried over to the subsequent height. **RULING:** Appeal denied. 7-4-11;
Comment: Competitors in the jumping events have abused the established time limits. Competitors have used the pass as a means to circumvent the time limit to initiate a trial. Therefore, competitors in the jumping events must declare their intent to pass when they are called by

the event judge for a trial, or prior to the start of the clock to measure the allowed 1-1/2 or 2 minutes to complete the jump. Certainly, if the event judge determines that interference occurs to the competitor, i.e., someone blocking the runway, or someone crossing in front of the competitor, or conditions cause delay (such as a crossbar blowing off the standards), the competitor could receive a new start on the time limit. But these factors don't include hesitation or delay by the competitor without any other interference factors.

SITUATION #5: The coach of Team A is video-taping A1's trials in the high jump. Between trials, A2 leaves the area to view a replay of the videotape as the coach points out errors in technique.

RULING: A1 shall be disqualified. (4-5-9e)

Comment: While it is permissible for a coach to "confer" with a contestant between events or trials, pictures, or videotapes are considered an illegal aid when utilized for coaching purposes prior to the completion of competition.

COACHES CERTIFICATION

KHSAA Bylaw 27 -- Beginning with the 1996-97 school year all Level I coaches hired for the first time in a district, and all Level II and III coaches, shall have completed an approved coaching education program prior to such hiring. Such course shall include a nine-hour course of study to include the National Federation Interscholastic Coaching Education Program (NFICEP), KHSAA rules information and local district policies. All course requirements for certification in the coaching education program, including completion of the exam to be graded and registered with the American Coaching Effectiveness Program, shall be completed within one year or prior to the next competitive season. All member schools of the KHSAA shall pay the necessary expenses for all Level I and II coaches to attend the education program.

The Kentucky High School Athletic Directors' Association has set in motion this plan and initiated the training process. The following are clinic dates for the **Kentucky Coaches Education Program**:

Coaches Medical Symposium Schedule

Once again, the Kentucky Medical Association will conduct the annual Medical Symposia to allow coaches to comply with Bylaw 27.

Pointers for this year... If you cannot stay the whole day, don't go to the meeting. You must be present at the beginning and at the end of the meeting to receive credit.

Bylaw 27 states that ALL head coaches in all sports attend a medical symposium once every two years. If you did not attend in 1994, you must attend this year. Fees for the seminars are usually \$20 in advance, \$30 at the door. Several charge an additional \$5 if lunch is provided. The requirements have been revised -- six hours of instruction is now required instead of seven. Note -- a cancelled check WILL NOT be used to prove attendance!

The following are the dates for the remaining symposiums:

May 25 - BioKinetics, Paducah. Contact Dondii Cummings (502) 443-0378.

June 3 - University of Louisville. Contact Lynette McGinnis (502) 852-5329.

June 9 - Trover Clinic, Madisonville. Contact Dr. Bowles or Dr. Roe (502) 825-7435.

June 10 - Jewish Hospital, Shelbyville. Contact Linda Shelburn (502) 647-4000 or (502) 589-0213.

June 17 - Jenny Wiley State Park, Prestonsburg. Contact Jay Eckleberry (606) 323-5535 ext. 246.

June 17 - Kings Daughters Medical Center, Ashland. Contact Paul Castle (606) 327-4649 or Paula Ferreby (606) 329-0204.

June 24 - Kentucky Clinic, 740 South Limestone, Lexington. Contact Jay Eckleberry (606) 323-5535 ext. 246.

July 8 - Union College Student Center, Barbourville. Contact John McMullen (606) 255-6841 ext. 5029.

July 14 - Western Kentucky University, Downing University Center, Bowling Green. Contact Jackie Walker (502) 782-7800.

July 22 - Northern Kentucky University, Highland Heights. Contact Bob Bove, (606) 572-5118.

June 24 - CHEERLEADING COACHES ONLY, French Quarter Suites, Lexington. Only for those cheerleading coaches registered for KAPOS summer meeting. Contact Lee Ann Clark, (606) 268-0268.

Makeup

Coaches hired for the first time in a school following the last day of the school year may attend a makeup symposium. Other coaches (not newly hired) may be worked into the program as space permits, but will pay a \$50 late fine in addition to the registration fee.

October 7 - Eastern Kentucky University, Richmond. Contact Lee Ann Clark (606) 268-0268.

October 7 - Brown Hotel, 4th & Broadway, Louisville. Contact Sheila Bolus (502) 629-8675.

ATTENTION A.D.s - COACHES!

Don't forget to submit football and basketball schedules to the KHSAA by May 12. Open dates will be compiled by the KHSAA and distributed upon request.

Fine Schedule Adopted For '95-96

Bylaw Change Effective June 1

After nearly a year of study, the Board of Control has instituted a schedule of fines in accordance with the findings of the Task Force on Interscholastic Athletics. As a result, and in accordance with the change in Bylaw 30, the KHSAA Commissioner may assess a monetary fine against an individual or member school for the following offenses:

A maximum of \$25 for

a - Failure to notify game officials of change in game site or time.

A maximum of \$50 for

a - Late school information sheet (Form 5) or other required documents to association.

b - Failure to attend the required KHSAA rules clinic for coaches and/or officials. Payment of this fine entitles attendance at makeup clinic but does not prevent further penalties already prescribed for failure to attend clinic from being imposed.

c - Unsanctioned contest against out of state schools.

d - Late membership dues payment.

e - Late reporting of participation list for catastrophic insurance verification.

A maximum of \$100 for

a - Filming or videotaping of a contest by nonparticipating schools without approval of competing teams and/or tournament manager.

b - Failure to properly certify athletes with respect to age.

c - Removal of team from field or court prior to completion of game.

d - Failure to provide proper game administration personnel at contest site.

e - Coaches criticizing specific contest officials to media.

f - Use of nonregistered officials.

g - Late tournament information from schools including team pictures.

h - Late submission of tournament manager financial report and/or tournament proceeds.

A maximum of \$200 for

a - Illegal practice.

b - Violation of sports season.

A maximum of \$300 for

a - Arrangement for a makeup rules clinic following the last scheduled makeup clinic.

b - Use of an ineligible player when the facts were present to prevent such usage.

c - Use of athlete without proper physical examination.

d - Ejection of player for fight/unsportsmanlike conduct in games when athlete's eligibility in that sport has been exhausted.

A maximum of \$500 for

a - Team leaving bench and coming into playing area during altercation/fight.

b - Team involved in fight before or after contest (from time of arrival to time of departure.)

Official's Fees Reduced For Students

BOARD MINUTES

January 19, 1995

The Board of Control of the Kentucky High School Athletic Association met at the KHSAA Office in Lexington on Thursday, Jan. 19, 1995. President Frank Cardwell called the meeting to order at 8:30 p.m. Present were all Board members except Bill Beasley, Tom Bryant and Wendell Thomas. Also present were Commissioner Louis Stout, Executive Assistant Brigid DeVries, Assistant Commissioner Larry Boucher, Business Manager Julian Tackett, S.I.D. Brooks Downing, attorney Danny Reeves and Ernie Tacogue, representing the State Dept. of Education. The Invocation was given by Stan Steidel. Mr. Stout reported that Mr. Bryant was absent due to illness.

Frank Welch made a motion that the minutes of the Dec. 2-3, 1994, meeting be approved. Ozz Jackson seconded the motion, which passed unanimously.

Bob Rogers made a motion that the minutes of the West Eligibility Committee Meeting of Dec. 1, 1994 be approved. Tasso Harris seconded the motion, which passed unanimously.

Frank Welch made a motion, seconded by Tasso Harris, that the bills of the Association for the period Nov. 1 through Dec. 31, 1994, be approved. The motion passed unanimously.

The 1994-95 Budget Report was then presented for discussion. Commissioner Stout pointed out that all fall sports tournament receipts exceeded those of 1993. These sports included Cross Country, Football, Volleyball and Soccer. Following questions and comments, Ken Cox made a motion, seconded by Teresa Isaac to accept the Budget Report. The motion passed unanimously.

President Cardwell then explained the procedure for the Delegate Assembly Meeting and how the proposals would be presented. Bob Rogers requested that the Staff check the dates for the high schools' assessment period in 1996 to be sure the Annual Meeting did not conflict with this schedule. It was also requested that Mr. Tacogue check with the State Department of Education to see if attendance at the seminars to be conducted at the Annual Meeting on Feb. 9 could be counted toward leadership hours.

A discussion of the proposals to be submitted to the State Department by the Board of Control pursuant to 702 KAR 7.065 ensued. Following a discussion of Bylaw 5, Sec. 1(a), Tasso Harris made a motion that "...must be passing in 66% of subjects in grade 8 to be eligible in grade nine" be added to the bylaw. Teresa Isaac seconded the motion which failed by a vote of four in favor and nine opposed. Bob Rogers then made a motion, seconded by Cookie Henson, that Bylaw 5, Sec. 1 and Sec. 2, be amended as presented. The motion passed unanimously.

Mr. Cardwell advised the Board that further discussion of the proposals would be held until after all other Agenda items were complete.

The next items on the Agenda were the hearing of appeals. Prior to each appeal, Mr. Cardwell explained to the appellant the procedure for presentation. Each party was allowed to present his/her case and distribute to the Board any additional information relative to the case. After each presentation, the Board went into Executive Session. Following return to Open Session a motion was made to either grant or deny the appeal. A roll call vote was taken by the Secretary. The appellants were advised of the decision of the Board and Mr. Cardwell explained the Due Process Procedure in the event the appeal was denied. It was determined that nine (9) affirmative votes were needed to pass a motion or grant eligibility.

Following is the disposition of each appeal:

- 1) Jason Dale - Lexington Catholic HS - Bylaw 6
Stan Steidel made a motion to grant appeal. Tasso Harris seconded the motion which passed unanimously.
Teresa Isaac left the meeting.
- 2) Lena Sewell - Barren County High School - Bylaw 6
Grant Talbott made a motion to grant appeal. Ken Cox seconded the motion which passed unanimously.
Mr. Cardwell removed himself from the proceedings and did not take part in the discussion or vote on the next appeal.
- 3) Eric Yorgason - Franklin-Simpson High School - Bylaw 6
Bob Rogers made a motion to grant appeal. Tasso Harris seconded the motion which passed by a vote of 9-2.
Mr. Cardwell returned to the meeting.
- 4) Sean Curtis - Christian Academy of Louisville - Bylaw 6
Ozz Jackson made a motion to grant appeal. Ken Cox seconded the motion which failed by a vote of 7-5.
President Cardwell called for a lunch break. Stan Steidel left the meeting.
- 5) Robert Hayes - Christian Academy of Louisville - Bylaw 6
Ozz Jackson made a motion, seconded by Cookie Henson, to grant the appeal. The motion failed by a vote of 3-9.
Stan Steidel returned to the meeting.
- 6) Jeremy Johnston, Muhlenberg South High School - Bylaw 6
Grant Talbott made a motion to grant the appeal. Ozz Jackson seconded the motion which passed 10-2, 1 abstention.
Ken Cox left the meeting.
- 7) Gary Shackelford - James A. Cawood High School - Bylaw 4
Bob Rogers made a motion, seconded by Darrell Treece, to grant appeal. The motion passed unanimously.
- 8) Michael Jett - Larry A. Ryle High School - Bylaw 6
Stan Steidel made a motion to grant the appeal. Grant Talbott seconded the motion which passed unanimously.
- 9) Barry Rutherford - Allen County-Scottsville HS - Bylaw 6
Ozz Jackson made a motion to grant the appeal. Tasso Harris seconded the motion which passed by a vote of 11-1.
- 10) Jason Sharp - Owen County High School - Bylaw 4
Darrell Treece made a motion to table the appeal. Tasso Harris seconded the motion which passed unanimously.
- 11) Stewart Cooley - Northern Middle School (Pulaski Co.) - Bylaw 4. Did not appear at the hearing.
Stan Steidel left the meeting.
- 12) Michael Burchfield - Ballard High School - Bylaw 6
Claudia Hicks made a motion, seconded by Grant Talbott, to grant appeal. The motion passed 10-1.
- 13) Heather Nance - Franklin County High School - Bylaw 6

President Cardwell called for a recess until Friday, Jan. 20, 1995, at 8:30 a.m.

January 20, 1995

Vice President Ozz Jackson called the meeting to order at 8:30 a.m. on Friday, Jan. 20, 1995, with the following persons present: all Board members with the exception of President Frank Cardwell, Bill Beasley, Tom Bryant, Teresa Isaac and Wendell Thomas; Commissioner Louis Stout, Executive As-

sistant Brigid DeVries, Assistant Commissioner Larry Boucher, Business Manager Julian Tackett, S.I.D. Brooks Downing, Board attorney Danny Reeves and Randy Kimbrough, representing the State Dept. of Education.

Grant Talbott, Chairman of the All-Sports Committee, was called for his report and made the following recommendations:

1) The officials registration fees for full-time college students be reduced to \$15.00/first sport and \$10.00/second sport. Fees for officials serving the Association for 25 years will be waived. Both items are to take effect beginning with the 1995-96 registration period. Bob Rogers seconded, motion passed.

2) Table a recommendation for softball and volleyball alignments.

3) Increase the number of players on the Volleyball All-Tournament Team from 12 to 15. Tasso Harris seconded, motion passed.

4) Consider the sites in Richmond of the Arlington Country Club for the Girls' State Golf Tournament and the Gibson Bay Golf Course for the Boys' State Golf Tournament for 1995. A rotation of state tournament sites is being considered. Tasso Harris seconded, motion passed.

Mr. Harris expressed his concern that after being ruled eligible by the Board, athletes could participate immediately. He therefore made a motion, seconded by Cookie Henson, that the Board require five practices in all sports except football, which requires 10 practices, before participation after being ruled eligible. The motion failed 6-5.

Ken Cox, Chairman of the Basketball Committee then gave the following report and asked that it be approved.

1) Due to the fact there are presently 25 teams in Region 9, the committee is asked to consider a realignment. He asked Mr. Boucher and Mr. Stout to ascertain further information regarding regions 8, 9 and 10.

2) Requested that the Board approve either a wide seam or narrow seam ball prior to the 1996 District Tournament.

3) Reported that the Committee tabled a request for consideration of three-man officials due to a lack of officials in some areas.

4) Committee will draft a letter to schools asking that they consider five double-headers with boys and girls playing on prime time nights.

5) Committee discussed tournament rotation with no recommendation.

6) Committee was asked to study summer camps/activities.

Ken Cox made a motion that their report be approved. Grant Talbot seconded the motion which passed unanimously.

The Board of Control then made recommendations that officials be assigned for the Boys' and Girls' District and Regional Basketball Tournaments in the following manner as requested from input by the Board members represented schools:

Reg.	Dist Off	Reg Off	Region #	Dist Off	Reg Off
1	In	Out	10	In	In
2	In	Out	11	In	Out
3	In	Out	12	In	Out
4	In	Out	13 (B)	In	Out
5	In	Out	13 (G)	Out	Out
6	In	In	14 (B)	Out	Out
7	In	In	14 (G)	Out	Out
8	In	Out	15	Out	Out
9	In	In	16	In	Out

Mr. Jackson then called on Ken Tippet for Corporate Sponsor proposals regarding game balls. Following his presentation, Frank Welch made a motion, seconded by Bob Rogers, that the proposals submitted by Molten Company and Wilson Company be accepted. Terms of the agreement from Molten

included furnishing basketball, soccer and volleyballs for the Region and State Tournaments and a financial remuneration of \$26,000.00 per year for five years. Also included in its proposal was the awarding of Gold Award Balls for MVP and team champions. The terms of the Wilson Company included furnishing football, baseball and softballs and a remuneration of \$6,000.00 per year for five years. The motion passed unanimously.

The following reports were presented for the Board's information only:

1) Mr. Stout advised the Board of the eligibility rulings for the period Oct. 11 - Dec. 31, 1994.

2) Mr. Stout and Ms. DeVries gave an update of the All-Star Jam which will take place during the Boys' Basketball Tournament. Board members questioned activities going on during the games and whether proceeds would be coming to the KHSAA. Mr. Stout also announced that a company was working with the Sweet Sixteen Committee on displaying an Olympic exhibit.

3) Mr. Stout went over the time schedule for the Annual Meeting. Ms. Mays reported that as of 1/19/95, 93 Delegates had notified the KHSAA they would be in attendance. Ms. Kimbrough advised the Board that the schedule was being devised for the 1996 assessment period and she will notify staff of dates.

Commissioner Stout announced the regional basketball tournament sites:

REGION	BOYS	GIRLS
1	Murray State U.	Murray State U.
2	Hopkinsville	West Hopkins
3	Butler County	Ohio County
4	Western Ky U.	Allen Co-Scottsville
5	Green County	Hart County
6	Valley	Valley
7	Ballard	Ballard
8	Henry County	Oldham County

12	Danville	Pulaski SW
13	Middlesboro	Clay County
14	Breathitt County	Hazard
15	Sheldon Clark	Shelby Valley
16	Morehead State/Russell	Boyd County

Principal Guy Strong was then called on for his presentation. He requested to appear before the Board to express concerns in several areas—procedures for changes to the Constitution and Bylaws; 4A football alignment and official assignments. Following his presentation and comments by the Board members, Grant Talbott made a motion, seconded by Stan Steidel, that the Board go into Executive Session to discuss personnel matters. The motion passed.

The Board then returned to Open Session and, after taking no action, continued a discussion of proposals to be submitted to the Delegate Assembly. Bob Rogers made a motion, seconded by Tasso Harris, that the following proposals be submitted for consideration by the Delegate Assembly: 1) Principal George Frakes, Highlands HS, change to Bylaw 8, Contestant on Other Teams, Post Season and All-Star Games; 2) Coach Steve Frommeyer, Eminence HS, change to Bylaw 25, Limitation of Seasons, 4. Football; 3) Principal Janice Fish, Atherton HS, change to Bylaw 25, Limitation of Seasons, 11. Volleyball; 4) Ath. Dir. Stan Steidel, Dayton HS, amendment to Article VIII, Contests, Sec. 1 & Sec. 2; 5) Principal Joe Burks,

Frankfort Chosen As State Wrestling Site

BOARD MINUTES

March 24, 1995

The Board of Control of the Kentucky High School Athletic Association met at the Holiday Inn Capital Plaza in Frankfort on Friday, March 24, 1995. The meeting was called to order at 8:30 a.m. by President Frank Cardwell with all Board members present except Bill Beasley and Wendell Thomas. Also present were Commissioner Louis Stout, Exec. Asst. Comm. Brigid DeVries, Asst. Comm. Larry Boucher, Bus. Mgr. Julian Tackett, Ken Tippett, Adm. Secretary Anne W. Mays, Board Attorney Danny Reeves and Randy Kimbrough was present from the State Department of Education.

Frank Welch made a motion to approve the Minutes of the Jan. 19-20, 1995 Board meeting. Ozz Jackson seconded the motion which passed unanimously.

Bob Rogers made a motion to approve the Minutes of the Teleconference held on Jan. 31, 1995. Grant Talbott seconded the motion which passed unanimously.

Claudia Hicks moved to approve the East Eligibility Committee Meeting held on March 8, 1995. Teresa Isaac seconded the motion passed unanimously.

The March 16, 1995, minutes of the Appeals Hearings were not available for consideration.

Ozz Jackson made a motion to approve the bills of the Association for the period beginning Jan. 1 and ending Feb. 28, 1995. Frank Welch seconded the motion which passed unanimously. A discussion ensued regarding the 1994-95 Working Budget as of Feb. 28, 1995. Following comments and a report on anticipated boys' basketball tournament receipts, Teresa Isaac made a motion to accept the Budget Report. Tom Bryant seconded the motion which passed.

Commissioner Stout presented a recommendation to the Board that Frankfort be the site of the 1996 State Wrestling Tournament. He cited several advantages to moving the tournament from Louisville to the Farnham Dudgeon Civic Center. Stan Steidel made a motion to accept the recommendation of the Commissioner. Tom Bryant seconded the motion which passed 13-1.

President Cardwell then called on Mr. Tackett for the next item on the Agenda concerning bid solicitation for 1997-2000 Girls' State Basketball Tournament sites and Association insurance, i.e. liability, catastrophic and secondary medical. Stan Steidel made a motion to grant authorization to KHSAA staff to solicit bids and submit to the Board for review at the May Board meeting. Kathy Hopper seconded the motion which passed unanimously.

Mr. Boucher presented the proposed 1995-96 Soccer alignment for the Board's comments and approval. Following questions and comments and some concerns expressed by the Board, Claudia Hicks made a motion that the Board accept the Commissioner's recommendation as submitted. Cookie Henson seconded the motion which passed 11-3.

Commissioner Stout discussed a proposal he received from Christian County High School which would allow schools to play slow pitch softball in the fall and fast pitch softball in the spring. It was his recommendation that this proposal be tabled until after the current season in order that an assessment could be made. Teresa Isaac moved to accept the Commissioner's recommendation. Tasso Harris seconded the motion which passed unanimously.

The Board then discussed three proposals to Bylaw 27, Requirements for Coaches, submitted by Principal Perry Sangalli of St. Xavier High School. One of the main objections

to Proposal II was the deletion of 64 hrs. of college credit. Following a lengthy discussion, Stan Steidel then made a motion that the Board adopt Proposal I but ask the Coaches Certification Committee to meet with Commissioner Stout and Randy Kimbrough to consider how to implement for approval to the State Board of Education. Tasso Harris seconded the motion. Following further discussion and questions, Mr. Steidel and Mr. Harris withdrew their motion and second. Mr. Steidel then made a motion that the Commissioner's Office send a letter along with a copy of Proposal I to schools for their input before the Board's adoption of Proposal I. Teresa Isaac seconded the motion which passed unanimously.

Tasso Harris then inquired about the participation at the Fan Jam during the Boys' Basketball Tournament. Reports indicated good comments and nearly 750 tickets sold, and that presently, the contract was for one year only.

Reba Woodall and Frank Miklavic, members of the Kentucky Track and Cross Country Coaches Association, then appeared before the Board with two proposals: 1) recognize Indoor Track & Field as a KHSAA sanctioned sport; 2) move date of Regional Track Meet to May 27 to avoid a two-week period between the Regional and State Meets. Following discussion, Claudia Hicks made a motion that the '95 season remain unchanged and accept the Commissioner's recommendation to submit the proposals to the State Track & Field Committee for 1996 recommendation. Kathy Hopper seconded the motion which passed by a vote of 12-2.

No action was taken on changing the starting date of the Football season for 1995.

Commissioner Stout announced the results of the recent election for new Board of Control members.

Female Representation Sections 5-8:

Kathy Johnston, Bourbon County High School - 40 votes
Sharon Garland, South Laurel High School - 26 votes
Lucy Moore, Rowan County Schools - 21 votes
Marla Kelsch, Monticello High School - 13 votes

Regions 9 & 10:

Stan Steidel, Dayton High School - 32 votes (Uncontested)
Regions 3 & 4:

Frank Cardwell, Franklin Simpson High School - 24 votes (Uncontested)

Miscellaneous items discussed were: 1) Ky. Dept. of Education enrollment report; 2) earlier delivery of the basketball tournament balls to the regional sites to allow more practice time; 3) publish summary of the Board actions in the Commissioner's Notes; 4) earlier starting seasons for soccer and volleyball; 5) addition of item to Bylaw 6, Transfer Rule. No action was taken on the above items.

Tasso Harris made a motion that the Hall of Fame Committee Meeting scheduled for April 21 be moved to May 10 to coincide with the next regular meeting of the Board which is scheduled for May 11-12. Stan Steidel seconded the motion which passed unanimously.

Teresa Isaac then moved for Executive Session to discuss legal matters. Bob Rogers seconded the motion which passed. Stan Steidel made a motion, seconded by Tasso Harris, to return to Open Session. No action was taken in Executive Session.

Stan Steidel made a motion that the Board send to the State Board the original Proposal to Bylaw 40, Girls Basketball Tournament, Girls' Fast Pitch Softball. Steidel made his initial proposal before the Board and now would like to change what was passed by the Delegate Assembly back to his original proposal. The two proposals are nearly the same other than the Delegate Assembly proposal -- requiring the hiring of a coach

first -- is in violation of the State Constitution. Based on this, he made a recommendation that the Board send to the State Board our approval of the following which was a change in the interpretation of Bylaw 40:

To qualify as having "sponsored" a sport, a school must be able to demonstrate the following:

1) If similar versions of a particular sport exist and there are differences in the scholarship opportunities at the NCAA level in that sport, a survey must be taken of the student population at reasonable times and places to determine the level of interest in the sport(s).

2) If said survey reveals sufficient interest to field the normal squad required for play in the particular sport and if any version of the sport is to be played, the school shall make facilities, staff and other allowances to properly field a team in the version of the sport for which the NCAA members offer scholarships.

Q/A - Are schools required to sponsor fast pitch softball if that school offers slow pitch? Yes. Schools are required to be able to demonstrate through the criteria in Bylaw 40 that all efforts have been made to "sponsor" the sport.

Q/A 2 - Can schools play slow pitch softball without playing fast? Yes, but only if school representatives can demonstrate that the requirements for "sponsoring" the sport have been met according to the bylaw and insufficient interest is obtained from the student population.

Rationale - This change would clarify the intent of the legislation which directed the State Board through the KHSAA to promulgate administrative regulations to enforce the law. This is also consistent with other "sponsoring" implications in similar policies of the KHSAA.

Tasso Harris seconded the motion which passed 9-5.

There being no further business to come before the Board, Ozz Jackson made a motion to adjourn. Ken Cox seconded the motion which passed. The meeting adjourned at 12:30 p.m.

Eligibility Hearings

MINUTES

March 16, 1995

The KHSAA Board of Control met in Lexington at the Hyatt Regency on Thursday, March 16, 1995, for the purpose of hearing eligibility appeals. These appeals were scheduled to be heard by the East Eligibility Committee on March 8; however, due to the weather conditions on that day and due to the fact that only five of the members were present, each appellant was given the opportunity to be heard at a later time before the entire Board. Mr. Frank Cardwell called the meeting to order at 9 a.m. All members of the Board were present with the exception of Ken Cox and Wendell Thomas. Others present were Commissioner Louis Stout, Asst. Commissioner Brigid DeVries, Fundraising Consultant Ken Tippet, Administrative Secretary Anne Wesley Mays, Board Attorney Danny Reeves and Ernie Tacogue of the State Department of Education.

Prior to each appeal, Mr. Cardwell explained to the appellants the procedure for presentation. Each party was allowed to present his/her case and distribute to the Board any additional information relative to the case. After each presentation, the Board went into Executive Session. Following return to Open Session a motion was made to either grant or deny the appeal. A roll call vote was taken by the Secretary. The appellants were advised of the decision of the Board and Mr. Cardwell explained the Due Process Procedure in the event the appeal was denied. It was determined that nine (9) affirmative votes were needed to pass a motion or restore eligibility.

Following is the disposition of each appeal:

1) Brian Glass - Anderson County; Bill Beasley made a motion to table the appeal. Tom Bryant seconded the motion which passed unanimously.

2) Jason Penn - Corbin; Stan Steidel made a motion to deny the appeal. Bill Beasley seconded the motion which passed by 11-3 vote.

3) Seth Hauser - Corbin; Claudia Hicks made a motion to grant appeal. Cookie Henson seconded the motion which failed by a vote of 6-8.

Ozz Jackson removed himself from the proceedings on the next appeal.

4) Chester Adams - Whitesburg; Stan Steidel made a motion to grant the appeal. Bill Beasley seconded the motion which passed unanimously.

Mr. Jackson returned to the meeting and Claudia Hicks removed herself from the proceedings on the next appeal.

5) Jennifer Carter - Rowan County

Cookie Henson made a motion to grant the appeal. Kathy Hopper seconded the motion which failed by 4-9 vote.

There being no further appeals to come before the Board, Tasso Harris moved for adjournment. The Board adjourned at noon.

March 23, 1995

The KHSAA Board of Control met in Frankfort at the Holiday Inn Capital Plaza on Thursday, March 23, 1995, for the purpose of hearing eligibility appeals. Frank Cardwell called the meeting to order at 8:30 a.m. All members of the Board were present with the exception of Bill Beasley, Grant Talbott and Wendell Thomas. Others present were Commissioner Louis Stout, Asst. Commissioner Brigid DeVries, Fundraising Consultant Ken Tippet, Administrative Secretary Anne Wesley Mays and Ernie Tacogue of the State Department of Education.

Prior to each appeal, Mr. Cardwell explained to the appellants the procedure for presentation. Each party was allowed to present his/her case and distribute to the Board any additional information relative to the case. After each presentation, the Board went into Executive Session. Following return to Open Session a motion was made to either grant or deny the appeal. A roll call vote was taken by the secretary. The appellants were advised of the decision of the Board and Mr. Cardwell explained the Due Process Procedure in the event the appeal was denied. It was determined that nine (9) affirmative votes were needed to pass a motion or restore eligibility.

Following is the disposition of each appeal:

1) Edward Lowe - Doss; Kathy Hopper made a motion to grant the appeal. Mr. Harris seconded the motion which passed 9-4.

2) Gary Frogge - Warren Central; Bob Rogers made a motion to grant appeal. Tom Bryant seconded the motion which passed by 11-2 vote.

3) Marisa Creech - Fern Creek; Stan Steidel made a motion to grant appeal. Kathy Hopper seconded the motion which passed unanimously.

4) Eric Hendrickson - Pineville; Cookie Henson made a motion to grant the appeal. Claudia Hicks seconded the motion which failed 3-10. Darrell Treece then made a motion to grant an additional semester of eligibility the second semester of 1995-96. Ms. Isaac seconded the motion which passed unanimously.

5) Deven Runyon - Paintsville; Ken Cox made a motion to deny the appeal. Cookie Henson seconded the motion which passed by a 12-1 vote.

6) Alyson Noel Schmidt - St. Mary; Bob Rogers made a motion to grant appeal. Ken Cox seconded the motion which passed unanimously.

There being no further appeals to come before the Board, Stan Steidel moved for adjournment. The Board recessed at 11:45 a.m. to reconvene at 8:30 a.m., Friday, March 24.

Basketball Group To Review 9th Region

MINUTES

January 19, 1995

Ken Cox called the meeting to order at approximately 8:05 p.m. on Wednesday, Jan. 19, 1995. He apologized for the late hour, but indicated prior obligations made it unavoidable. Those in attendance were Ken Cox, Cookie Henson, Bob Rogers, Ozz Jackson, Kathy Hopper, Larry Boucher, Ken Trivette and Louis Stout.

Mr. Cox indicated he had spoken with Louis Stout, Larry Boucher and the basketball coaches group and that several issues and concerns needed to be addressed by the Committee. Mr. Cox indicated he had asked Larry Boucher to formulate an agenda from which to begin committee discussion and that Mr. Boucher would be the staff liaison for the Committee. He asked Mr. Boucher to explain the handouts he had prepared as it relates to the basketball team alignment.

Mr. Boucher passed out a map of the state, broken down by basketball regions, with a listing of the teams playing in each region. He indicated it was possibly outdated, but was a place from which to begin discussions. He also passed out a listing of the team alignments taken from the 1994-95 KHSAA Handbook which he indicated could be used as a cross reference because it was a more up-to-date, accurate listing. He also informed the Committee that Heritage Academy will be added to the 9th Region teams beginning with play in the 1995-96 year.

Ken Trivette indicated corrections needed to be made in the map regarding teams listed in 10th Region. He mentioned that only 15 teams are now playing boys' basketball. Tollesboro has consolidated with Lewis County, Maysville is now a part of Mason County and Millersburg Military Institute is not playing this year, although they come and go with a team in any given year. Maysville's St. Patrick still has a team.

Mr. Cox said that the 9th Region is the only region which he has heard mention the need for a realignment of teams. He acknowledged that a basketball realignment issue is a very emotional one. He asked for input from those in attendance regarding anything they may have heard in their respective areas regarding a basketball realignment.

Mr. Trivette indicated there is a problem with 25 teams in the 9th Region, 23 teams in the 7th Region and 15 teams in nearby regions. Maybe a review should be made of nearby regions rather than a review of the entire state. He felt a greater concern on the part of coaches was three-team districts compared to some districts with seven teams. He feels balance should be the goal.

Kathy Hopper said that looking at the map did show some imbalances, but no one in the Louisville area had said anything to her about it. She indicated there is some fluctuation with participating teams in her area as well. She would want to get some input before forming an opinion.

Ozz Jackson indicated people were pretty well satisfied in 13th and 14th Regions.

Mr. Trivette felt that the 10th Region should be looked at when trying to solve the overflow problem from the 9th Region. This is in light of a possible further reduction in the number of 10th Region teams. Deming and Augusta High Schools are small and talk has been over the years that from year to year their existence is in question.

Bob Rogers stated that there are no problems in the western part of the state. The admittance of Fellowship Christian Academy into the 4th District eliminates three-team districts down his way. He is not interested in realigning the entire state,

...there is a problem with 25 teams in the 9th Region, 23 teams in the 7th Region and 15 teams in nearby regions. Maybe a review should be made of nearby regions rather than a review of the entire state.

but he is not opposed to looking at isolated problems.

Claudia Hicks mentioned that the 16th Region have heard rumors regarding Bath County wanting to come to the 16th Region, but have not heard about that for some time. The 16th Region might be able to absorb some overflow, but there has not been any controversy or questions lately.

Cookie Henson has not heard anyone complain, but would be willing to review her area if necessary.

Ken Cox said that he was not inclined to look at realigning the entire state, but that the 9th Region imbalance needs to be reviewed.

Mr. Cox asked Mr. Boucher to conduct a survey or provide some sort of communication to teams in the 9th and 10th Regions that the Basketball Committee is looking at some apparent imbalances in team alignments in these areas and see if there are any voluntary suggestions that they might have to correct the problem. Let them know that nothing is definite, but that if they might have any suggestions to provide the Committee they should do so.

A discussion occurred regarding the problems at the Boys' State Tournament over teams wanting to use a wide seam or narrow seam basketball in their game. We flipped a coin to determine which one to use and usually complaints were heard. It was decided that the KHSAA would get some basketballs from the Corporate Sponsors for basketballs and send some samples to the Kentucky Association of Basketball Coaches and then pass the basketballs around at their meeting and possibly a recommendation from them as to which ball to adopt - wide or narrow. Then we could possibly inform the member schools of which ball we will use in the tournament.

Mr. Cox opened up dialogue on 3-person officiating possibilities. Mr. Boucher passed out a listing he had developed on the pros and cons of 3-person officiating. It seems the primary objection to adopting this officiating style in the financial costs to the schools. One way to eliminate some of that costs might schedule boys' and girls' varsity doubleheaders and let the same three officials do both. Boys' and girls' JV games would be scheduled as doubleheaders on different nights and the same 3-person Crew would do both of those games. Mr. Trivette did not feel that the majority of current coaches would want to change the current boys' and girls' varsity/JV format. The JV programs are feeder programs to the varsity squad and this would hinder that tie-in. The Committee felt a possible shortage of officials, the overall lack of training, the uncertainty as to whether it actually proved the game was better officiated and, specifically, the financial impact would prohibit it from recommending a move in that direction at this time. If future consideration is warranted, then it might be best to experiment at the post season level. Further discussion on the issue was tabled.

A general discussion occurred about officials officiating both boy's and girls' games. Some discussion centered around some top quality officials who would not officiate girls' games or who did not because they felt it wouldn't require as much effort. Eventually, the Committee discussed the prime playing nights and the inequality with regard to which gender got to play on these nights. The Committee agreed that a draft letter should be prepared encouraging schools to consider scheduling boy/

KHSAA Names Molten Official Ball In Three Sports

Molten has been named the official ball of the KHSAA in the sports of basketball, soccer and volleyball. Commissioner Louis Stout signed the agreement which gives Molten official ball status for five years, beginning July 1, 1995 and extending through June 2000.

The contract requires the KHSAA to use Molten throughout postseason play in the three sports. In turn, Molten will supply the in-kind product and cash valued at \$200,000 over the life of the contract.

"Molten is very proud to be associated with the KHSAA," Michael Krieger, Eastern sales manager for Molten, said. "Our efforts will be to work with the Association for the betterment of high school athletics in Kentucky."

"Having Molten on board as a major corporate sponsor will improve our tournaments while providing this Association with funds needed to help both our schools and student-athletes," Stout said.

Wilson will continue to be the official ball for football, softball and baseball. That five-year deal for in-kind products and cash will bring the KHSAA \$50,000.

Paintsville's Brugh Retires

Walter Brugh, the all-time winningest coach in Kentucky high school football history, called it quits April 17. Brugh spent 44 years as a football coach at Paintsville, the past 39 as the head man. He finishes his career with a 279-136-5 record. At age 68, he's also retiring as Paintsville's director of pupil personnel, a position he held since 1959.

Brugh guided the Tigers to two state runner-up finishes in 1979 and '85. But his biggest win came on Oct. 15, 1993 when he surpassed Bardstown's Garnis Martin to become the state's all-time winningest coach. Now with his retirement, North Hardin's Joe Jagers becomes the state's winningest active coach with 260 victories.

Golf In Richmond For 1995

The State Golf Championships next October will move to Richmond. The girls' tournament will be played at Arlington Country Club and the boys' will be played at Gibson Bay Golf Course. The dates for each event are Oct. 10-11 for the girls' tournament and Oct. 12-13 for the boys' tournament.

Johnston Elected To Board

Bourbon County athletic director Kathy Johnston was elected to a four-year term on the KHSAA's Board of Control beginning in July. Johnston will replace outgoing Board member Claudia Hicks of Rowan County and will hold one of four minority seats on the Board.

Two other current Board members, whose terms were to

expire this June, were re-elected for four more years. Frank Cardwell, the current president of the Board and principal of Franklin-Simpson, and Stan Steidel, athletic director and basketball coach at Dayton, will both continue to hold seats on the 16-member board.

The State Department of Education, which places four at-large members on the KHSAA's Board, will fill Tom Bryant's spot this summer. Bryant, the basketball coach at Centre College, was selected to serve a one-year term only.

Napier Joins Unique 300 Club

Randy Napier, the girls' fast pitch softball coach at M.C. Napier, won his 300th softball game in April to run his career record to 300-102. Napier, who also coached M.C. Napier to a girls' state basketball title in 1994 before resigning that position at the start of the 1994-95 season, has a 338-108 mark in girls' basketball. He'll return to the sidelines in basketball next season as the head man of the girls' program in both sports at new Perry Central.

Reed Resigns

Washington County football coach Jimmie Reed, a leader in promoting football in Kentucky, has resigned his coaching position at the school. Reed, who coached the Commanders for 17 years, left with a 113-78 record. He will remain at the school as athletic director and guidance counselor and will continue to serve as Executive Director of the Kentucky High School Coaches Association and game director of the Kentucky-Tennessee All-Star football game.

Reed, a former UK football player and whose son J.D. now plays for the Wildcats, guided Washington County to a regional title in 1979, three district crowns and eight playoff appearances. The Commanders finished 5-6 in 1994.

Brown, Winningest Girls' Basketball Coach, Quits

The winningest girls' basketball coach in the state of Kentucky has resigned. Bill Brown, who compiled a 445-115 record in 19 years as head man of Southern's girls' basketball team, quit in April. He guided the Lady Trojans to 14 district titles, 14 regional crowns and a 1988 state title. He also coached Miss Basketball Lisa Harrison that same year. Southern finished 12-13 in '94-95, losing in the first round of the regional.

Winningest Girls' Coaches (*active)

1. Bill Brown, Southern (19 years)	445-115
2. *Roy Bowling, Mercy	443-100
3. *Howard Beth, Marshall Co.	429-57
4. *John High, Whitesburg	408-86
5. *Beverly Roby, Marion Co.	392-151

Ex-NFL Star Ray Guy at EKU

Ray Guy, who many believe is the best punter to ever play in the NFL, will be at Eastern Kentucky University's Kicking Academy, scheduled for June 9-11, 1995, in Richmond. The camp is for 10-year-olds to high school age kickers. Campers can receive an application by calling (606) 622-2146.

Guy led the NCAA in punting in 1972 with a 46.2 yard average at Southern Mississippi. In 1973, he was the first punter ever selected in the first round of the NFL draft and went on to average 42.4 yards per kick in 14 seasons with the Raiders. He was named to the Pro Bowl seven times and won three Super Bowls with the Raiders.

January Board

(From Page 7)

Male HS, amendment to Bylaw 25, Limitation of Seasons, 6. Soccer. The motion passed unanimously.

Ken Cox left the meeting.

The Board then considered other proposals to be submitted to the Delegate Assembly. By vote of the Board, these proposals were rejected for submission: 1) Principal James Sexton, Eastern High School, amendment to Article IV, Administration & Legislation, Sec. 1; 2) Principal Kim Shaw, North Hardin HS & Principal Randall Cooper, Ryle HS, amendment to Bylaw 28, Physicians Certificate and Parents Consent; 3) Principal Guy Strong, George Rogers Clark HS, amendment to the Constitution. Kathy Hopper then made a motion to table five proposals submitted by Principal Perry Sangalli, St. Xavier HS which contained amendments to Bylaw 27, Requirements for Coaches, pending a clarification of language. The proposal could then be re-submitted for approval. Frank Welch seconded the motion which passed.

The Board then went into Executive Session to discuss a legal matter. Tasso Harris made a motion, seconded by Stan Steidel to return to Open Session.

Tasso Harris made a motion, seconded by Cookie Henson, that the Board declare an emergency on a proposal to amend Bylaw 40, as submitted by Mr. Stan Steidel, Dayton High School. The Board directed the Commissioner to deliver this proposal to Mr. Joe Kelly, State Board Chairman, on Monday, Jan. 23, for submission to the Feb. 8-9 meeting. The motion passed 9-2.

Teresa Isaac left the meeting.

Ms. DeVries submitted a Swimming realignment and requested approval of the changes as recommended by the Swimming Advisory Committee for the 1995-96 school year. Grant Talbott made a motion to approve the alignment as presented. Tasso Harris seconded the motion, which passed unanimously.

Commissioner Stout announced the appointment of a Hearing Officer, Judge George E. Barker, Lexington, to begin on April 1, 1995.

Mr. Stout advised the Board that the State Basketball Tournament dates for 1998 should be changed as follows: Girls - March 11 - 14; Boys - March 18 - 21 due to a conflict at one of the sites.

There being no further business, Cookie Henson moved for adjournment. The meeting adjourned at 12:15 p.m.

girl varsity doubleheaders more often in future years to address gender equality concerns as well as the concern over the number of nights our children are out attending events.

The committee discussed postseason tournament site rotation plans. It was mentioned that we pretty much have rotation plans for district play, but seems Committee members felt a regional rotation plan should also be in effect. Commissioner Stout has indicated he wants to pursue this concept if possible.

The Committee briefly discussed and was asked by Ken Trivette to give further thought to the following issues: (1) summer play for athletes and possible need for a dead/no play period during the summer (2) the need to revise the seat belt rule on coaches because of the rule change in the number of technical fouls now required to disqualify coaches (3) whether seeding for post season tournaments should be required or eliminated so that all districts and teams across the state are consistent.

The meeting was adjourned.

COACHES CERTIFICATION

Don't Forget: Beginning with the 1996-97 school year, all coaches in Kentucky must be certified through an approved training procedure to be in compliance with Bylaw 27. The Kentucky High School Athletic Directors' Association has set in motion this plan and initiated the training process.

The following are clinic dates for the
Kentucky Coaches Education Program:

May 13, 1995
August 5, 1995
November 11, 1995
January 13, 1996
February 22-23, 1996*
April 13, 1996
May 18, 1996

* During the Kellogg Football Coaches Clinic in Louisville

Without Officials, Sports Wouldn't Exist

by Dr. Thomas Tutko

The following article appeared in the April 1994 issue of the National Federation magazine.

No system can exist without a set of rules and regulations. Regardless of how we feel about them, believe in them or even think they are fair and equitable, rules and regulations are critical. They represent the foundation. All systems have groups to enforce these regulations to make the system work.

The sports world is a glaring example of this policy and the group designated to enforce the rules is the officials. Without officials, sports would fail to exist. The official's responsibility is to ensure that each individual and team gets and opportunity to perform their best within the rules and regulations.

We have reached a strange crossroad in sports where limits are tested in almost every direction. Testing limits can be exciting when we are thinking of performance records, or interesting when we are thinking about attendance records, but when we get to testing rules and regulations as enforced by officials, we have taken a step in a direction that sincerely needs to be questioned.

In the last several years, official bashing seems to be on the rise. Some coaches have developed a reputation for "getting on the officials" and even go so far as to draw in the crowd to join them. There are those coaches who try to manipulate officials psychologically, hoping to gain that slight advantage when it

comes to calling "close ones." There are even those who will attempt to create some form of intimidation in order to gain the advantage.

Trying to intimidate an official may have some advantages. Consciously or unconsciously, an official may give the intimidators a slight edge. Being an official is a strange activity. The only way officials know they have done a good job is to be ignored. A good game is one without a fuss. This runs contrary to what most of us call a rewarding job. On one level, officials may be far more dedicated to the sport than the fan, coach or even player. There are few rewards, minimal accolades, and the potential for great abuse. They have taken it upon themselves to be entrusted with the control of the game. They are to be saluted for assuming that responsibility.

For officials to be truly recognized, however, more needs to be done in the form of support. In Japan, baseball players bow to the umpire; in the United States we kick dirt on them. This is not to imply officials are always right, they never make mistakes or they are flawless.

Being human, we are all subject to make mistakes. Regular scrutiny by peer and inspection committees help to minimize these. Close inspection of most officials indicate the vast majority of the calls are in fact, correct. Only a few calls can be considered questionable.

Referee Dick Morris and umpire/son Corky Morris talk to the captains during the 1994 Class 4A state championship game.

Greater support needs to come in the form of more severe punishment for those who choose to threaten the game by discrediting the interpreter of the rules -- the official. Longer suspensions, stiffer penalties and more severe reprimands are in order so that the official can know he/she is supported.

On a more subtle level, coaches and athletes who bash officials are subjecting them to psychological abuse. To "get all over an official" is to say that person is either stupid, inept, biased or just plain cheating. This is perhaps the most humiliating part of being involved on this end of sports.

From a psychological standpoint, official bashing provides an interesting insight into the coaches. One way of diverting the blame for poor performance from the individual, team or coach is to blame the official. This phenomenon, called displacement, shifts the burden from actual source to someone else. Admittedly, the officials may make mistakes, but a chronic complainer is one who is not willing to assume responsibility.

Everyone has a memory or two about an official. The called third strike that was debated, the catch that was inbound that everyone thought was out of bounds, or the interference call that you felt was just too close to make such an important decision -- are all memories that we can look back on and say "what if." What we might look back on instead is the person with the courage to take the game into his/her hands and temporarily stop the game in order for it to be played fairly. Instead of bashing the individual, we ought to take a few minutes to admire and respect someone with those special qualities.

We continually admire jocks and coaches; maybe it takes more to be an official.

Officials Re-registration

The Kentucky High School Athletic Association will mail out re-registration information to all officials this month. This registration period will run until June 30. Officials registering after that date will be subject to a late penalty.

Once again for 1995-96, the registration fee is \$25 for the first sport, \$15 for each additional sport. Softball officials will notice that both slow pitch and fast pitch softball are listed on the form. The sports are separate and will be treated likewise.

The KHSAA utilizes a deadline of June 30 so that a complete listing of all officials can be compiled, printed and distributed when the new school year begins. If re-registration occurs after June 30, a \$25 late fine will be assessed.

Persons wishing to register for a first time in a new sport must contact the KHSAA at (606) 299-5472 for the proper forms.

Did You Know...

- The KHSAA registers and trains nearly 3,000 officials each year?
- The KHSAA serves 284 member schools across Kentucky while also sanctioning out of state competition?
- That there are more than 40,000 student-athletes participating in high school sports in Kentucky?

Teams To Shoot Two On 10th Foul

New Free Throw Rule Highlights Changes For 1995-96 Basketball

KANSAS CITY -- Awarding two free throws for common fouls beginning with the 10th team foul in each half was among a number of rule changes approved by the National Federation Basketball Rules Committee March 26-27.

Beginning next season, the bonus is still in effect for common fouls starting with the seventh team foul. But starting with the 10th team foul, two free throws will be awarded.

"This places a greater penalty against teams that continuously foul at the end of the game and will hopefully discourage fouling that currently takes place during the last two or three minutes of many games," said Rick Wulkow, chairman of the National Federation Basketball Rules Committee and administrative assistant of the Iowa High School Athletic Association. "The new two free throws after the 10th foul was supported by two-thirds of the coaches, officials and state association personnel who responded to the National Federation questionnaire."

Another rule change adopted by the committee stipulates that bench personnel may not leave the confines of the bench during a fight. The committee established that one team technical foul is charged even if multiple violations occur. A technical foul is charged indirectly to the coach in this situation.

If an individual participates (actually fights), then he or she is also disqualified and individual two-shot penalties will be awarded.

"Bench personnel" includes everyone on the bench, including substitutes, statisticians, team managers and coaches. If any of those individuals leave the bench during a fight, it results in the disqualification of the offending individual. If the offending individual is a student, he or she must remain on the bench. If the offending individual is an adult, he or she must go to the locker room.

"The committee also defined the term 'fighting,'" said Dick Schindler, assistant director of the National Federation and editor of the high school basketball rules. "Fighting includes, but is not limited to: attempting to strike and opponent with arms, legs or feet; attempting to punch or kick an opponent, regardless if there is contact, or instigating a fight by committing an act that causes an opponent to retaliate by fighting. It can be a 'live ball' or 'dead ball' situation."

In other committee action, no free throw shall be attempted after time has expired at the end of the fourth quarter, or any extra period, unless the point(s) would affect the outcome of the game.

The committee also revised Rule 9-9 to state that it is not a violation if a defensive player, who jumped from the frontcourt, secures control of the ball while both feet are off the floor and he or she returns to the floor with one or both feet in the backcourt.

"This rule eliminates the 'over and back' call and rewards a good defensive play," Schindler said. "It is similar to the basic exceptions which exist for both teams on the 'jump ball' and 'throw-in' situations."

In an attempt to get intentional fouls called more consistently, the committee expanded the definition of "intentional foul" to read, "...the foul shall also be ruled intentional if, when playing the ball, a player causes excessive contact with an opponent."

Among other rules revisions made by the committee were:

- When play is resumed with a throw-in or free throw and three-tenths of a second or less remains on the clock, the player may not gain control of the ball and

try for a goal. In this situation, a tap toward his or her basket could score. However, this rule does not apply if the clock being used does not display time in tenth-of-second increments.

- The use of tobacco, or smokeless tobacco, by players or any bench personnel shall be a technical foul.

- Deleted the two-foot center circle and jumpers requirement.

- Deleted the requirement that officials signal the point value of a successful free throw or two-point field goal (the point value of a successful three-point field goal, however, shall be signalled by the official).

- The player's undershirt shall not have frayed or ragged edges.

- Beginning in the year 2000, a team squad list shall not have both numbers "0" and "00". This rule change was made since most computers can't differentiate between the two.

- Defined rebounding, obtaining and maintaining position.

- Playing time and the number of quarters for non-varsity games may be reduced by mutual consent of opposing coaches.

- In games played in six-minute quarters, an overtime period shall be three minutes in length. In that way, such a game would have the same ratio as a

(Continued, Next Page)

Warren East's Jamie Britt was hammered on this play by Marion County's Tina Spalding during the 1995 Girls' Sweet 16. New rules regarding foul shots will take effect next season.

Basketball Rules

From Page 20

game with eight-minute quarters and a four-minute overtime period.

• No player in a marked lane space shall fake to cause an opponent to violate.

"The major concerns of the committee in which no rules were changed have been expressed in the adoption of the points of emphasis for the 1995-96 season," Wulkow said. "The points of emphasis, which will be discussed at rules clinics prior to the season, will be: rough play, swinging arms and elbows, loose ball contact; objectionable, visible body markings and body decorations on players; and intentional fouls. Hopefully, such emphasis will call attention to these problem areas and reduce some of the committee's concerns.

Basketball is the second-most popular high school sport for boys with 530,068 participants -- and the most popular in terms of school sponsorship with 16,451 schools offering the sport -- according to the 1993-94 high school athletics participation survey. It is the No. 1 sport for girls in both categories, with 412,576 participants in 16,016 schools.

HEADS UP!

Matt Ellis (12) and Scooter Green (8) of Montgomery County attempt to head this shot during the 1994 Boys' State Soccer Championship despite the efforts of a St. Xavier player. St. Xavier defeated the Indians 2-0.

KISS OF SUCCESS

Dean Hobbs, who coached Breckinridge County to the state championship, took this moment to fulfill a promise following the trophy presentation at Rupp Arena. Hobbs stepped out on top, retiring the following week after a long career coaching high school basketball in Kentucky.

Downing Resigns From KHSAA Post

Brooks Downing, the Kentucky High School Athletic Association's Sports Information Director since 1992, resigned his position on June 23, 1995.

Downing left the KHSAA after accepting a job as the Assistant Media Relations Director for the University of Kentucky. At UK, he will be responsible for all media relations efforts for the men's basketball team.

At the KHSAA, the Lexington native directed all publicity efforts for the Association's 284 member schools while handling media relations for 13 prep sports and all 16 championship events, including the Girls' and Boys' Sweet Sixteen Basketball Tournaments. He also produced and coordinated all championship programs and weekly media releases, as well as numerous other publications and projects produced by the KHSAA.

Prior to joining the Association, Downing, 31, served as a multi-media writer and producer for the legendary

"Voice of the Wildcats," Cawood Ledford. He was also a sportswriter and assistant editor for *Cawood On Kentucky*, a weekly fan magazine dedicated to UK athletics, while serving as an assistant editor for two of Ledford's top-selling books.

He has also served as editor of Kyle Macy's High School Basketball Yearbook and the Minute Mart Scouting Report, a twice-monthly report covering college basketball in Kentucky and Tennessee.

A 1988 graduate of UK in Telecommunications, Downing served a graduate internship in the UK Athletics Department from 1988-90, where he assisted in sports information for all 17 varsity sports.

He has also been a high school and college football official since 1984, and as a member of the Mid South Football Conference, officiated the 1994 NAIA Division I National Championship game.

He is married to Cassandra

Brooks Downing

Compton Downing, formerly of Georgetown.

Commissioner Louis Stout hopes to name a replacement by Aug. 1, 1995.
